25. Meditation for Expanding Consciousness 2

eg.freedomarc.org

Preparation for Sonship

- How can we be prepared for sonship?
- Preparation with help from tutors
- Preparation through entering rest
- Preparation through soul transformation at different levels
- Renewed mind; expanded consciousness; living mindfully

Preparation for Sonship

- If we are going to function as mature sons we need the mind of a son and think like a son
- As a man thinks in his heart so is he therefore we need to think like a son of God to be a son of God
- Thinking and motivated from our eternal identity and destiny

Preparation for Sonship

- The current religious tradition has diminished the true intimacy of face to face relationship to an intellectual ascent to the truth but with no true mystical experience
- Christianity has become reduced to an intellectual, traditional, orthodox prison for the mind

MIND-BLOWING QUANTUM THEORIES ABOUT THE HUMAN BRAIN

**The mind exists as a field
surrounding the brain
in a parallel universe.**

**You create a universe
by perceiving it
and this is your conscious
experience of the world.**

**The brain is full of
geometrical structures
operating in
many dimensions.**

**As the TV does not create
the program
nor does the brain
create consciousness.**

**We are pure consciousness
currently focused on a physical dimension.**

Preparation for Sonship

- Meditation and Mindfulness
- Big business people paying thousands for seminars that promise to help them de-stress and find happiness, success and prosperity in their daily lives
- God promises us all of those things and more in a love relationship

Preparation for Sonship

- Joshua 1:8 This book of the law shall not depart from your mouth, but you shall **meditate** on it day and night, so that you may be careful to do according to all that is written in it; for then **you will make your way prosperous**, and then **you will have success**.

Preparation for Sonship

- Meditation - Focus one's mind for a period of time, for religious or spiritual purposes or as a method of relaxation.
- Contemplation, thought, thinking, musing, pondering, consideration, reflection, prayer, rumination, cogitation, brooding, mulling over

Preparation for Sonship

- Mindfulness - a mental state achieved by focusing one's awareness on the present moment, while calmly acknowledging and accepting one's feelings, thoughts, and bodily sensations, used as a therapeutic technique.

