# Epigenetics

Science is proving that our bodies ability to heal and repair itself is greatly effected by our beliefs, thoughts, emotions, and intentions for they have a profound vibrational effect upon our continually evolving genetic code. We're the programmers of the code. DNA activation is our software upgrade.

# RESTORATION OF HEALTH

Our bodies ability to heal is directly effected by:

Our beliefs

Our thoughts

Our emotions

Our intention

# MY CANCER JOURNEY

- As many of you know I have had cancer twice, the first time I went the conventional route of surgery, chemo and radiation. I ended up in hospital with double pneumonia and nearly died.

The second time I was yet again recommended by the medical establishment that Chemo was my only option. I knew that the Father was saying I did not have to have Chemo but my family put extreme pressure on me. I made a deal with them. I would do Chemo until the first hurdle and then I was out, and they would then support my choices.

# MY CANCER JOURNEY

The first hurdle was after the first dose.

I ended up in hospital with a thrombosis in the jugular, so that was me out. I was told that by making this choice I would surely die.

However, the Father had another outcome for me and from that day I asked Jesus to be my naturopath, and we started a journey together

# MY CANCER JOURNEY

It was a day by day journey as Father opened up information and connections for me.

He led me step by step to learn about Rife, to find a rife machine to buy, with a track record of dealing with cancer and finally connect with an expert in the USA who could help me with protocols. Each of these steps were random and miraculous.

But that is who our Father is!

# MY CANCER JOURNEY

Alongside that He lead me in nutrition, supplements, internal toxic energy release.

He taught me how to scan my body, how to engage my intension and how to begin to create a different reality in my body.

He taught me new methods of visualisation to change my body, how to activate cells in my body as well as other techniques as we would adventure together.

# MY CANCER JOURNEY

Now He is asking me to help others who want to try a different approach to dealing with their cancer diagnosis.

Firstly let me say that one thing I am absolutely certain of, is that cancer in the body is a call to change.

The body is trying to get your attention – change is needed.

# CANCER

- The change that is necessary is in Body, Soul, Mind and Spirit.
- Body – nutrition & electric rebalancing
- Soul – emotional trauma releasing
- Mind – thinking overhaul to recalibrate mindsets
- Spirit – intimacy with the one who knows us best and then following His lead.

# CANCER

- In an encounter with the Father since my recovery, I was taken into what looked like a medical wing of a hospital. A patient had just been diagnosed with cancer.
- The "doctor" in the white coat was an angel.
- The patient was sitting across the table from the doctor who said "I see you have been given a death sentence, but I have good news

# CANCER

- I have an offer for you today, it's the offer of a new life chapter. It's the first chapter of a new book.
- As he said that, the angel looked at me as though he was seeking approval.
- I was unsure what I was supposed to do.
- I looked at the Father and he gesticulated for me to answer.

# CANCER

- I nodded my agreement to the angel and as I did that the room was filled with angels of destiny and I could see the limitless choices available to the patient, if she chose to step into the new book.
- Cancer, or in fact any “uncurable” disease is actually an invitation by heaven to abandon life as you know it, and step into the miraculous where the only answers for you exist in heaven, and you are about to begin a journey of discovery.

# CANCER

- This encounter, together with a prophetic word about 8 years earlier that I would be running a Centre where people would come from all over the world to be healed of incurable diseases prompted the launch of the Wellness Hub.

# SOME AVAILABLE TECHNOLOGIES

- I am going to share with you our 6 Week Protocol.
- For 2 reasons:
- One, you may want to visit
- But primarily I want to make you aware of what is out there for you to utilise from home or possibly source places that offer this technology local to yourself

# SOME AVAILABLE TECHNOLOGIES

- I get a lot of enquiries from people around cancer.
- I try and engage with everyone who reaches out, but I cannot be there to answer all their ongoing questions.
- So I will be making this teaching available to anyone who reaches out as it will have a lot of information that could be helpful for all kinds of issues.

