10. Engaging Eternity

Heavenly Realms

- A major aspect of the heavenly realms is the governmental perspective
- There are different levels of governmental authority relating to the different realms
- Our mountains and our thrones are **positions** of governmental authority that are in different realms

Heavenly Realms

- Zech 3:7 “Thus says the Lord of hosts, ‘If you will walk in My ways and if you will perform My service, then you will also govern My house and also have charge of My courts, and I will grant you free access among these who are standing here.’”

Heavenly Realms

Heavenly Realms

- Eternity – outside time and space, God Himself – in Him we live, move and exist Act 17:21
- Eternity: highest created realm
- Perfection
- Heaven of heavens
- Heaven

Heavenly Realms

- Kingdom of Heaven
- Kingdom of God
- Spiritual atmosphere of the earth realm
- Kingdom of the Earth
- Under the Earth
- Other dimensions

Heavenly Realms

- Technically eternity is not a created heavenly realm but it can be accessed through various places in the heavenly realms
- Eternity is not about the length of time but where time does not exist as we know it linearly

Heavenly Realms

- Technically, eternity is not a biblical word at all there is no equivalent word in Greek or Hebrew
- In English one meaning is a state to which time has no application or timelessness.
- Synonymous English terms wrongly used to interpret Greek and Hebrew words are eternal, forever and everlasting

Heavenly Realms

- "Eternity" is one of the most controversial words in the Bible. To many, it is thought to be the realm where time goes on and on, non-stop, ad infinitum, into which one enters after death.
- Most common evangelical view which has created related doctrines that include and exclude

Heavenly Realms

- Greek words aiōnios (an adjective, derived from aiōn ("an age, having a particular character and quality")) – properly, "age-like" ("like-an-age"), i.e. an "age-characteristic" (the quality describing a particular age)

Heavenly Realms

- (Aiónios) does not focus on the future per se, but rather on the quality of the age (aión) it relates to.
- Thus believers live in "eternal aiónios life" right now, experiencing this quality of God's life now as a present possession. (Note the Gk present tense of having eternal life in Jn 3:36, 5:24, 6:47; cf. Ro 6:23.)

Heavenly Realms

- 2 Tim 1:9 who has saved us and called us with a holy calling, not according to our works, but according to His own purpose and grace which was granted us in Christ Jesus from all **eternity**,
- Source is outside of time

Heavenly Realms

- Greek word "aidios." "Eternal" is an excellent **adjective** for God. Clearly He has no beginning nor end but is used only twice and never in relation to man
- Hebrew word "olam" which is translated in English as "everlasting," and "forever" does not mean endless

Heavenly Realms

- The meaning of "olam" is "duration of time which is concealed or hidden." In other words, an unknown length of time.
- Though it may have been a very long or even indeterminable period of time, the sense that it would come to an end was implicit in the meaning

Heavenly Realms

- The Greek adjective "aeonios," for which so many translations mistakenly use the word "eternal" is derived from the noun "aeon." "Aeon" means "age" or "ages"
- These ages are time periods having a beginning and an end.

Heavenly Realms

- Col 1:26 that is, the mystery which has been hidden from the past **ages** and generations
- Eph 2:7 so that in the **ages** to come He might show the surpassing riches of His grace in kindness toward us in Christ Jesus

Heavenly Realms

- Greek aeonios is mistranslated in English as eternal, forever or everlasting; actually means age-enduring or lasting for the age
- Equating aeonios life to eternal life is an impossibility. "Aeonios" and "eternal" are words having totally different meanings.

Heavenly Realms

- The misapplication of the word "eternal," implying timelessness, when periods or portions of time are meant, has created wrong doctrines when interpreted as forever, everlasting or eternal
- Matt 25:46 is a clear example which links salvation to eternal wrongly

Heavenly Realms

- Matt 25:46 These will go away into **eternal** punishment, but the righteous into **eternal** life.”
- Context is not salvation at all
- Aeonios punishment is contrasted to aeonios life. eternal (aeonios) life.”

Heavenly Realms

- It is argued that the latter is supposed to mean endless life, hence the former supposedly means endless punishment.
- Reasoning that if the punishment is limited, the life must also be limited, the duration of each being expressed by the same word.

