

A major aspect of the heavenly realms is the governmental perspective

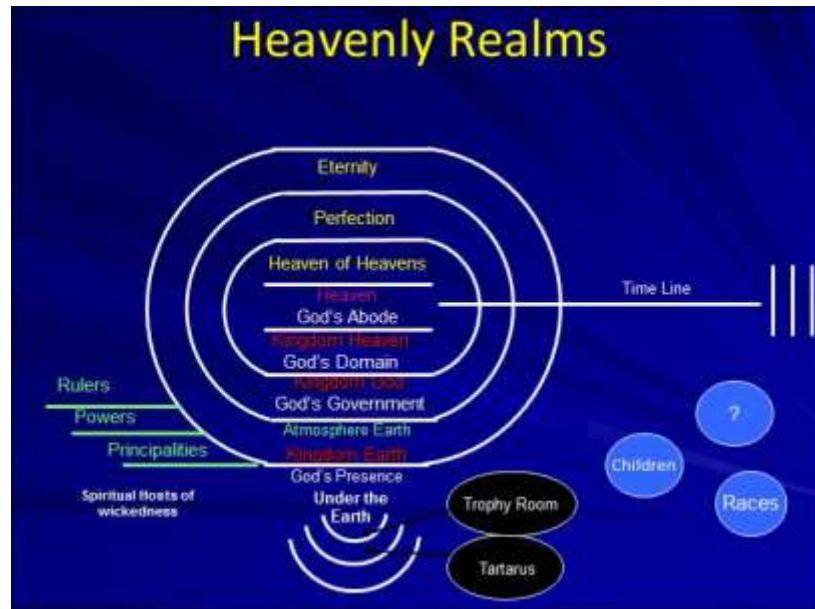

There are different levels of governmental authority relating to the different realms

Our mountains and our thrones are positions of governmental authority that are in different realms

Zech 3:7 "Thus says the Lord of hosts, 'If you will walk in My ways and if you will perform My service, then you will also govern My house and also have charge of My courts, and I will grant you free access among these who are standing here.'"

## Heaven's Court System

*Sons Arise!* is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

What about the spiritual atmosphere around the earth?

What goes on there?

Who can access and operate there?

What is our role as sons in relation to the atmosphere?

Matt 6:10 "Your kingdom come. Your will be done, On earth as it is in heaven."

How does the government in heaven function?

Is it by judicial authority or by warfare?

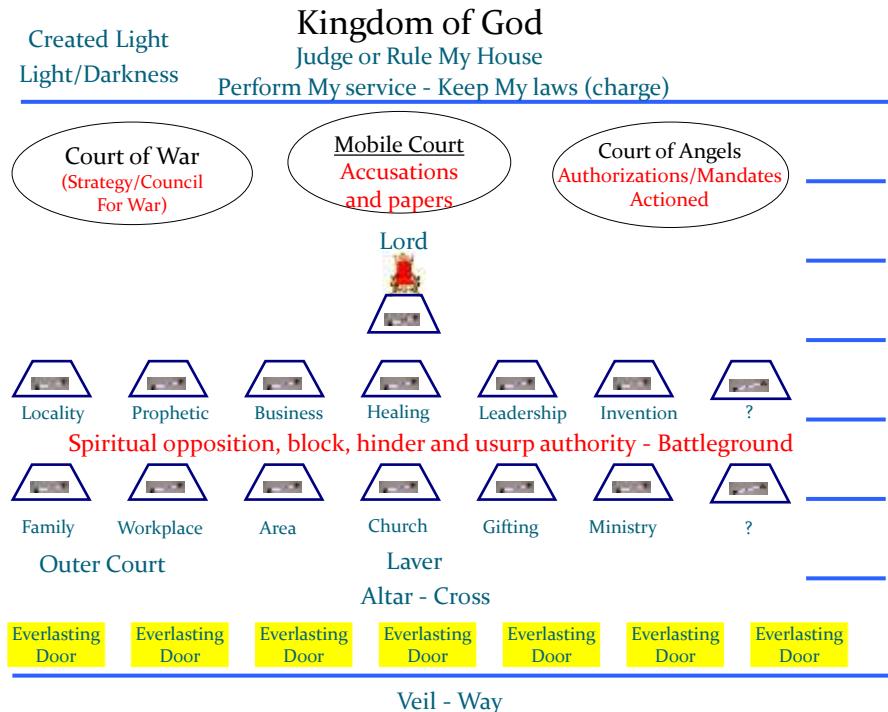

Son the times and the seasons are shifting and the wheels within wheels within wheels are being aligned to open the High Chancellors' Houses for grace to come out of justice.

