The Restoration of All Things 3

Ascending Higher

ROAT 3 Ascending Higher

- As we mature or ascend higher, we will discover that we have creative abilities far beyond what we could have imagined.
- We have the ability to live multidimensionally, not just travel to dimensions.

ROAT 3 Ascending Higher

- Son, do not be overwhelmed by what you are being called to do: it is your destiny and that of all Our sons to be creatively responsible.
- Creating guardians was another step on your journey of discovering the creative reality of who you are and what you are capable of.

ROAT 3 Ascending Higher

- Creation is waiting, longing and groaning for the revealing of the creative glory of sonship so it can be set free and restored.
- You have felt it and have been moved by it many times and that has motivated you to keep going and to not give up.

ROAT 3 Ascending Higher

- Romans 8:19 For the anxious longing of the creation waits eagerly for the revealing of the sons of God. 21 that the creation itself also will be set free from its slavery to corruption into the freedom of the glory of the children of God.

ROAT 3 Ascending Higher

- Son, now you know what is possible, you will receive more and greater creative mandates that are part of your progressive ascension to full and mature sonship.

ROAT 3 Ascending Higher

- Now that you know the process of creation and have personal testimony of your creative abilities you can rest and be, so you can just choose the creative reality that is aligned to Our heart.

ROAT 3 Ascending Higher

- As you have seen and experienced so many times, that the steps of process merge into one choice once you know them by experience.
- You can live in quantum moments that are all processes but feel like instantaneous creative choices of reality.

ROAT 3 Ascending Higher

- Son, never stop living in the reality of unconditional love, limitless grace and triumphant mercy as they must always be the relational foundation of all creative choice.

ROAT 3 Ascending Higher

- Without unconditional loving relationships that express lovingkindness, everything is futile, pointless and meaningless.
- Unconditional love defines true reality: everything else is a deception that must be exposed by the light of love and truth.

ROAT 3 Ascending Higher

- Son, you will learn to let go of your past knowledge and experience so that you can truly be creative and not just form variations of what already exists.
- There are other levels of truth and enlightenment that are to be experienced.

ROAT 3 Ascending Higher

- 22th April 2021
- During a restoration government ascension we ascended what looked like a helical DNA ladder. We engaged the Tree of Life, where a sap-like substance was released.

ROAT 3 Ascending Higher

- We engaged a counterfeit council where some trafficking strategy was taking place and saw some beings who were acting like guards stopping victims from believing in the possibility of freedom.

ROAT 3 Ascending Higher

- We also engaged an infinity loop which is deceiving mankind into believing in the possibility of eternal life through religious works and self-effort.
- That belief is like living on a hamster wheel that never goes anywhere but just wears you out.

ROAT 3 Ascending Higher

- The truth of the ascension of mankind through the Tree of Life was released like sap to free people from their lost identity and cyclical existence that is going nowhere.

ROAT 3 Ascending Higher

- The sap from the Tree of Life was applied to bring freedom to those trapped by a form of AI.
- This substance was also applied to some of the beings that were guarding the AI control room we encountered.

ROAT 3 Ascending Higher

- The beings were engaged, forgiven and transformed into the guardians of dimensional portals that they were intended to be and released to take up their positions in the constellations.

ROAT 3 Ascending Higher

- We felt that we had a mandate to create more guardians for unguarded dimensional portals, so Nancy simply created a variety of different-looking guardians and then they were then commissioned.

ROAT 3 Ascending Higher

- One of those created guardians went to the constellation of Leo that has a kingship function.
- We can all learn to be creative, as we are all sons made in the image of our Father.

ROAT 3 Ascending Higher

- My journey has taken me from my soul tethering my spirit to itself and the earth to being able to live in the dual realms of heaven and earth, quantumly entangled, to living in multiple realms and dimensions, all in multiple quantum moments of being.

