Engaging Spiritual Realms

- Please don't believe anything I say just because I say it
- If you resonate within anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

Engaging Spiritual Realms

- I can only share information about my revelation that has come through my personal encounters and experience
- Only by engaging God yourselves can you have revelation not information
- We all need to **know** the truth

Engaging Spiritual Realms

- Matt 6:10 ‘Your kingdom come. Your will be done, On earth as it is in heaven.
- We get to be involved as sons of God and coheirs in the “as it is in heaven” – How?
- Engage heaven ourselves

Engaging Spiritual Realms

- Eph 2:6 and raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus,
- Eph 1:3 Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the heavenly places in Christ

Engaging Spiritual Realms

- Many of us have had mystical encounters and experiences but most were of an involuntary nature
- If we are going to be involved with the “as it is in heaven” we need voluntary encounters continually

Engaging Spiritual Realms

- I have been on a long journey to discover how to engage the spiritual realms
- It began for me by engaging the gifts of the Spirit where Holy Spirit reveals information to us
- Prophecy – words, pictures and visions
- Discernment to distinguish spiritual knowledge and wisdom

Engaging Spiritual Realms

- God took me on a journey to train my spiritual senses to hear, see, perceive and know
- The Hebrew understanding of seeing encompasses all the senses
- Natural eyes, the eyes of our heart and the eyes of our spirit

Engaging Spiritual Realms

- Spiritual perception comes through the various senses
- With our eyes closed the brain starts to see on the screen of our imagination as our brain waves go from faster beta waves to slower alpha waves we become more spiritually sensitive
- All sensory information is actual discerned in our minds or consciousness

Engaging Spiritual Realms

- 2 Cor 4:18 So we **fix our eyes** not on what is seen, but **on what is unseen**, since what is seen is temporary, but what is unseen is eternal.
- We look at the unseen with the eyes of our heart and spirit which is played on the screen of our imagination