Judgment, Justice, Grace, Mercy

## Module 8 Heavenly Realms 12 Atmosphere

An increase in governmental authority will be the result when the sons of God arise to be seated enthroned and are ready to bring agreement as gateways of heaven into this earth.

New earthly foundations must be laid and the atmosphere must be cleared so that the everlasting doors can be opened and the glory of the children of God can be displayed through sonship on earth as it is in heaven.

Issue the call, re-energise the blue light call, for the sons of God to arise and take their places of responsibility within the tree of life.

I call for the light to shine to penetrate the veils of darkness and deception over those under the coverings of men.

I call for the angelic messengers to go forth with the call to cross over beyond the veil into inheritance and birthright.

I call for those whose hearts are beginning to ask the question there must be more than this?

I call for those who are hungry and thirsty for more to begin to connect with others on the journey though word of mouth, sound frequencies, heart to heart connections and media

I call for connections with the blog, YouTube, Engaging God and the book to be facilitated and the challenged be made to hearers to rise up and take their places within the Joshua Generation.

I call for all media to be hidden from the view of those objectors

I call for the frequency of sonship to call the children of God to arise and resonate with their destiny scroll to tune into destiny's call and hear the cry of God's heart.

## Module 8 Heavenly Realms 12 Atmosphere

I call for true love to release the true identity of sons and for their true heavenly positions be unveiled and revealed

I call for the scandal that has twisted the character and nature of God to be revealed so that love can penetrate the religious systems, both Catholic and Protestant.

I call for love to be poured out and love bombs to be exploded to expose the lies that have twisted the reality of God's true essence and man's full inclusion

I call for heaven's light to shine to burn brightly to attract sons like moths to a flame.

I call for the revolution of the circle of the deep to begin the new season.

Precepts, statutes and laws align, to open the ordinances, to align ordinances, mantles and weapons

To open the scrolls and to align scrolls, discoveries and commissioning; to open the affairs of the nations, culture and the Treasury House so the precepts and the precepts bring the beginning and end together in unity and harmony.

I call for the 70 to release grace, grace upon grace and greater grace into the earth to facilitate the times and seasons for the Joshua Generation and the arising of the sons of God.

I call for Father's heart and mind to cause the voice of Almighty God to resonate in the heavens and the earth.

I call for the voice of El Shaddai, El Gibbor, El Elyon, El Emet, El Olam, El Hakkavod, El Hashamayim, El-Chanuun, El Rachum, El Hannora to sound the heralding call into the wildernesses of man to arise, cross over the Red Sea and Jordan into the promised land of sonship.

Prov 18:10 The name of the Lord is a strong tower; The righteous runs into it and is safe.

Within the 4 faces of God we are in the name and carry the power of attorney to be identified with that name, to govern and administrate in that name, to rule and legislate in that name

We really need a personal relationship with God and so experience all that His name unveils  
We need to know God by personal experience if we are to rule His house and take charge of His courts and stand in the assemblies and councils of God

Perichoresis is a Greek word that describes the relationship between Father, Son and Holy Spirit  
It is the foundation of our relationship with God as sons  
It is the key to the governmental aspects of sonship

Jesus fully expresses the Father and is hence the very character and nature of God displayed  
If you have seen Me you have seen the Father  
I only do what I see the Father doing  
Living in the circle of the dance, the heart of God enables us to rule in love

All God's names, His precepts, statutes, laws, His very essence, character and nature are discovered within the Perichoresis relationship

From the revelation of God's heart revealed we can administrate to deal with blockages and opposition

As we begin to function in our identity as sons from our position in the heavenly realms we will have the authority to deal with opposition, both physical and spiritual

Prayer, intercession, spiritual warfare, harp and bowl: all terms relating to getting heaven to change earth

When we operate from above we move from operating in spiritual warfare to administering kingdom authority in judgment and justice

The authority of the court is the bench, a position which is above

We must learn to function from the advantage of higher ground

Position of advantage that gives us a higher dimension of authority

If we are under the influence of the atmosphere we do not operate in authority

Personally we need to learn to live from heaven by being in dual realms, being under an open heaven

We need to be seated in the heavenly places to access and administrate the spiritual blessings as a gateway of those blessings into the earth through us

We are conduits for the river of life to flow into the earth as rivers of living water flowing from our innermost being

Corporately we need benches operating in unity where we jointly administrate our authority over the spheres that a blueprint or mandate defines, to bless

We administrate judicially from a higher position of authority than that we are seeking to deal with

What are principalities, powers and rulers?

The context often determines the meaning as the terms in Greek have both a spiritual and earthly meaning

Spiritual will always seek to influence the natural order

What is a principality?

