

Module 8 Heavenly Realms 07 Councils of Heaven

A major aspect of the heavenly realms is the governmental perspective
 There are different levels of governmental authority relating to the different realms
 Our mountains and our thrones are positions of governmental authority that are in different realms

Zech 3:7 "Thus says the Lord of hosts, 'If you will walk in My ways and if you will perform My service, then you will also govern My house and also have charge of My courts, and I will grant you free access among these who are standing here.'

Sons of Issachar knowing the times and seasons

Court of 70
Meeting in four 70 day periods for judgment, justice, grace and mercy
Make and present a case
Understanding precepts, statutes, laws, evidence and verdicts; judicial jurisdiction is important

My precepts are the foundation of the beginning, I AM, My eternal nature and character, the fullest expression of who I AM.
The foundation of righteousness, the fullest demonstration of love revealed in pure light.
My heart revealed. The why of creation.

My statutes are the fullest expression of how I see and perceive everything, My world view.
The lens through which all things from the largest galaxy to the smallest particle are observed.
My observation that enables the existence of all things.
My mind revealed. The what of creation

My laws, the principles that enable all things to exist; that which holds everything together.
The divine cogs of all existence from the relative to the quantum.
My voice revealed. The how of creation

I was called to present a case to the Court of 70 (Galactic Council) for judgment to be made against the old Moses order on the basis of: is it a reflection of heaven governmentally?
I had to learn how to make and present a high level class action case
All cases must be based on the precepts of God

I was then directed to present 3 more cases before the Council of 70
On the basis of the judgment verdict
I was then asked to presented a case for justice
On the basis of justice I presented a case for grace to be released to the new order
On the basis of the grace I presented a case for mercy to abound

What I learned about protocols of aligning the 12 houses became the basis for preparing those cases
I first saw the council of 70 in 2013 before engaging a period of intense preparation
Council meets for 4 periods of 70 days starting in February each year
Judgment, Justice, Grace, Mercy

I was given very clear instructions
Spend 35 days in preparation
Present the case on day 35
Spend 35 days in administrating the verdict
The case for judgment was first and foundational for the others

Court of Judges
High level judicial decrees
Exercising and releasing Council of 70 judgements

Module 8 Heavenly Realms 07 Councils of Heaven

Court of the Lord

Destiny scroll agreements and assignments

Angelic assignments, guardians and caretakers

God's precepts from the eternal now of what was was

Son, legislate the area, region and nations for justice and call for freedom.

I call you to administrate My heart for My people's freedom from religious oppression.

That was my mandate

Cultivate desire for that mandate, meditate around it.

Seek for direction; can I use existing legislation?

Where would I get it, Chancellor's Court or the Strategy Court

Do I need new legislation?

Where I would I make it?

God spoke to me about giving Him time to legislate (to make or enact laws)

I had been using existing legislation to administer the kingdom

Making new legislation using the authority it releases to see the rule of God's kingdom bring restoration

I engaged with Wisdom and sought revelation

Wisdom took me to the Court of the Councils of the fathers

I was given a mandate to make a new law

Law of religious freedom

I went to the court of kings, sat at the bench and called for a scroll

Law of Religious Freedom

God gave me directly

I hereby authorise the law of religious freedom.

This law approves the right of the Joshua generation to set My people free

You are authorised to bring freedom to the oppressed, to release light into the shrouded darkness of the old Moses order

You are authorised to administer Emmaus road-like encounters to those whose minds have been veiled by the coverings of men.

You are authorised to call for and administrate justice for God's people.

In love you are empowered to challenge the old wineskins and their associated mind-sets.

The old Moses order mountains can be shaken with the winds of change.

You are to call the Joshua Generation to action to cry into the valley of decision and release heaven's sound and light.

You have been assigned the ordinances of the angelic hosts to engage in visitations, dreams and visions

I took the scroll to the Chancellors' court; it agreed and authorised and sealed it for my use

I took the sealed scroll to the Court of Scribes and it was written into the statutes for my life

I am empowered to use it to legislate to bring justice in righteousness

Use this legislation wisely and with precision and many will be set free to receive their inheritance.

I engaged the heavenly Council of 70 for authorisation to legislate alignment for this shift.

I declared and pronounced the law of religious freedom

Module 8 Heavenly Realms 07 Councils of Heaven

I began to use the legislation of religious freedom to call for change

On the basis of the law of religious freedom:

I call for the veils to be removed from those covered by resistors and rejecters of the new heavenly order.

I call for justice on the basis of God's judgement, the exposing of those refusing to take the people into the promised inheritance.

I call for a stirring and quickening of the hearts of those who have been covered and limited.

I call for a new generation to arise.

