“The Voice of the Sign”

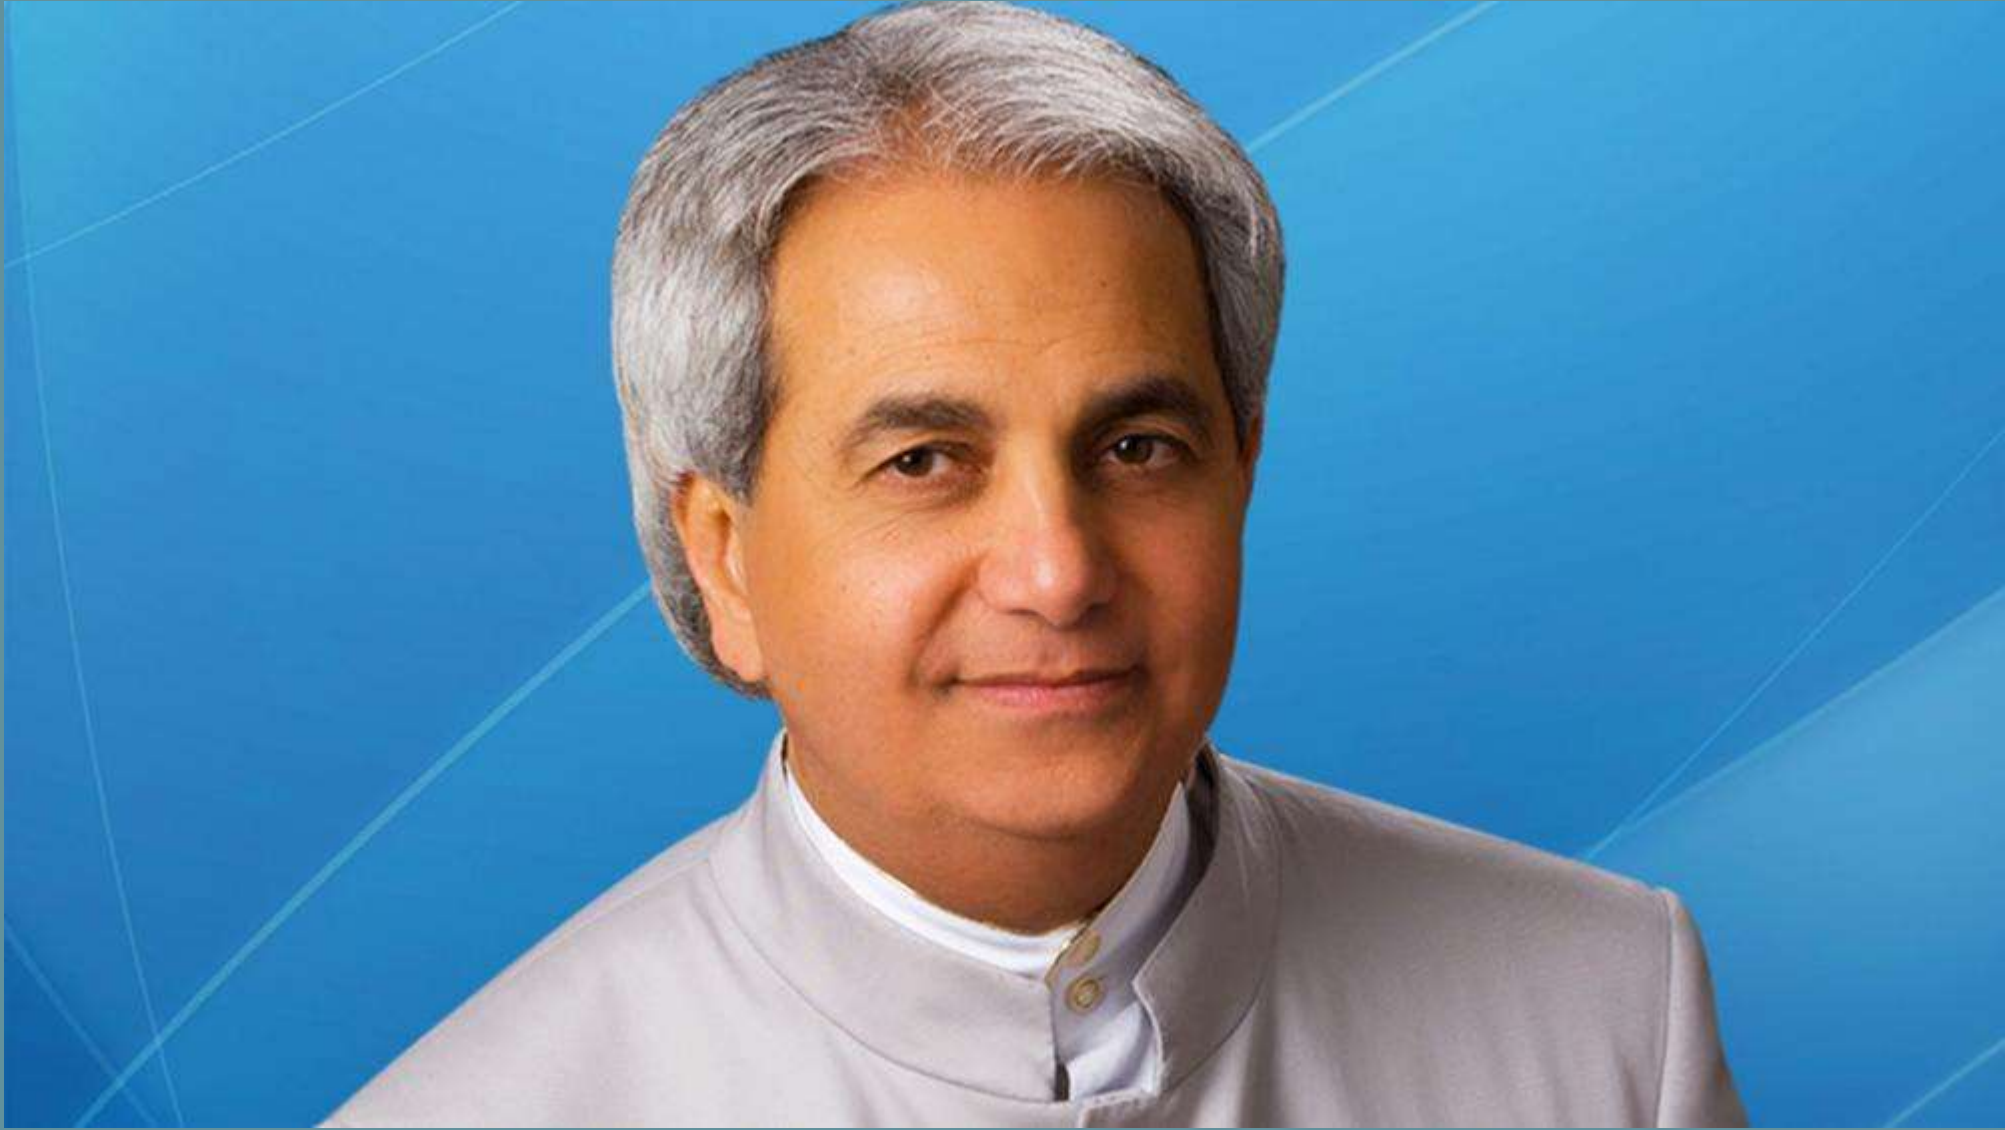

And it shall come to pass, if they will not believe thee, neither hearken to the voice of the first sign, that they will believe the voice of the latter sign. (Exodus 4:8 KJV)

Pentecost Weekend 2006

The silver is mine, and the gold is mine, saith the LORD of hosts.

The glory of this latter house shall be greater than of the former, saith the LORD of hosts: and in this place will I give peace, saith the LORD of hosts.

What Others Say About Paul Cain
 LEON B. WALLS: "Witness of Paul Cain is most outstanding event. Another Cain has witnessed the apostolic miracle in our laboratory meeting nearly 4000. God bless him." LARRY M. RICE, Pastor of Calvary Church, Los Angeles: "Paul Cain, another Drunken." WILLIAM BRANSON, Head, Evangelist: "A strong man, but a mighty work of God." JACK COLE: "Paul Cain's ministry around Dallas, Texas, under the largest Gospel tent in the world!"

Two Outstanding Testimonies:

CHILD HEARD OF FOOD
 We took our three year-old child from the hospital against the doctor's orders and brought him to the great Healing Campaign at Calvary Church in Los Angeles. The child had never seen us before and did not know the lady's name. But he was well-versed in his language. He told the crowd the words he heard the night that there were a few people the child had had him would be found. It was so wonderful that out of the hundreds waiting to be served this boy showed up next. He said he was there I took the baby from the hospital and "that was really good. Oh, I thought I would never see him again. The next day Paul Cain stepped and gave the miracle to know to thousands who would never see him. The boy is healthy as well as happy. He writes to me. Thank God, he is healed."

CANCER BURNED AND MIRACULOUSLY HEALED
 Before being treated in the First City Hospital at Calvary Church, Los Angeles, I had cancer, a cancer located on the side of my chest, and cancer under my arm. As I came before Brother Cain in the healing tent, he said, "Others are not waiting from research men. I prefer, 'Just faith.' He then laid hands on me and burned the cancer to just some healthy fat and oil. The next day I came to the station to find my cancer had gone and I was healed. I was healed. At 1:00 a.m. that following Thursday morning, I had a pain and when I walked, my breath, the cancer didn't return. I look it back in the City Hospital in a white of wonder. My mother will witness this testimony. Praise the God for deliverance!"
