

Matt 6:10 Your kingdom come. Your will be done, On earth as it is in heaven.

Our desire is to help facilitate the children of God as the Joshua generation to function in their governmental positions as sons of God and establish

To function on earth as it is in heaven we need our identity as sons to come from the Father  
We need a cardiognosis, face to face, heart to heart, knowing the desires of the Father's heart  
So we can reflect the Father's heart on earth as it is in heaven

To function on earth as it is in heaven we need a deconstruction of our past understanding of what "church" is and how it functions

There are so many assumptions that will have to be challenged and many sacred cows that will need slaying

It is time for BBQ sacred cow spiritually of course it is not my intention of offending vegetarians and vegans

Why do we do what we do?

Why is there such a limited liturgical menu for our gatherings?

Why do most meetings usually include singing or music, preaching or teaching, prayers, notices, some form of communion, perhaps some "ministry"?

Is changing the name from 'church' to 'Ekklesia' really going to make any difference?

This module will be a further opportunity to use the deeper revelation of identity, position and authority to practically establish mandated blueprints for Ekklesia and Embassies etc. on earth  
We must see the kingdom earthed out as it is in heaven to be fruitful

All My children have a destiny that involves their inheritance and birthright so that they can all be mature sons of God, revealed out of heaven into the earth.

I desire to reveal My sons to answer creation's longing and groaning

I have been releasing a sound that is designed to connect to the deep desire that is within all My children for relationship and responsibility.

## MODULE 11 ON EARTH AS IT IS IN HEAVEN – 1. INTRODUCTION

I will intensify that sound frequency during this time, so encourage all to be open and sensitive spiritually to resonate with My sound.

Developing mandates and blueprints

Using those mandates and blueprints to establish new order Ekklesia and Embassies of heaven on earth

Remember we are not on our own; we have heavenly support from the cloud of witnesses and the angelic realm

If we are to manifest heaven on the earth, we need to be living from heaven and living under an open heaven atmosphere

We need to learn to extend our tent pegs and create an atmosphere of rest in our spheres of authority

In an open heaven environment we can legislate for a manifestation of God's glory and invite heaven's representatives into our spheres

We can invite the 4 faces of God –Lion, Ox, Eagle, Man

We can invite the 7 spirits of God and the cloud of witnesses

We can invite the 4 angels of transition to function in cooperation with us

It is going to require great change to our thinking and our practices

Transformation, Winds of Change, Sound of Many Waters, Refiners Fire will help us be restored

We need love to fill our atmosphere, to create the environment for change and transformation to take place.

We need peace to fill the atmosphere, so that healing and wholeness can take place.

We need joy to fill the atmosphere, so that reintegration can take place

During this module I have legislated for rest but you need to enter into agreement

There must be relational unity to pursue heaven on earth

I call for heaven to manifest on earth so we can all enter into rest

Rest; not striving

Peace; not analysing

Revelation; not study or information

Choice; not will power

Surrender; not death

Being first then doing

From identity not for identity

An end to religious dead works

Don't back off if things get tough: surrender to be still, wait and rest

Personal desire and pursuit will take you through the discipline to delight

Jesus has made a way as the Door, the torn veil, for us to enter into all that He has finished

We need a realisation of the power of the cross in co-crucifixion, co-resurrection and co-ascension

To identify with the freedom of the glory of our sonship

Our government must go beyond just our personal lives

We need to be proactive, not passively waiting for something to happen

We can actively legislate for heaven to begin to manifest on earth

We can engage the night watch realm for restoration of the soul in the garden of rest  
We can call for the angelic helpers: the 4 angels of transition, healing angels, gathering angels, ministering angels

We can call for the cloud of witnesses to encourage, support and advise us  
We can call for the manifestation of the dark cloud to cocoon and envelop with deep, thick and intense love, peace and joy; for separation and reintegration of soul and spirit

Son, give people the opportunity to practise and I will meet them and begin to take them beyond.  
As you know, living in dual realms is about being active and available as you are preparing everything in heaven for manifestation eventually on the earth.