A state ruled by a prince

A smaller area of territory ruled by someone or something

Neutral in itself: it is just an area that a territorial spirit being rules over

What sort of spirit being is the key

Principality Arche Greek – beginning, origin in order, time, place or rank therefore a preeminent position of authority

Highest role in the atmosphere: above powers and rulers but under kings, dragons and giants

Col 1:16 For by Him all things were created, both in the heavens and on earth, visible and invisible, whether thrones or dominions or rulers (principalities) or authorities—all things have been created through Him and for Him.

Rom 8:37 But in all these things we overwhelmingly conquer through Him who loved us. 38 For I am convinced that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, 39 nor height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord.

Col 2:15 When He had disarmed the rulers and authorities, He made a public display of them, having triumphed over them through Him.

Jesus has ultimate authority and He has given it to us to exercise as co-heirs of the kingdom

Eph 6:12 For our struggle is not against flesh and blood, but against the rulers,(principalities) against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places.

Eph 3:10 so that the manifold wisdom of God might now be made known through the church to the rulers and the authorities in the heavenly places.

We are to be the light of the world: we need to arise and shine and demonstrate the light of love

Principalities are above; they direct and give delegated authority to Powers

Powers or authorities, Greek exousia: power, authority, weight, especially: moral authority, influence

Powers seek to influence those in the territory on earth

Ruler: a person exercising government or dominion

Rulers, Greek archais: magistrates,

Rulers of darkness keep people in darkness, spiritually, trap people to operate in darkness

Direct the forces of darkness on the earth, both spiritual and people

Principalities direct powers who direct rulers of darkness

In the atmosphere each operate as a bench of 3 and the three together operate as a Bench of 3

Purpose: to control an area by influencing and enslaving it to DIY behaviours, false morality; to keep people from God's light and truth

The negative benches of 3 operate by using power in the unseen realms to oppose everything and everyone that is of God in the earth realm

In most places where the phrase appears, the contexts make it clear that it refers to the vast array of evil and malicious spirits who make war against the people of God.

They make war and try to draw us into fighting with them; hence the term 'spiritual warfare'

I would suggest that we don't think of engaging in war but using our authority to legislate the victory already won

Kingdom of God realm is in the heavenlies

Spiritual atmosphere is around the earth

Earth realm is a dimensional realm

## Module 8 Heavenly Realms 12 Atmosphere

These 3 realms operate as a Bench of authority

Within the atmosphere there are 3 levels that operate as a bench within each level

2 in agreement produces an arc which manifests authority

3 in agreement manifests the authority to open a window for manifestation

When dealing with earth, the atmosphere and the heavenlies realms we must deal with 2 realms simultaneously to remove agreement

Kingdom of God

Courts, Mountains and thrones

Highest realm the enemy operates in

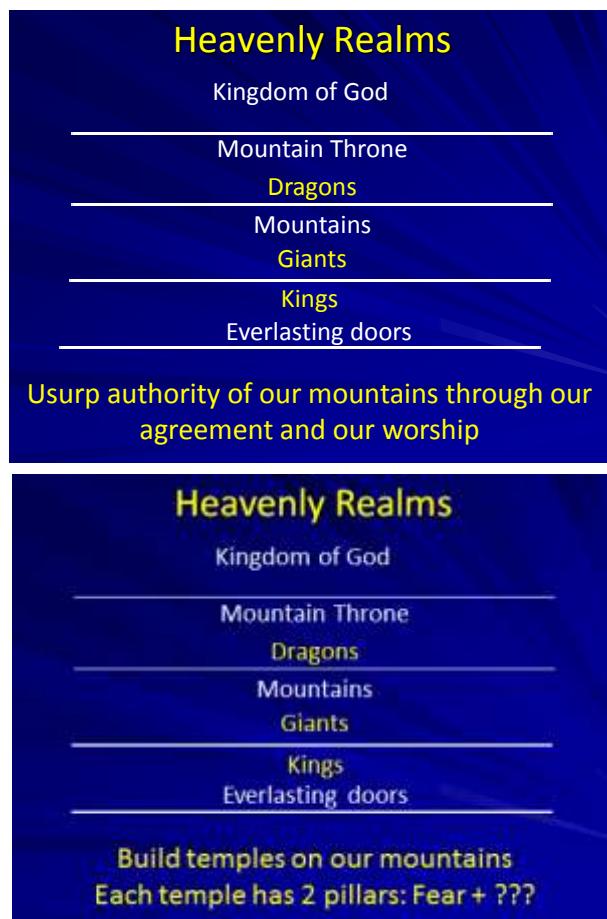

The dragons, giants and kings can operate as a bench within this realm

The demonic bench of the atmosphere are the Principalities, Powers, Rulers who operate as spiritual forces of wickedness to influence the culture of the earth negatively to create culture within the affairs of the nations to keep people blinded from the light

People on the earth come into agreement by operating under atmospheric culture and outwork the influences

The behaviour empowers the atmospheric demonic bench by agreement through actions

Vicious cycle

The demonic bench of three (dragons, giants, kings) empower the demonic benches of the atmosphere (Principalities, Powers, Rulers) to influence the culture of the earth and the affairs of the nations and keep people in darkness

Our worship empowers the dragons etc.