ROAT 3 Ascending Higher

- I discovered that at the core of my innermost being is the connection between realms and dimensions, the Merkabah, that has portals for communication and travel.
- I am one spirit, soul and body and in union and oneness with Father, Son, and Spirit; and all the created realms are connected within me – and you.

ROAT 3 Ascending Higher

- 6th May 2021
- In a Restoration Government ascension I entwined in the light matrix of the Father's intentions and when I engaged the earth shield to release those intentions, Wisdom, Knowledge, Understanding and Prudence surrounded and directed my intentions out to the cosmos.

ROAT 3 Ascending Higher

- The light intentions formed a connection that entangled me to the constellation of Cancer and, like engaging a wormhole, I was instantly there when my choice aligned with the intention and the resonance energised the connection.

ROAT 3 Ascending Higher

- I engaged with the guardians around the fiery portal, which was glowing.
- They gave me permission to enter, and when I did I was drawn to a group of golden portals shaped like the Merkabah.

ROAT 3 Ascending Higher

- Some beings emerged that I recognised as the Servici who we meet before and who committed themselves to Our service.
- They informed me that I needed to help those who were in deep need, indicated by their countenance and frequencies, which stimulated a deep sense of urgency and desire.

ROAT 3 Ascending Higher

- They directed me to another group of portals that were giving off a strong sense of dread, foreboding and deep loss and although I did not enter, I tangibly felt the emotional darkness.

ROAT 3 Ascending Higher

- I released all that I had encountered in the light connected that place with the Father's heart that I was still entangled with; and a stream of unconditional love, limitless grace and triumphant mercy entered the central portal.

ROAT 3 Ascending Higher

- I felt a disturbance within and eventually a faint but encouraging response that the light of love and truth that had penetrated had produced hope.

ROAT 3 Ascending Higher

- Again I felt like I was a straw and a giant pipeline was needed, as there was such darkness and despair that I know that it will require a union of many hearts to overcome such darkness with love's light.

ROAT 3 Ascending Higher

- The Father also revealed that there was a system of connections, like a network of veins and arteries, like a circulation system, that was being blocked.
- We shared what we had experienced to form a strategy.

ROAT 3 Ascending Higher

- When we re-engaged this activation, the being Time appeared again just as I had met it before, but this was new to the others.

ROAT 3 Ascending Higher

- Time declared “I am for you not against you”, offering partnership but indicating that our attitude, vocabulary and thinking needed to change towards Time.
- I reflected on what I had thought and said about Time as I had labelled and stigmatised it.

ROAT 3 Ascending Higher

- Each of us asked for forgiveness for our negativity towards Time, severing the connections we had made with time and aging, not having enough time, losing time, time running out, connecting time's passage with death etc.

ROAT 3 Ascending Higher

- Time goes by, killing time, mark time, lose track of time, sands of time, all time low, time pressure, time is money, wasting time, no time to lose…

ROAT 3 Ascending Higher

- Time offered to partner with us so that the limitations and restrictions in our minds to past, present and future would be removed so we could access everything across space-time.

ROAT 3 Ascending Higher

- All sorts of possibilities and opportunities began to form in our minds for this partnership with Time and there was a great sense of excitement and anticipation.

ROAT 3 Ascending Higher

- There were beings around us composed of angels and the cloud of witnesses that symbolically held hands across space-time to indicate that we could engage it.

ROAT 3 Ascending Higher

- We engaged the circulatory system at the blockage points and began to expand to force the vessels open like we were inserting a stent.

ROAT 3 Ascending Higher

- There seemed to be a lot of energy stored up that began to flow strongly as if it was being pumped by the Father's heart in time and rhythm.

ROAT 3 Ascending Higher

- It was like the blood of Jesus carrying the intentions of the Father's heart as anointing was being pumped through this system of networks to the constellations and dimensions.

ROAT 3 Ascending Higher

- We thanked and honoured Time for partnering with us and there was a sense of rejoicing that something lost was now restored.
- What can Time help us with?
- Our past.
- Historical events.
- Being used in time.