# SOME AVAILABLE TECHNOLOGIES

- As you listen to this: Position yourself for your body to speak to you
- This is not just about cancer, its about any health issue you have that you would like to enable your body to recover from.
- Don't follow the fear or desperate feelings.
- Follow the feelings of hope and life.

# 6 WEEK CANCER PROTOCOL WE OFFER

- **What Will the 6 Weeks Protocol Involve?**
- During this time we will work with you as you take back responsibility for your health and wellness. **YOUR HEALTH IS YOUR RESPONSIBILITY.**

The 6 week protocol will include: Teaching you how to scan your body for toxic energy and how to eliminate it

- Teaching you how to muscle test your body to ascertain what supplements you need

# RIFE THERAPY

- Rife Technology using specific Cancer Protocols developed by Royal Raymond
- Primarily on the GB4000 with MOPA (plasma tube) – most powerful application for this machine.
- You will not find any testimonial stories by manufacturers in the US.
- We also use Spooky2 Rife Technology to biofeedback from your body and let your body tell you energetically what it needs to help it heal and scan for specific conditions

RIFE THERAPY

GB4000 – USA

SPOOKY 2 - CHINA

# RIFE THERAPY

- We also use Spooky2 Rife Technology in conjunction with the Scalar as a Scalar Rife Combo for overnight treatments.
- Mould and Parasites are one of the most common causes of most diseases.
- Our cancer protocols include Rifing for Mould and Parasites, and our gut health recommendations will aid the detox process from parasites.

# RIFE THERAPY

- Moulds are toxins and research has indicated that these toxins affect the nervous system as well as the immune system.
- They impede the function of the frontal cortex, memory, problem solving
- They have links with all breathing and lung issues, eye and vision problems
- As well as Headaches, Mood Swings, Depression, Anxiety and many more.

# RIFE THERAPY

- After surveying 160 homes in 7 US cities, Kelly Reynolds of the University of Arizona, Tucson found that 100% of the homes tested positive for mould.
- In patients with leukemia up to 30% of deaths are caused by refractory fungal infections such as Aspergillus, one of the most dangerous indoor moulds.
- If you are not able to access a rife machine for mould, a very good alternative is essential oils to at least cleans your environment and give your body a fighting change.

# RIFE THERAPY

- A 1997 study at Weber State University demonstrated the killing power of Thieves essential oil blend:
- After 12 minutes the number of gram positive *micrococcus luteus* organisms was reduced by 90%. After 20 minutes it was reduced by 99.3%\
- After 12 minutes *Pseudomonas aeruginosa* showed a kill rate of 99.96%

The image features a blue gradient background with white circuit-like lines in the corners. The lines are composed of straight segments and small circles, resembling a stylized PCB or network diagram. They are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.

# ELECTRONIC GEM THERAPY - UK

Gem stones are reservoirs of pure radiating energy. The concentrated rays of gems influence cellular activity at a sub-atomic level, where chemicals such as herbs and drugs cannot penetrate.

The gem rays pass through the body and influence cellular behaviour in a similar way to infrared rays.

# ELECTRONIC GEM THERAPY

The colour of the gem stone determines its effect on living cells.

Combining natural healing frequencies with colour and gem stones can influence the cohesion and vibrational rates of cells, organs and glands.

Hence vastly accelerating the healing process.

# AVACEN FOR AUTISM

- I discovered this information when doing research on this machine.
- We have not used the machine for this purpose,
- Please do your own research too, this is for information only.

# AVACEN FOR AUTISM

- ASD behaviour management success related to using the AVACEN 100 has been reported for years by parents who initially purchased the device for themselves and then had their ASD children try it. Improvements range from speech impediments quickly disappearing, to increased classroom participation and enthusiastic homework completion. These encouraging developments have also been accompanied by school grades skyrocketing from D's to A's and B's in just a few months.

# AVACEN FOR AUTISM

- The AVACEN 100 mechanism of action has been thought to mimic the effects of a moderate fever. For over 30 years moderate fever has been recognized as a catalyst for normalizing ASD children for days or even weeks.
- The Company believes this explains why using the AVACEN 100 daily has been observed to produce in continuous normalization of certain aspects of ASD behaviour.