Preparation for Sonship

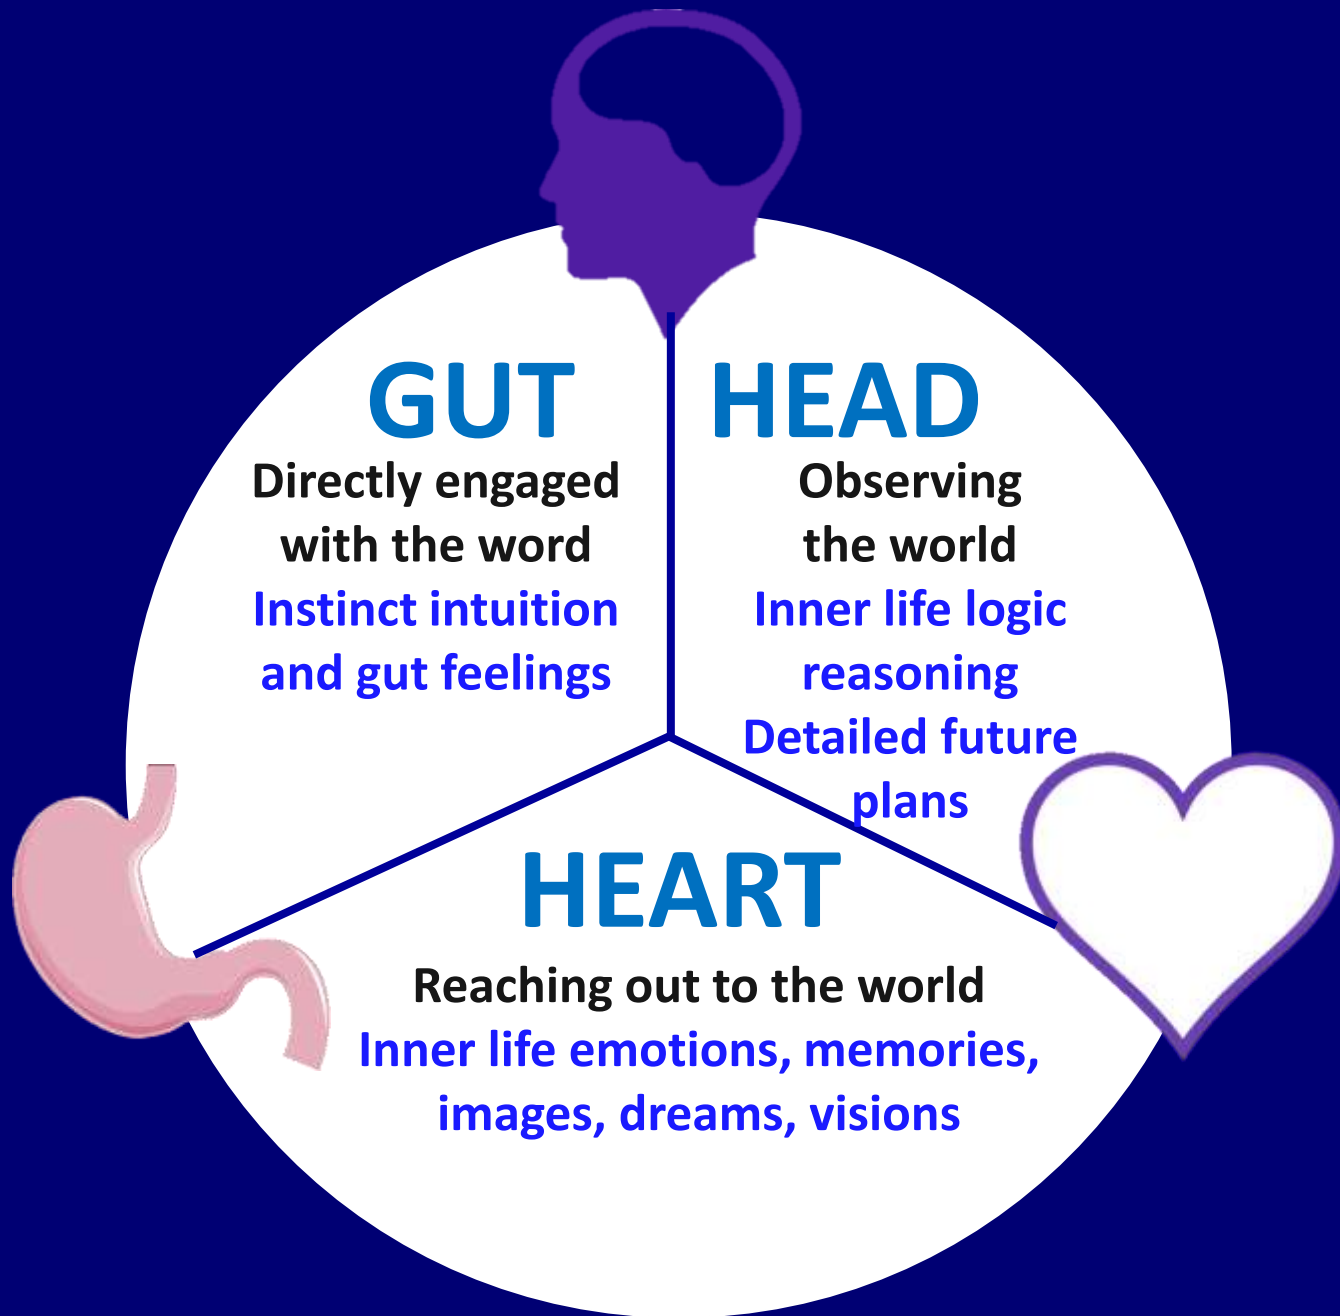

- Mindfulness and meditation can daily help us to focus our thinking, emotions and physical bodies to be at a state of rest
- A state of rest helps our souls to be restored and healed so we can become whole: body, soul and spirit

Preparation for Sonship

- Mindfulness and meditation can also help us access different states and levels of consciousness
- Developing creative and intuitive thinking
- Creating a positive reality around us
- Destressing from life by living life from a state of rest

Preparation for Sonship

- Do you know you have three brains?
- Your HEAD brain, your HEART brain, and your GUT brain.
- The head brain analyses information and applies logic.