Heavenly Realms

- Though the reasoning appears to be logical, it is based upon the unfortunate mistranslation of the word "aeonios."
- Age enduring life in context is referring to preserving life during the destruction of Jerusalem i.e. the end of the old covenant age

Heavenly Realms

- "Salvation" when used by Jesus, speaking to those in His generation, was not the evangelical, spiritual meaning of 'living in heaven forever' but is about the saving of physical life during that generation

Heavenly Realms

- The fact is "aeonios" wherever it is used in the New Testament has one uniform meaning.
- When applied to God, He is the aeonios God, or the God of the ages, i.e. the Being who through aeons of time is working out His wonderful plan.

Heavenly Realms

- The word "aeonios" has the force of belonging to, or in connection with the ages; for example, "aeonios life," "aeonios salvation," "aeonios redemption," "aeonios inheritance," "aeonios fire," and "aeonios punishment"

Heavenly Realms

- Matt 24:3 .. “Tell us, when will **these things happen**, and what will be the **sign of Your coming**, and of the **end of the age?**” 8 But all these things are merely the beginning of **birth pangs**. 13 But the one who endures **to the end**, he will **be saved**. 14 This gospel of the kingdom shall be preached in the whole world as a testimony to all the nations, and then **the end will come**.

Heavenly Realms

- Matt 24:29 “But **immediately after the tribulation of those days** the sun will be darkened, and the moon will not give its light, and the stars will fall from the sky, and the powers of the heavens will be shaken. 30 And then the sign of the Son of Man will appear in heaven,

Heavenly Realms

- Matt 24:33 so, you too, when you see all these things, recognize that He is near, right at the door. 34 Truly I say to you, **this generation will not pass away until all these things take place.**
- Jesus said that the old covenant, law-based age would end in that present generation – finally in AD70

Heavenly Realms

- When I am using the term *eternity* it defines a state of 'being in the always now' outside of time and space, that we came from and can still engage
- We are in God and God is in us therefore we can access anywhere God is including the eternal now