ROAT 3 Ascending Higher

- Expanding and contracting time.
- Restoring fallen beings.
- ?
- The following is the transcript of what a group of different people did, making declarations and observations.

ROAT 3 Ascending Higher

- What does it take for the sons to take their places and positions?
- We need to engage with the being of Time…
- How do we engage with Time?
- How does Time work for us and not against us?

ROAT 3 Ascending Higher

- Begin by honouring Time…
- I honour you, Time, who I have actually treated more as an enemy and a scarcity.
- I open my heart now to learn from Time, in the presence of the Father, in the presence of the Lord, so that I can see what my relationship SHOULD be with this being of Time and how to function WITH him in that relationship.

ROAT 3 Ascending Higher

- I honour you, Time, and thank you for desiring to partner with us…
- Time is saying, “Time is not running out. You need to change your mindset and vocabulary towards me, so that we can partner for the restoration of history, for the incubation needed for the Restoration of All Things.”

ROAT 3 Ascending Higher

- There are so many ways of talking about time, which are a dishonour and lack of trust.
- Time wants to work WITH us, not FOR us.
- We have connected Time with death and aging. We have tied our understanding of time to the passage of hours, days, years, and that it's gone and we have no access to it.

ROAT 3 Ascending Higher

- I ask forgiveness for using negative words and concepts of time, for using phrases that have disrespected and dishonoured time, making Time an enemy rather than a friend.

ROAT 3 Ascending Higher

- In Father's presence I engage with Time, seeking for a relationship which will be fruitful and fulfilling and will enable us to outwork and fulfil all that we need to do in restoration.

ROAT 3 Ascending Higher

- I ask that Time would teach us about time-travelling so that we may repair the breaches of the past.
- I renounce the judging of myself and others for wasting time.
- Father, thank You that You have given us all the time we need.

ROAT 3 Ascending Higher

- I renounce thinking of sleep as an interrupter of my activities, rather than valuing sleep time.
- We have been given light-emitting shoes to “walk forwards and backwards.”

ROAT 3 Ascending Higher

- We accept the invitation to partner with Time.
- We honour that partnership, and we join together for the purposes and the intentions of God's Kingdom, for the restoration with Time.

ROAT 3 Ascending Higher

- We declare: we have all the time that we need. Time is NOT running out. Time is our friend, not our enemy. And we cooperate in partnership with Time to facilitate the restoration of all past that's affecting the present and the future.

ROAT 3 Ascending Higher

- We renounce the separation of past, present and future (as if we are living in the present, rejecting the past and not thinking about the future) – we just see the whole thing as one, not limited or restricted by past, present or future.

ROAT 3 Ascending Higher

- We can just learn to be at rest, knowing that we have all that we need, all sources and access that Time gives us.
- It's available to us to expand, to contract, to travel, to instantly be connected to places.

ROAT 3 Ascending Higher

- In a sense the speed of light, which is a function of time, enables us to be anywhere and everywhere and live in a multi-dimensional way, unlimited by linear time.

ROAT 3 Ascending Higher

- We reject the concept of linear time in favour of engaging rich time, the Eternal Now perspective of time that will not limit us or restrict us in any way in the fulfilment of the whole of the restoration of God's purposes.

ROAT 3 Ascending Higher

- Daniel 2:20-22: “Blessed be the name of God forever and ever, for wisdom and might are His, and He changes the times and the seasons. He removes kings and raises up kings. He gives wisdom to the wise and knowledge to those who have understanding. He reveals deep and secret things. He knows what is in the darkness, and light dwells with him.”

ROAT 3 Ascending Higher

- Filaments of light coming from the being Time are connecting us instantaneously with other places, time, self, history.
- These are like quantum-entangled “wormholes” that are instantaneous connections for multidimensional engagement. We are not limited to our own time-space continuum and framework of time.