I call for mercy and the light of truth to shine brighter and with more intensity into the darkness of the coverings of men.

I call for justice and freedom from the religious evangelical spirit that is plaguing God's people.

I call for a holy dissatisfaction to grow in the hearts of God's people and the cry to go out from deep within "there must be more than this"

I call for the sound of heaven to resonate in the hearts of those who will become hungry for more as they become dissatisfied with junk food and baby food.

I call for more angelic encounters, visitations dreams, visions and supernatural engagements.

I call for a new desire to rise in the hearts of those who have been misled and covered by religious veils of doctrine and theology that denies the supernatural as normal to their lives.

Son, prepare for 2 exoduses, one from Egypt and the other from the wilderness.

Son, stir My people to call into the darkness with penetrative light.

Send forth the light to pierce the dark veils of blindness and deception.

My ordinances will be at the command of My people if they will accept their mission.

Prepare the storehouses to receive the harvest.

Call forth the mandates to build and establish the blueprints of the new order embassies of heaven on earth.

Call forth the blueprints for the new order Ekklesia and storehouses for area and regional embassies

My people must build the storehouses for the coming harvest.

The blueprints are ready but where are those who will say 'here am I send me'?

God is beginning to move in our hearts in new ways as we respond to His heart

I started to receive and make legislation

Legislate about removing restrictions

Legislate about removing religious bondage

Legislation for our hearts to be prepared to feel God's heart

Son, you are authorised and mandated to legislate into the restrictions on the church

I challenge you to remove the restrictions and limitations

It is time to clear away the obstacles, to remove the shadows and step into the light.

The mists around the closed and clouded minds must be dissipated.

The hindrances and entanglements must be removed so the limitations of minds that are stuck in what has been can become free to embrace what can be so it can become what will be.

The veils must be removed and restrictions lifted to embrace the limitless potential of My reality.

Module 8 Heavenly Realms 07 Councils of Heaven

The way, truth and life are to be experienced, not conceptualised and contained.
The limits of what is possible must be removed for My purpose to be achieved.

You must begin to entertain limitless grace and mercy to be able to grasp what is true reality beyond all expectations.

Call for the legislation of justice where Lion and Eagle will roar and soar.

New dimensions of everything can be yours if you are willing to let go of the old and embrace the challenge of the new.

My legislative response

I call for the removal of the limits to unveil the beyond, the limitless potential possibilities of eternal reality.

I call for freedom from the religious restrictions that are creating limitations.

I call for justice against all the fear-based entanglements that are hindering us being a place of exchange.

I call the heavenly hosts to be witnesses for justice that all mind-sets of limitation will be exposed and removed from benches of 3, 7, 12, and all mountain benches.

I call for the courage and boldness to possess the unknown to be instilled into all of our hearts and minds

I call for all selfishness to be exposed and surrendered.

I call for hearts, minds and wills to be filled with compassion, zeal and passion.

I call for all confusion to be removed from our hearts and minds.

I call the exchange to be commissioned and the departure lounge to be opened.

I call for all obstacles to be removed from those who will be drawn to the light.

I call for the mountains to be made low and the valleys to be lifted up, the rough places made smooth and the crooked paths made straight.

I call for the opening and administration of the everlasting doors and the spiritual atmosphere over us to be cleansed.

I call for the angelic armies of heaven to be released with fire into the atmosphere over our spheres of influence

I call for the principality of our city of refuge to be installed.

You are authorised to call in the harvest of specific people groups

The authorisation is released to call into the enemy's camp to target the strongest, most resistant opposition.

You are authorised and empowered to release the intense light that will turn the Sauls into the Pauls of the next generation.

I authorise you to legislate love in its full force and power to transfer people out of the darkness into the kingdom of light.

You are authorised to use the seasons and cycles with wisdom, knowledge and understanding as your council.

You are authorised to administrate Judgment, Justice, Grace and Mercy, the 4 pillars of judicial government.

You are authorised to plunder Satan's trophy room for those you have been given responsibility for.

Module 8 Heavenly Realms 07 Councils of Heaven

We have developed a statute book containing all the legislation and laws we have developed here
The laws have various areas of jurisdiction and those for general use are available to EG subscribers
Use and adapt for your own situations

I am only describing my engagements with the various courts and I am sure that others will have their own experiences
There are many other ways the courts function which can be discovered by engaging them

Steps like Jacob’s ladder leading up to heaven
There is a door standing open in heaven
Hear the invitation to come up here
Walk up those steps to the door
Now step through the veil into the kingdom realm

Jesus is standing in the doorway
Present yourself to Jesus your High Priest as a living sacrifice
Let Him take you by the hand
Ask Jesus to engage Wisdom
Let Wisdom introduce you to the different courts