The cooperation of the earth empowers the legal rights of the atmosphere

Dragons and Giants are the symbolic representation of those spiritual forces that seek to usurp our authority

We give them legal rights through our words and actions

We worship them as idols that we set up in place of God through fear

Fear, insecurity, rejection are the idols that usurp our authority

Engage our mountains and be enthroned with a crown, new mantle, sceptre, orb take our mountain position of heavenly authority

Lordship – legislating mandates and laws

Kingship – creating mandates and laws

Sonship – Engaging the assemblies and councils of God

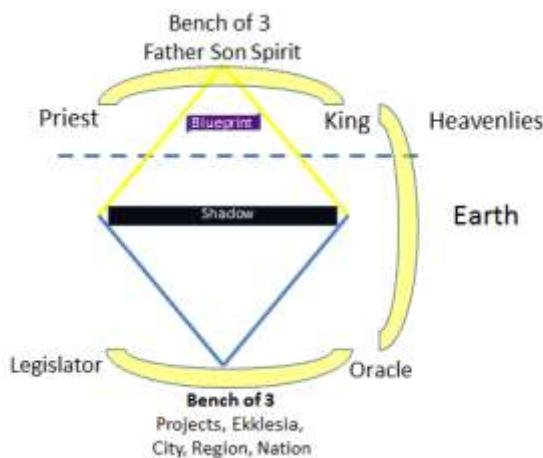

We can begin to legislate

We need to take the high ground and use the courts to remove the legal rights given through our fear and worship

We need to stop operating under the influence of the atmosphere again by using the courts

We form an arc between heaven and earth of agreement around a blueprint

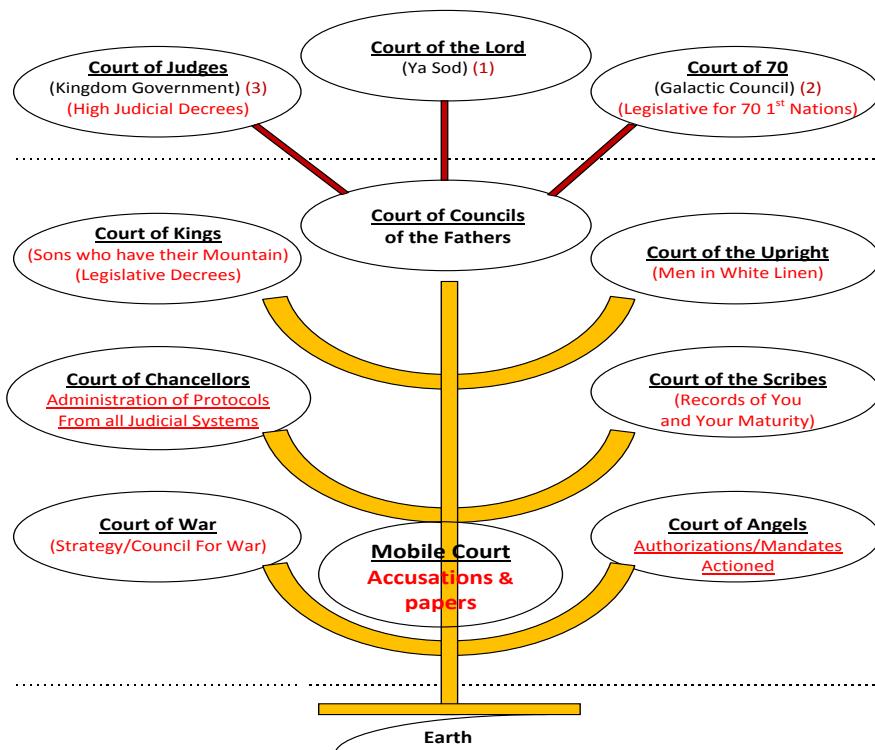

Eph 6:12 For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places.

Eph 3:10 so that the manifold wisdom of God might now be made known through the Ekklesia to the rulers and the authorities in the heavenly places

1 Peter 5:21 ... through the resurrection of Jesus Christ, 22 who is at the right hand of God, having gone into heaven, after angels and authorities and powers had been subjected to Him.