Heavenly Realms

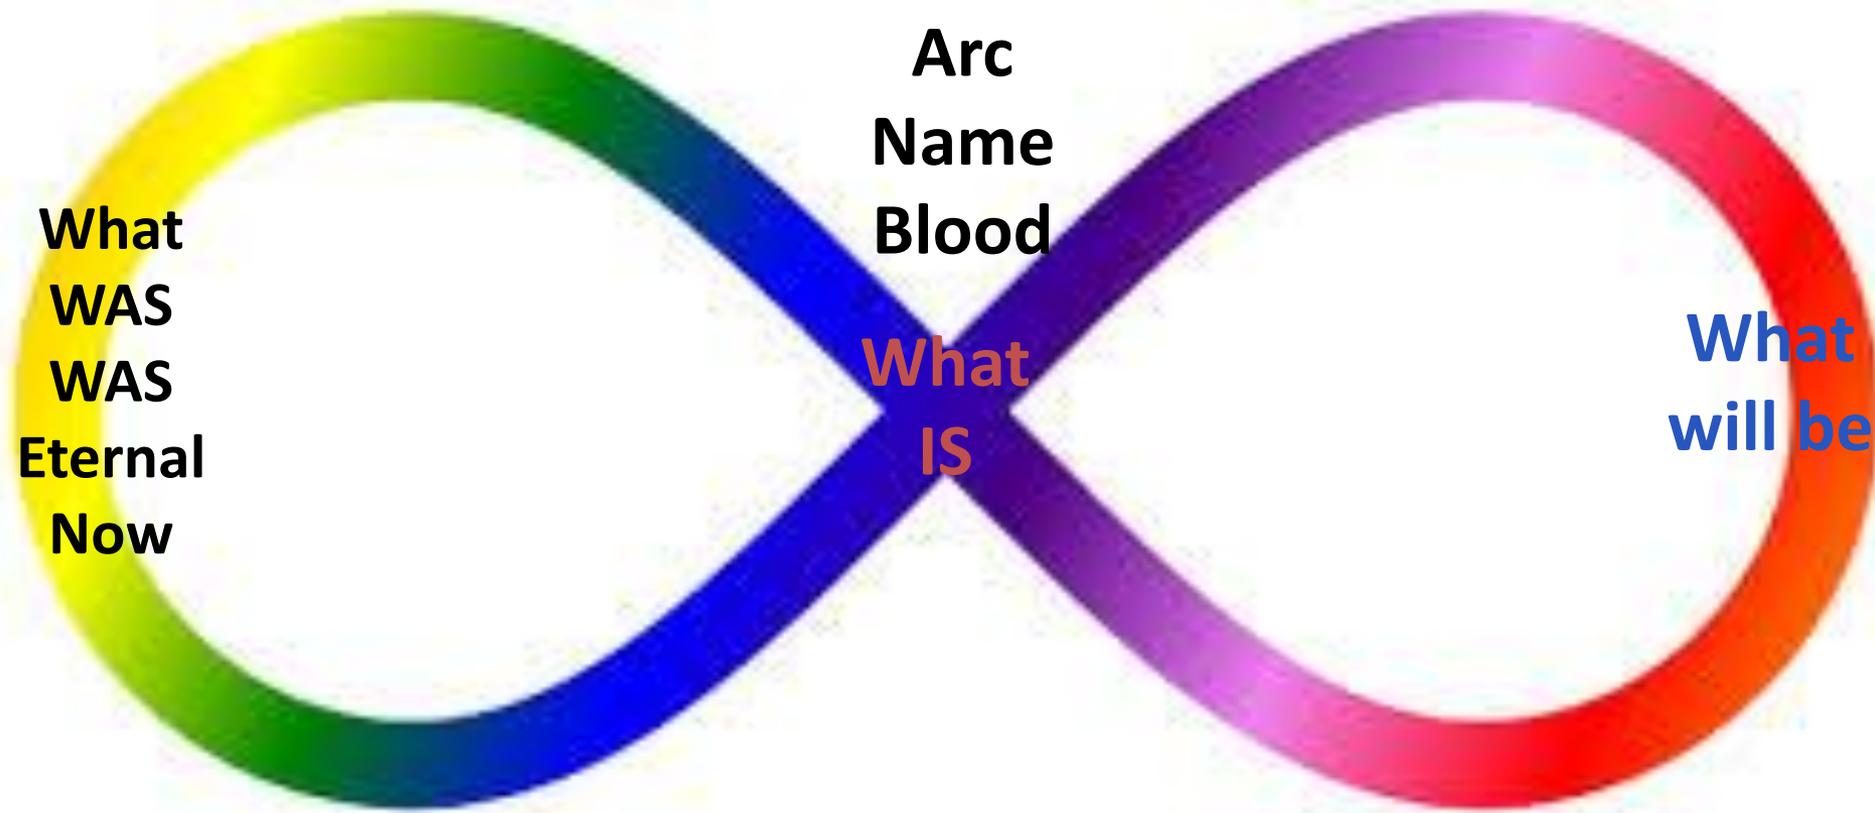

- As sons we have access to eternity, the I AM, what was and is now, before there was anything other than God
- We can engage the eternal aspects of our identity and destiny
- Heart of God outside of time and space
- Your eternal home in the dance of God's love
- True intimacy and true identity

Heavenly Realms

- In eternity I have discovered restored relationship with love's essence beyond anything I have experienced in time and space
- There is restored spiritual memory but you may need some deconstruction and renewal of the mind before this becomes cognitive

Heavenly Realms

- We can become reconnected with who we were as pre-existing spirit beings
- Reconnection to creation as it was before it was in bondage to corruption; that motivates us to participate in its restoration

**What

**What

**What

Heavenly Realms

- By engaging the heart of God in the eternal now we can listen to Him heart to heart in cardiognosis as He unveils the hidden mysteries of our destiny
- He will reveal how special we are to Him
- He will show us our true identity

Heavenly Realms

- He will show us our true purpose
- The **what was was** of the now of God's heart can be legislated in the **what is** of the 4 faces of God's name to release **what will be** through our lives into the earth
- We begin to resonate with our scroll God's heart our destiny