Preparation for Sonship

- The heart brain senses the world through emotion and feelings.
- The gut brain helps us learn self-preservation by teaching us to follow our instinct – the “gut feelings” we all experience at times

Preparation for Sonship

- All three brains have massive networks of neurons and very distinct roles.
- This explains the clash between what we think and what we feel.
- Only by understanding and unifying the three brains can we arrive at a point where we make better decisions by choosing better realities

Preparation for Sonship

- Coherent Heart: “Coherence is the state when the heart, mind and emotions are in alignment and cooperation,” – AT REST
- Incoherent Heart is the opposite: where heart, mind and emotions are in disharmony – WORRY, ANXIETY, FEAR

Preparation for Sonship

- The mind of Christ is not a physical mind but a spiritual mind, revealing a new consciousness and a new reality
- Cardiognosis = knowledge of the heart
- Communication through states of consciousness – knowing, perception
- Knowing truth by impartation through encounters that are not cognitive but heart to heart or subconscious

Preparation for Sonship

- We need to live close to God's heart so we can know the oracles of His heart
- This is the only way we can know what the Father is doing and so cooperate with Him as Jesus did, by only desiring to do the will of Him who sent Him

The blacksmith and the artist

Reflect it in their art

They forge their creativity

Closer to the heart

Yes closer to the heart

Preparation for Sonship

Philosophers and ploughmen

Each must know his part

To sow a new mentality

Closer to the heart

Yes closer to the heart, yeah, oh

Whoa whoa

Preparation for Sonship

You can be the captain

And I will draw the chart

Sailing into destiny

Preparation for Sonship

- As sons of God, rest is our inheritance
- The mind has the potential of creative thought to shape reality, so that creation can become free from its bondage to decay into the freedom of love's light, expressed in God's sons who have arisen to take their places in heavenly kingdom government

Preparation for Sonship

- The minds of those disconnected by lost identity and religion can only perpetuate the limited possibilities of the natural mind
- Only those whose minds are connected to the divine have ever brought real change because their consciousness danced with eternal possibilities.

Preparation for Sonship

- The natural mind, however deep it goes, can draw from nothing more than soulish creative possibilities.
- It is, and always will be, limited.
- We are inherently selfish and self-centred without an outward focus and purpose – true love is otherly

Preparation for Sonship

- Prov 23:7 As a man thinks in his heart so is he
- The constructs, belief systems, world views within our minds and consciousness frame our world
- We are limited by how we think about ourselves and the world
- Do we think impossible or I'm possible?

Preparation for Sonship

- We all see ourselves and the world through the lens of our own understanding
- That distorted view is false expectations appearing real – FEAR
- We need to connect to an external objective view
- That would be the God who made us

Preparation for Sonship

- When in a love relationship with God we learn to trust that He wants the best for us
- We can rest in God's provision for us, His protection of us and His purpose and direction for our daily lives

Preparation for Sonship

- Living loved, loving living, living loving
- Living loved – knowing true love
- Loving living – knowing true joy
- Living loving – knowing true peace
- Living in love, joy and peace is being in rest: in a meditative state with access to a deeper level of consciousness

Preparation for Sonship

- John 13:34 I give you a new commandment, keep on loving one another just as **I have loved you** – my love for you is the source of your love for one another.
- Giving and receiving love is the key to happy and abundant life

Preparation for Sonship

- John 15:9 The love of the Father for me is my love for you - **abide in my love for you!** 10 By treasuring the prophetic conclusion of my life you will remain **constantly engulfed in my love** even as I treasure the completeness of my Father's prophetic purpose and **abide in his love embrace.**

Preparation for Sonship

- John 15:11 I have spoken these things unto you so that **my joy** will continuously infuse you – you don't have to invent your own if you can tap into mine! **This is the ultimate bliss!**

Preparation for Sonship

- Phil 4:8 Finally, whatever is true, whatever is honourable, whatever is right, whatever is pure, whatever is lovely, whatever is of good repute, if there is any excellence and if anything worthy of praise, dwell on these things.

Preparation for Sonship

- John 15:12 I advise you to discover your love for one another mirrored in my love for you; this is the conclusion of my mission.
- The world will see God when they see real love in us

Preparation for Sonship

- John 14:27 **Peace** be with you! I give you my own **peace** – this is not the kind the world gives – this is **peace** in the midst of troubled times; therefore you have nothing to fear! Let not your hearts be timid.