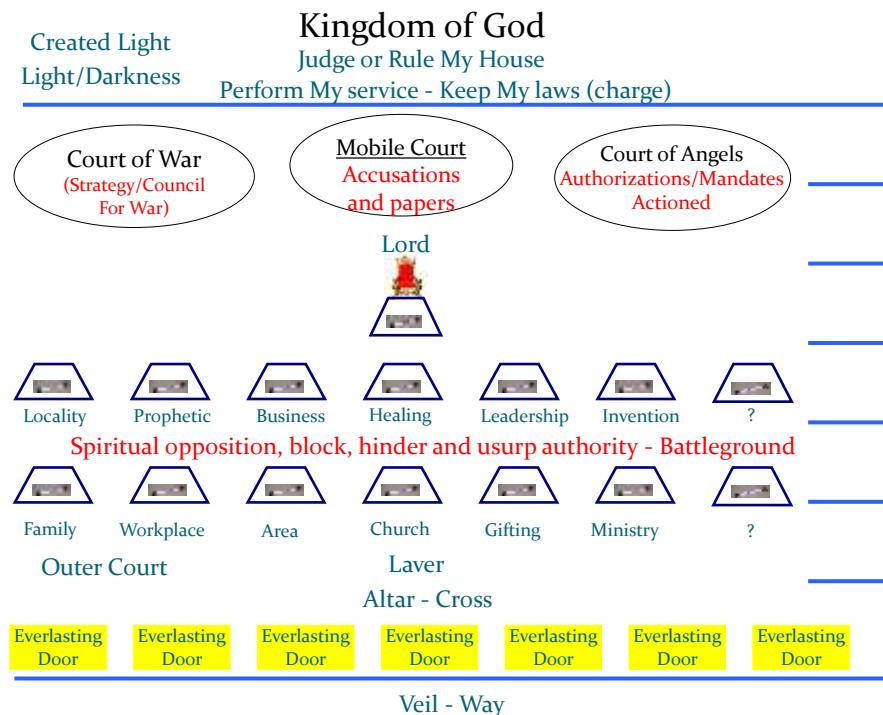

### Heaven's Court System

As sons of God we need to arise, take our places of higher authority; be enthroned, and deal with dragons, giants and kings

At the same time we establish a beach head on the earth with a mandated blueprint and bring an arc of agreement between heaven and earth and do not operate under the influence of the atmosphere

## Module 8 Heavenly Realms 12 Atmosphere

We engage the God-appointed angelic beings assigned to the positions of Principalities, Powers, Rulers and form a strategy, develop laws and legislation

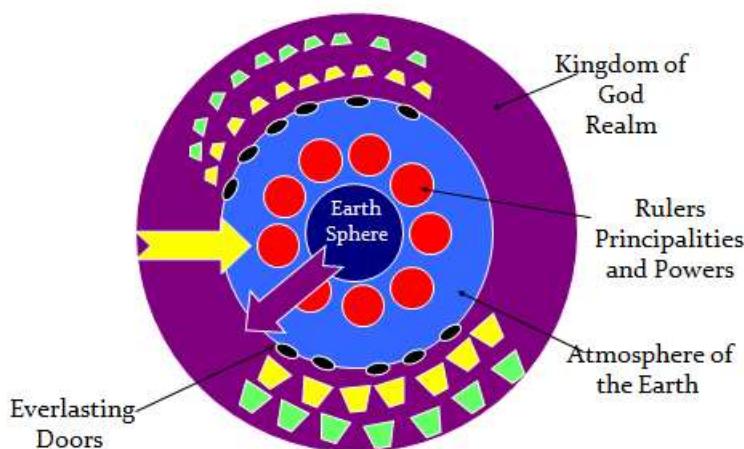

We work in cooperation to cleanse the atmosphere using the courts etc.

We begin to administer the everlasting doors

This is establishing God's will, the kingdom, on earth as it is in heaven

We continue to force the darkness out of the atmosphere and increase the extent of God's government

We extend our tent pegs and begin to expand our boundaries, taking more territory

*Sons Arise!* is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

- Steps like Jacob's ladder leading up to heaven start thinking about those steps and the open door
- Hear the invitation to come up here
- Let those steps form in your imagination and by faith walk up those steps to the door step through the veil into the kingdom realm

- Jesus is standing in the doorway
- Present yourself to Jesus your High Priest as a living sacrifice
- Ask Jesus to take you to see what is on your mountain what is on your throne
- To see any dragons or temples on your mountain usurping your authority