Son, I am calling My children to a new level of sonship where the assemblies and councils of heaven are accessed and the roles of government are to be filled.  
The mantles are prepared and the scrolls are ready for those who have accepted responsibility as sons and are willing to become mature.

All of My children have been invested with identity, destiny, and position; with a birthright and inheritance; but there must be a succession before there can truly be an enthronement.  
All are seated in Me but so few are actively functioning from that position.

The sound has gone forth and some have responded to the call to sonship but many don't want to go through the maturing process of friendship, lordship and kingship so they can receive the mantles and scrolls needed for positions within My kingdom government.

If the sons of God are not positioned in the heavens, they cannot be manifested on the earth; and the true Ekklesia cannot rise to become Embassies of heaven on the earth.

What is established in heaven must be on earth but there is a lack of willingness to receive the heavenly and the earthly roles.

There are many who want to continue in the old order earthly roles without being enthroned in heaven.

There are now more who are embracing heaven, but still few who are willing to take the earthly responsibility to establish heaven on the earth.

Will you accept the call and actively take your places?

The call is not to just to keep ascending but to dwell in dual realms and function in heaven and on earth as responsible, mature sons.

True reality can only be shaped from a heavenly perspective. But it is but an illusion without an earthly expression.

The individual call is to be a gateway of heaven on the earth but that is just the beginning; unless there are earthly expressions, the true mountain of the house of the Lord will remain in the shadow of the religious systems of men.

Your new covenant inheritance has an open heaven through the torn veil. Do not let the veils of the old restrictions limit the full scope of your sonship.

Sons also need to administer the everlasting doors so heaven's glory can pour into the earth, overflowing from embassies of heaven

My sons need to arise and take their places in heaven so I can reveal and release them into the earth to answer the groaning of a creation in bondage to corruption and decay.

My sons are called to administrate and oversee increase not decay.

Decay and death are the result of independence; but with the face-to-face restored innocence of relationship there is fruitfulness and increase that will bring the abundant life of My desire.

The power of the resurrected sons of God will be demonstrated on earth as it is on the mountains of heaven.

Who is willing to embrace the dark cloud of separation and reintegration of soul and spirit?

Who will have the courage to respond to the call to go beyond investiture to succession; to embrace your heavenly enthronement, so that earthly coronations can take place?

Our FAR mandate and goal is to see the sons of God answering creation's cry, its groaning for freedom, by taking their multidimensional places in the heavenly realms to establish heaven on earth through new order Ekklesia and Embassies of heaven.

Through the intimacy of a deeper relationship with the Father we will embrace our destinies as sons by revealing the true nature of God and the true essence of love as expressed in our glorious freedom.

John 5:19 ... "Truly, truly, I say to you, the Son can do nothing of Himself, unless it is something He sees the Father doing; for whatever the Father does, these things the Son also does in like manner." We have a destiny to fulfil that involves us seeing what the Father is doing

Luke 2:49 "Did you not know that I must be about My Father's business?" or "in the things of my Father?"

The intimacy of knowing our Father and discovering our sonship inevitably leads us to see what the Father is doing and want to be involved in the family business

Responsibility flows from relationship

Responsibility has two meanings

Definition: the state or fact of having a duty to deal with something or of having control over something.

Synonyms: authority, control, power, leadership, management, influence

It is a privileged position; to be embraced, not avoided

Responsibility is the ability to respond to mandated opportunities

The authority and power to respond

What are we to respond to?

We are only responsible for any mandate or authorisation given to us by God both individually and as a representative of mankind

Gen 1:28 God blessed them; and God said to them, "Be fruitful and multiply, and fill the earth, and subdue it; and rule over... it"

As God's children, His sons and heirs, we have been given this mandate or authority to rule

Rom 8:15 For you have not received a spirit of slavery leading to fear again, but you have received a spirit of adoption as sons by which we cry out, “Abba! Father!” 16 The Spirit Himself testifies with our spirit that we are children of God, 17 and if children, heirs also, heirs of God and fellow heirs with Christ, if indeed we suffer with Him so that we may also be glorified with Him.