Preparation for Sonship

- Phil 4:7 And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus.
- We cannot be at peace if we are at war with someone or something and angry

Preparation for Sonship

- Rom 12:17 Never pay back evil for evil to anyone. Respect what is right in the sight of all men. 18 If possible, so far as it depends on you, **be at peace with all men**
- Search my heart, God, for areas of unforgiveness and anger

Preparation for Sonship

- John 17:22 The glory which You have given Me I have given to them, that they may be one, just as We are one; 23 I in them and You in Me, that they may be perfected in unity, so that the world may know that You sent Me, and loved them, even as You have loved Me. 24 Father, I desire that they also, whom You have given Me, be with Me where I am, so that they may see My glory which You have given Me, for You loved Me before the foundation of the world.

Preparation for Sonship

- In my daily engagements with God within, in heaven and in eternity, I discovered some keys to living in love, joy and peace and living in a state of rest and wellbeing
- 7 step meditation process to create a state of rest

Preparation for Sonship

- Begin with God - YHVH being in us
- John 4:14 but whoever drinks of the water that I will give him shall never thirst; but the water that I will give him will become **in him a well of water** springing up to eternal life.” – Spirit of Truth

Preparation for Sonship

- John 7:37 “If anyone is thirsty, let him come to Me and drink. 38 He who believes in Me, as the Scripture said, ‘From his innermost being will flow rivers of living water.’” 39 But this **He spoke of the Spirit**, whom those who believed in Him were to receive

Preparation for Sonship

- John 14:19 **In that day** you will know that we are in seamless union with one another! **I am in my Father, you are in me and I am in you!** 23
whoever loves me will treasure my words and know my Father's love and we will come face to face with this one and **make our home**

Preparation for Sonship

- John 14:20 In that day you will know that I am in My Father, and you in Me, and I in you. 23 ... We will come to him and make Our home with him.
- Now Jesus is in us all and we are all in Him. Do we know it?

Preparation for Sonship

- We all have an inbuilt need for love and therefore of God, who is love
- We all have emotional needs to be cared for, accepted, affirmed, comforted and approved of.
- When these needs are fulfilled we live in a state of wellbeing, rest

Preparation for Sonship

- Meditation is the focusing of the mind to control frequencies
- Alpha and Theta: these lower frequencies are associated with peace, tranquillity and happiness; are found in meditation, hypnosis, trance or daydreaming; and promote creativity and inspiration.

Preparation for Sonship

- When our brain comes into alpha or theta states it is easier for the truth to be imprinted into our minds and that programs the positive thinking patterns into our unconscious mind.
- Being at rest speeds up the process of renewing and transforming the mind

Preparation for Sonship

- When we are in the theta state, our receptivity is elevated and we are able to access knowledge that lies beyond our conscious awareness.
- Our spirit and the Holy Spirit entrain our soul to truth beyond

Preparation for Sonship

- Theta brainwave entrainment helps in behaviour modification programs where we are looking to deconstruct and renew our thinking
- This is being used in therapies for drug and alcohol addiction

Preparation for Sonship

- It is much easier to enter the theta brain state by using brainwave entrainment relaxing music, embedded with pure theta waves of intention, binaural beats and water sounds.
- We use such music in activations

Preparation for Sonship

- Samuel at [SML music](#) has produced many tracks embedded with intention that help focus the mind in specific areas
- Listening to music embedded with lower frequencies, nature and water sounds can instantly modify our state of mind.

Preparation for Sonship

- There are great meditation tools that can help us become mindful
- Fractal focusing can be helpful as fractal thoughts are built up from the same pattern repeated over and over again at increasingly wider scales

Preparation for Sonship

- Due to their repetitive nature, the fractals increase the effect of meditation by visually stimulating the brain into a high focus and awareness.
- Start focusing on love for example: it starts in our spirit, replicated through our soul and body out into the world

Preparation for Sonship

- By focusing on one thing only, we can calm our agitated mind and experience the peaceful space between the thoughts.
- The first three stages of meditation start with focusing on love, then move to joy and then peace; this produces deep rest

Preparation for Sonship

- This exercise helps with our concentration and focus
- Once the brain succeeds in staying focused on a single thing, your mind will become highly receptive and open to the deeper and higher revelation of truth

Preparation for Sonship

- This is when the verbal/cartesian selfish mind becomes a visual/meditative one expanded beyond self
- You start to move from the thinking mind to a deeper state of consciousness, in the realm of theta wave inspiration

Preparation for Sonship

- With the focus on the centre of the fractal, think of your deepest desire. Imagine yourself in that situation and feel the happiness and accomplishment in your whole body. Don't strive. Let it flow naturally.