ROAT 3 Ascending Higher

- Time is basically releasing all of these things for us to follow and connect and engage with.
- These are the pathways. These are the partnership opportunities that Time is releasing for us that are connecting us with specific moments, past, present, future – all encapsulated so that there's no limitation to our engagement.

ROAT 3 Ascending Higher

- But not just “time” but also dimensional reality as well. This is giving us access to those dimensions.
- Father is saying to us, it’s TIME now, because we’re ready. We weren’t ready before.

ROAT 3 Ascending Higher

- Our understanding is where it is in regards to time.
- It's time now to unlock some of the treasures of darkness.
- I receive that, Father. I receive the treasures of darkness.
- I agree and align myself with what You've decreed, that it's time.

ROAT 3 Ascending Higher

- Isaiah 45:3 “I will give you the treasures of darkness and hidden riches of secret places, that you may know that I, YHWH, call you by your name.”

ROAT 3 Ascending Higher

- I want to be friends with Time, and friends hang out together.
- So Time, I would like to be your friend and hang out with you and learn from you how to redeem the time, without feeling guilty about it or under undue pressure, but just to understand how time is available to us to make good use of.

ROAT 3 Ascending Higher

- We untether ourselves from our limitations concerning time. We untether ourselves from the time connected to aging and death.
- We untether ourselves from where time has been connected to the passage of time in moments of time – that we're disconnected from that.

ROAT 3 Ascending Higher

- And we release to those who are trapped in time, feel time's running out, feel they're lost, drifting without purpose, aimless, directionless, we release the frequency of hope. We release the light. We release the truth.

ROAT 3 Ascending Higher

- We release what we've experienced, that time would be redeemed. Their whole lives in relation to their destiny, their purpose which they may feel has been wasted or lost – we call for a redemption of their purpose and their destiny, freeing them from any time constraints or sense of lost opportunities and time.

ROAT 3 Ascending Higher

- We release it as a frequency of hope to inspire people to again partner with Time in a completely different way, that they will be free from the restrictions and limitations that they feel Time has placed on them but they've placed on themselves.

ROAT 3 Ascending Higher

- So they would have the fullness of the times, those things that the Lord releases in new seasons.
- We call for new seasons of opportunity of change, of transformation to take place.

ROAT 3 Ascending Higher

- Son, Our sons are beginning to rise up into their positions of responsibility to steward the restoration of all things in all realms and dimensioned of creation.

ROAT 3 Ascending Higher

- As the restrictions and limitations on the minds of the sons of God are removed and consciousness is awakened and expanded, creation will begin to respond even more.

ROAT 3 Ascending Higher

- Our consciousnesses are being expanded; we are learning to access all types of brain wave function simultaneously.
- We are learning to choose and create reality the way God creates, in alignment with His heart.

ROAT 3 Ascending Higher

- The creative process that we are all in is taking us beyond human and restoring humanity from lost identity back into mankind made in God's creative image.
- We are becoming godlike as sons of our heavenly Father who is limitless.

ROAT 3 Ascending Higher

- It is time for true reality in multidimensional living so you can fully enjoy the bliss of rest from your labours to just be.
- I have shielded you from the knowledge of just what you, as a nonlinear being, are accomplishing in the spiritual realms by just giving you glimpses.

ROAT 3 Ascending Higher

- I will take the blinkers off your mind so your consciousness can expand to take in multidimensional reality and so you truly appreciate your capacity as a mature son of God.

ROAT 3 Ascending Higher

- In that moment I became aware of who I am and what I am doing at a higher level of consciousness in an expanded state of reality.
- I am, therefore I exist in manifoldness, just like my Dad; in nonlinear quantum moments that fulfilment of my destiny.