Heavenly Realms

- When our spirit engages God's heart it brings us into peace
- Wholeness is when our spirit resonates with God's in agreement and our soul resonates with our spirit in cooperation and agreement
- This works easier once our soul and spirit are separated and reintegrated

Heavenly Realms

- Our scroll is a written representation of God's thoughts towards us
- Our scroll reveals who we were in eternity in God's heart
- Our scroll reveals our redemptive gift and purpose in and outside of the different time dimensions

Heavenly Realms

- Our scroll reveals our true identity
- Our scroll reveals our true destiny
- Our scroll reveals what we can do
- Our scroll is embedded within our spiritual DNA in light
- 3 strands of DNA as we are made in the image of God

Heavenly Realms

- 2 strands of DNA represent our body and soul and carry the record of our mother's and father's generational line
- The 3rd light strand carries the record of our eternal image and purpose
- Our destiny scroll encoded in light releases desire into our heart and transforms and conform us to our eternal image.

Heavenly Realms

- Our scroll is opened day by day to direct our paths
- Ps 119:105 Your word is the light to my path. The word is Jesus, the living word of God
- Heb 4:12 living word that God spoke in eternity can be active in me.
- Our scroll can be engaged in many places, scroll room, Arc, God's heart

Heavenly Realms

- My scroll has a preface or overview, a blueprint that aligns my life and directs the desires of my heart.
- 9 strands of God's DNA get added to our 3 stranded identity as we are joined to the Lord and one spirit with Him.
- We grow in maturity as we behold and then become conformed to our eternal image

Heavenly Realms

- This ongoing revelatory process occurs as we step into Him and are baptised in Him
- As we stand on the firestones
- As we stand on the dance floor
- As we are skinned with His nature, character and armour.
- As we engage His heart in eternity

Heavenly Realms

- Our scroll has our governmental position encoded within it with the 9 attributes of government revealed in God's precepts.
- Precepts, statutes, laws – ordinances, mantles, weapons – scrolls, discoveries, commissioning into sonship etc.

Heavenly Realms

- Our scroll enables us to recognise and resonate with all the things that are part of our destiny, our calling; including our redemptive gift, relationships, tasks, quests, mandates, ministry, heavenly positions, heavenly roles etc.

Heavenly Realms

- Some of the questions people ask when they start to talk about destiny are:
- ‘Who am I?’
- ‘Where do I come from?’
- What was I designed for?
- They are good questions that need to be answered

Heavenly Realms

- We need to understand where we come from so that we can understand why we are here today.
- That will lead us on to where we are going tomorrow.
- This is how our destiny gets outworked one day at a time.

Heavenly Realms

- We need to understand the nature of our creator, and our creation.
- ‘Who did He create me to be?’
- ‘Why and how did He create me?’.
- All these questions being answered relationally will help us understand and fulfil our destiny as a son of God

Heavenly Realms

- It may seem really obvious to say it, but it is important to grasp that God is eternal, meaning He has always been
- He is, and He will always be, and is everywhere – omnipresent
- He is almighty, that is ‘all-mighty’ – omnipotent
- He is all knowing – omniscient

Heavenly Realms

- He is light (1 John 1:5).
- He is love (1 John 4:16).
- He is Spirit (John 4:24).
- He is a consuming fire (Heb 12:29)
- We can engage God and experience all these truths in life-transforming encounters

Heavenly Realms

- We can meditate on these truths and others like them and they will open up a doorway that will enable us to engage with who God is.
- If we engage Him and know Him, that intimate relationship with Him will help us know who we are by the face-to-face, beholding experience

Heavenly Realms

- We pre-existed (not in 'cold storage' within God until He defrosted us and sent us within this earthly body).
- We observed creation and participated in it and had a spiritual function before this physical dimension
- When I saw creation I remembered

Heavenly Realms

- There are many access points to the eternal now of the heart and mind of God outside of time and space
- Ancient paths from within the name of God's 4 faces in the holy of holies
- Pool within the Father's garden
- Firestones
- Within Metatron's cube

Heavenly Realms

- My encounters within the heart of I AM were deeply transformational both in discovering the true nature and essence of relational love and my own identity
- We are going to ask Jesus to take us to engage the Father's heart
- Only go where He leads you