Engaging Spiritual Realms

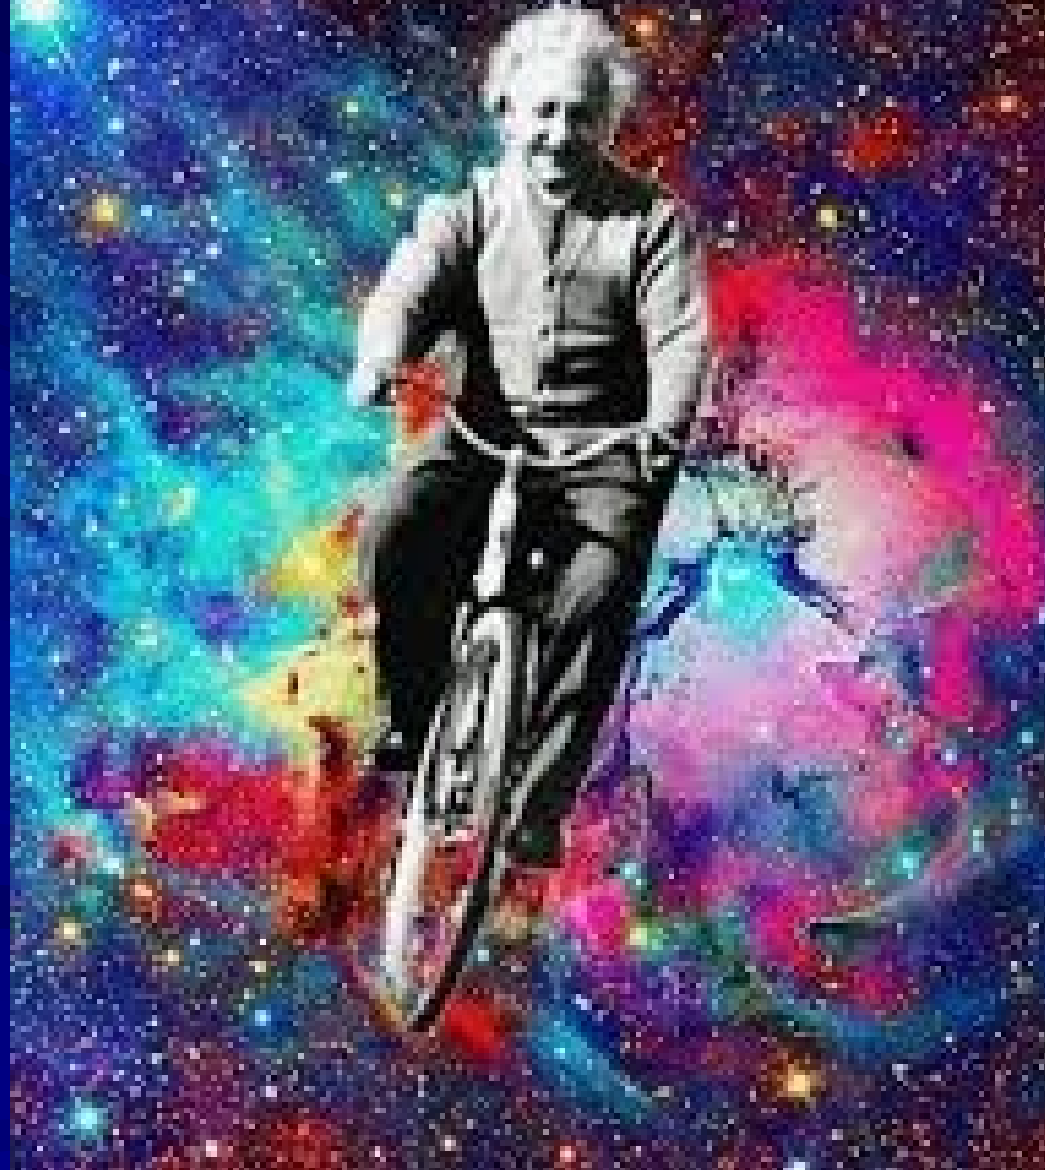

- “Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand.” - Albert Einstein

Engaging Spiritual Realms

- “The intuitive mind is a sacred gift and the rational mind is a faithful servant. We have created a society that honours the servant and has forgotten the gift.” - Albert Einstein

**Logic will get you from A to B.
Imagination will take
you everywhere.**

– Albert Einstein

Engaging Spiritual Realms

- God communicates through a flow of thoughts, words, pictures, impressions that creates perception
- We can train our senses through practice to interpreted spiritual information in our minds
- We can learn to access the spiritual realms using those same senses

Engaging Spiritual Realms

- Heb 5:14 But solid food is for the mature, who because of **practice have their senses trained** to discern good and evil
- Voluntary encounters require practice
- Desire takes discipline or perseverance to become a delight and a lifestyle

Engaging Spiritual Realms

- Hearing God's voice
- Seeing is what God is doing
- Cognitive perception is the key
- Knowing is a conscious spiritual experience not intellectual understanding
- There are encounters that are spiritual non-conscious experiences

Engaging Spiritual Realms

- Open heaven is well known and used term today but heaven invading earth is often seen as one way traffic
- God does come here with His presence, He sends the angelic realm, cloud of witnesses, but He has opened heaven so we can enter beyond the veil and engage Him there

Engaging Spiritual Realms

- An open heaven is not a new concept
- Enoch, Jacob, Moses, Joshua, 70 elders, Elijah, Ezekiel, high priest Joshua all in the old covenant
- Jesus, Paul, John in the new covenant
- Many testimonies throughout church history and those testimonies are currently on the increase

Engaging Spiritual Realms

- There are involuntary encounters when God takes us into the spiritual realms but there is an open heaven and an open invitation to enter by desire
- Eph 2:6 reveals we are already positioned in the heavenly realms – but we need to become aware of this consciously and actively

Engaging Spiritual Realms

- Heb 12:22 But you have come to Mount Zion and to the city of the living God, the heavenly Jerusalem, and to myriads of angels, 23 to the general assembly and church of the firstborn who are enrolled in heaven, and to God, the Judge of all, and to the spirits of the righteous made perfect, 24 and to Jesus, the mediator of a new covenant,

Engaging the Spiritual Realms

- My journey progressed from visions to visitations to multi-realm living
- Involuntary experiences 1995, 2008 and 2010 took me beyond the veil
- When I learned to access the spiritual realms by desire I had to be trained and tutored to be a son who can exercise government in those realms

Engaging the Spiritual Realms

- My journey to explore, discover and function as a son in the spiritual realms has taken me to places beyond my wildest imagination to do things beyond my wildest dreams
- Hence the title for my testimony for My Journey Beyond Beyond

MY
JOURNEY
BEYOND
BEYOND

Engaging the Spiritual Realms

- Engaging spiritual realms is both an exploration and an adventure an amazing journey of discovery
- Engaging these realms brings both relationship and responsibility
- Face to face intimacy with God leads us to our positions of heavenly governmental authority

Engaging the Spiritual Realms

- What are the spiritual realms?
- Where are the spiritual realms?
- There are spiritual realms in this dimension all around us right now
- The spiritual atmosphere around us now is where our personal angels are, other angelic beings and the cloud of witnesses etc.

Engaging the Spiritual Realms

- There are angelic portals into our realm and from our realm and some we can open
- I practiced until I could see into those spiritual realms by tuning my senses to become discerning like spiritual sonar
- Sound frequencies can help us tune up our senses to become more sensitive