ROAT 3 Ascending Higher

- I am quantumly entangled multidimensionally with the Eternal Now, Cradle of Life, sound of many waters waterfall, Chamber of Destiny and the Chamber of Creation, continually, in just one of many realities.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, Throne of Grace, Judgment seat, altar of fire, fire stones and my many thrones, in another reality set.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, four faces of God within YHVH, Court of the Councils of the Fathers, Court of Kings, Chancellors' Court and my mountain thrones, in another quantum moment.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, The Circle of the Deep, 12 High Chancellors' Houses, 12 Ambassadors of the ages of man and the Council of 70, in another quantum moment.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, Court of the Upright, the Cloak of Mystery dark cloud, Wisdom's Heights and the consuming fire of love, in another quantum moment.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, The beyond beyond dimensional anteroom, constellational portals and many dimensions, in another quantum moment.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, Wisdom's Heights, the ancient paths, the four doors, and the Earth shield, in another quantum moment.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, the Father's garden, the Elementals' 7 thrones, and creation, in another quantum moment.

ROAT 3 Ascending Higher

- I am also quantumly entangled multidimensionally with the Eternal Now, my own spirit first love place, garden of my heart, dance floor, soaking room, bridal chamber, Merkabah, Tree of Life, 7 energy gates and expanded spirit spheres, in another quantum moment.

ROAT 3 Ascending Higher

- My heart filled with joy and I sank deeper and blissfully into rest but at the same time was so excited by this revelation that I could hardly contain myself.

ROAT 3 Ascending Higher

- Son, see how easy it is to just be. And this is just a glimpse of what it is to be I AM that I AM that you will ascend to when you become an ascended father.

ROAT 3 Ascending Higher

- Son, learn to become aware of multidimensional reality but always stay in rest, living in love, joy and peace within.
- Be balanced by the Tree of Life in the union between your spirit, soul and body.

ROAT 3 Ascending Higher

- As you expand your spirit's boundaries, practise expanding your consciousness to become more aware of the dimensional realities that you are mandated to govern in.

ROAT 3 Ascending Higher

- All you learn to do as a son, made in Our image, with creative abilities, will equip you to become an ascended father in the ages to come.
- Son, the true authority of a son is realised through surrender, not service, so abandon yourself totally to just being.

ROAT 3 Ascending Higher

- 16th June 2021
- Son, the ROAT agenda is the full expression of Our heart for relationship with creation; and your passion is a reflection of Our passion and fiery desire that all that We have created is restored.

ROAT 3 Ascending Higher

- Does mankind have the same passion for all that they have created?
- The answer to that question will determine what happens in the end to what you know as demons as they are the result of humanity's independence.

ROAT 3 Ascending Higher

- As Our children are awakened to the truth of who We are, then humanity will be restored to the mankind that was made in Our image as We intended.

ROAT 3 Ascending Higher

- As humanity begins to rediscover its identity, the global consciousness of the mind of Christ will begin to choose love over hate, forgiveness over revenge and retribution, grace over law, mercy over judgment,

ROAT 3 Ascending Higher

- union over division, covenant over competition, peace over conflict, family over tribalism; and then mankind will choose life over death and conservation and preservation over destruction and annihilation.

ROAT 3 Ascending Higher

- Love will overcome and mankind will truly reflect the fullness of Our image, essence, nature and character and then all created sentient things can be restored.

ROAT 3 Ascending Higher

- We gave mankind the free will to choose and they choose independence but when all the darkness is flooded with light and restored, then mankind will have to choose again.

ROAT 3 Ascending Higher

- When mankind has ascended to maturity, the choices made will not be independently made but will be made in union and oneness with Us: face to face, heart to heart and mind to mind.

ROAT 3 Ascending Higher

- Love is predestined to win and overcome all things; and Our desire is that all that We have created will fully represent who We are as I AM that I AM.

ROAT 3 Ascending Higher

- When mankind has ascended to creative fatherhood, everyone will fully understand what it is to be a responsible parent who loves unconditionally.
- The ROAT is only the end of the beginning of the journey. The story will continue to go beyond beyond.

ROAT 3 Ascending Higher

- Let’s engage time.

The Restoration of All Things 3

Ascending Higher