Preparation for Sonship

- The feelings might not come right away but with practice, they will come faster.
- Allow the state of rest to deepen so you become fully anchored in the present moment.
- At rest in love, joy and peace; seeing beyond the limitations and restrictions

Preparation for Sonship

- Another helpful meditation practice is breath awareness to reprogram our thinking
- God breathed into Adam life, spirit and energy
- Close your eyes. Breathe in and out, gently, only through the nose. Draw attention to the process of breathing.

Preparation for Sonship

- The life of God YHVH begins to be activated in us
- Feel your breathing, and focus on the physical sensation. Feel your abdomen rising and falling and be aware of the air moving in and out through your nostrils.

Preparation for Sonship

- Slowly inhale thinking *Hei*, keeping your focus on the thought. If a noise or a thought is distracting you, be aware of it, then return to the physical sensation of slowly inhaling.
- Slowly exhale through your nose *Yod* and slowly inhale *Hei* and exhale *Vav* and slowly repeat, focusing your thinking

Preparation for Sonship

- Gradually, slow down the rhythm of your breathing *Yod... Hei... Vav... Hei...* and allow your mind to relax. Feel your body warm and heavy.
- Begin to visualize a picture frame in your mind and focus bringing a specific thought into the frame

Preparation for Sonship

- This can enhance the positive and diminish the negative
- Start to think of the Father, or Jesus, and visualize the picture frame in your mind as white light then start to see the colours and images coming into the picture unveiling and revealing true reality

Preparation for Sonship

- Visualize the picture frame in your mind. Bring up an unhappy event or trauma in your life and put it in the picture frame. See the scene clearly (the environment, the people, the objects), like in a movie.

Preparation for Sonship

- Release the power of forgiving and releasing and then start to see the colours fading out of the scene. Feel the emotions of fear, pain and rejection etc. fading away.
- The picture in the frame has less and less colour until it becomes completely white and cleansed

Preparation for Sonship

- Another way of using this exercise is to picture the frame and see Jesus or the Father standing with you talking to you, hugging you, strengthening and encouraging you. Feel the comforting rhythm of His heartbeat bringing you to the safe place of rest

Preparation for Sonship

- Repeat this meditation and you will start to unlock true reality.
- As you focus on the positive moments in life, while being in a theta state of mind, with no fear and blockages, you will find a new reality opening up; a reality that allows you to know who you really are, at your highest potential.

Preparation for Sonship

- These are just some of the practices and techniques that can be helpful in developing mindfulness
- Find which methods are helpful to you and focus by practising until you can live in the state of rest.
- Living loved, loving living, living loving

Preparation for Sonship

- Meditation helps us to be at rest, being mindful, able to connect our consciousness to a deeper peace and higher level of reality
- Meditation raises our awareness and our consciousness levels to enable us to be at rest

Preparation for Sonship

- Meditation and mindfulness is learning how to focus our thinking and access different states of consciousness
- Coming into a state of rest which is living in full love, joy and peace
- Having a lifestyle of rest not stress

Preparation for Sonship

- 7 Step Meditation Rest Exercise
- 1. Love – feeling compassion
- 2. Joy – feeling thankful and grateful
- 3. Peace – Forgiveness and blessing
- 4. Surrender – Being living sacrifices
- 5. Engaging destiny – having clear vision
- 6. Framing life – creating reality
- 7. Living in blessing and empowerment

Preparation for Sonship

- This is a process; it takes time
- I would suggest taking 7 days for each step (49 days).
- I would then go back to step one and add a step each day
- Day one: do step one
- Day two: do step one and two
- Day three do steps 1-3 etc.

Preparation for Sonship

- Don't rush the process. 7 days for each step takes 7 weeks
- Then one further week to be able to incorporate all the steps into a lifestyle of meditation and mindfulness, to live consciously as sons of God

Rest
Meditation
Mindfulness

- Breathe in deeply the breath of God *HEI* and exhale slowly *YOD*

- Breathe in deeply *HEI* - repeat