Romans 8:19-21 For the anxious longing of the creation waits eagerly for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of Him who subjected it, in hope that the creation itself also will be set free from its slavery to corruption into the freedom of the glory of the children of God.

Romans 8:22 (Mirror Bible) We sense the universal agony and pain recorded in history until this very moment. 23 We ourselves feel the grief echo of their groaning within us while we are ready to embrace the original blueprint also of our physical stature to the full consequence of sonship.

Responsibility:

Definition: the state or fact of being accountable or to blame for something.

Synonyms: blame, fault, guilt, culpability, liability

Without relationship and identity, responsibility brings fear and obligation

Expectation: strong belief that something will happen or be the case

Does God have high expectations of us?

Are we filled with dread or excitement by that thought?

Expectancy is living with a positive outlook or optimistic view

Expectation can lead to obligation and duty, which can lead to legalism

Expectancy leads to seeing opportunity, which brings passion and enthusiasm

Responsibility is not supposed to create expectations and obligations but opportunities and expectancy

Responsibility is the ability to respond to mandated opportunities

The authority and power to respond

What are we to respond to?

We are only responsible for any mandate or authorisation given to us by God both individually and as a representative of mankind

Legislation decrees for this module

I call upon the Father to open our hearts and minds to see blind self areas of independence where our souls' needs for affirmation are being met outside of the true love within the relationship of I am

I call for the light to shine into this darkness to reveal the hidden motives of our hearts.

I call for the Law of Removal of Religious Restrictions to be enacted to lift the veils of blindness off the eyes of all engaging and connecting with this module.

I call upon you, Jesus, as our husband, to demonstrate Your true love for us and reveal the true nature of our salvation, reconciliation, restoration and redemption from our fallen lost state of identity; and unveil the way, truth and the life to us; by bringing us into the Father's arms of love

## MODULE 11 ON EARTH AS IT IS IN HEAVEN – 1. INTRODUCTION

I call on you, Father, as the lover of our souls to reveal Your true essence in deeper love; to take us to a new level of experiencing Your true nature and character; and to draw all of us into Your heart of love.

I call upon you, Father, to open up eternity to all Your children here to know themselves at a deeper level as they gaze at the mirror of Your smiling face and look deep into Your eyes and experience love's consuming, passionate fire.

I call upon You, Father, to draw us deeper into Your love and to call deep from within Your true essence to the deepest parts of our fragmented souls; to reach the most traumatised, separated and fearful parts of us, drawing them into wholeness and sonship.

I call upon You as our loving Father to expose and reveal all our protection, defence and coping mechanisms.

Reveal all the barriers and walls that have imprisoned us; and smash, tear down and demolish all that separate us from Your love and our true identity as Your sons.

I call upon You as our loving Father to heal our brokenness by pouring out love's lavish, rich, healing oil and releasing the sounds, fragrances and frequencies of Your power and presence, to bring us into the true rest of wholeness and peace

I call upon you, Father, to reveal the adoption into Your family to all of our fragmented soul's broken parts, welcoming them to be reintegrated and restored back to the oneness of our origin within Your heart.

I call upon You, Father, to restore us, Your children, back to the image of our true sonship; to reconnect us with Your original desires, thoughts and intentions for our sonship and its destiny

I call upon You, Father, Son and Holy Spirit, to deliver us from our orphan spirits and welcome us deeper within the circle of Your love to dance with You, the lover of our souls.

I call upon You, Father, to affirm us as Your beloved sons; cocoon us within Your amazing love for us; and as our Dad, reveal the height, breadth, length and depth of Your love, dimensionally in heaven and on earth

I thank you for being the best dad in the whole universe; for being all that we could ever want or need.

I thank you for being lavish, abundantly overflowing with new covenant love, joy, peace, patience, goodness, kindness, gentleness, and faithfulness.
