

How can we be prepared for sonship?

Preparation with help from tutors

Preparation through entering rest

Preparation through soul transformation at different levels

Intimacy with the Father is the best preparation for sonship as you can't be a son without a father

The Father is calling His children to arise as sons and take our places where we are seated in the heavenly realms

In relationship the Father gives us identity, position and authority a mandate so we can be fruitful, multiply, fill, subdue and rule

To fulfil our sonship mandate we need to be at rest; therefore not striving by our own DIY self-effort according to the wrong path

The Joshua Generation are forerunners of a heavenly royal priesthood according to the order of Melchizedek

Also, on earth we are oracles and legislators, aligning heaven and earth as gateways of heaven into the earth

For heaven to flow through us as a gateway into the earth, we need to be seated in rest, yoked to Jesus

To fully function as sons and coheirs of creation we need to live multidimensionally

This begins with living in dual realms

Dual realms living is a result of engaging the dark cloud, which is a description of a process of transformation, a metamorphosis

Separating soul and spirit, being untethered, reintegrated and quantum entangled

Being a conduit for heaven to flow into the earth

If you are proactive and willing to pursue the living in dual realms experience this process can be accelerated, but it will be different for everyone as we all have unique journeys

I have shared some of my journey testimony as a forerunner to open up a window of opportunity for you to follow your own path

As we live under an open heaven for a manifestation of God's glory, invite heaven's representatives to be around you as you are around them

Engage with your personal angels

Engage with 4 faces of God - Lion, Ox, Eagle, Man

Engage with the 4 angels of transition: Transformation, Winds of Change,

Sound of Many Waters, Refiner's Fire

Whatever our spirit is doing in heaven can resonate in agreement in our soul in this physical dimension

Agreement releases blessing to manifest heaven in us, through us and around us

Love can fill the atmosphere to create the environment for change and transformation to take place.  
Peace can fill the atmosphere so that healing and wholeness can take place.  
Joy can fill the atmosphere so that reintegration can take place

Heaven can manifest on earth so we can all enter into rest:

Rest, not striving

Peace, not analysing

Revelation, not study or information

Choice, not will power

Surrender, not death

Being first, then doing

From identity, not for identity

End to religious dead works

Don't switch off if things get tough. Surrender to be still, wait and rest

Personal desire and pursuit will take you through discipline to delight

Jesus has made a way as the Door, the torn veil, for us to enter into all that He has finished

We need a realisation of the power of the cross in co-crucifixion, co-resurrection and co-ascension

Our identification with the freedom of the glory of our sonship

Open the night watch realm for restoration of the soul in the garden of rest

Open the subconscious through sound and fragrance frequencies

Call for the angelic helpers: the 4 angels of transition, healing angels, gathering angels, ministering angels,

Call for the cloud of witnesses to encourage, support, advise

Call for the manifestation of the dark cloud to cocoon and envelop with deep, thick and intense love, peace and joy

Psalm 46:10 Be still (cease striving) and know that I am God

Son, give people the opportunity to practice and I will meet them and begin to take them beyond.

As you know, living in dual realms is about being active and available as you are preparing everything in heaven for manifestation eventually on the earth.

Dual realms living is actually about multidimensional living, being able to access the physical realms, the spiritual realms around you, the many different realms of heaven, the dimensional realms accessed from heaven, the atmosphere, under the earth, the 'beyond beyond' realms of other races

The more heavenly preparation that takes place, the more spiritual blessings are released as you become a gateway into the earth.

The more you are active in heaven, the more of heaven that will manifest through you

The ability to shift dimensions consciously is the key, so practice focusing and engaging the various realms.

What are those realms?

- Spiritual realm around us
- Spiritual realm within
- Spiritual realms of heaven
- Other dimensional realms

John 3:13 and no one has gone up to the heaven, except he who out of the heaven came down - the Son of Man who is in the heaven.

Quantum entanglement

John 5:19 Therefore Jesus answered and was saying to them, "Truly, truly, I say to you, the Son can do nothing of Himself, unless it is something He sees the Father doing; for whatever the Father does, these things the Son also does in like manner. 20 For the Father loves the Son, and shows Him all things that He Himself is doing; and the Father will show Him greater works than these, so that you will marvel."

Quantum entanglement is a physical phenomenon which occurs when pairs or groups of particles are generated or interact in ways such that the quantum state of each particle cannot be described independently of the state of the other(s), even when the particles are separated by a large distance - instead, a quantum state must be described for the system as a whole.

They are not individual particles but are an inseparable whole.

"Anything considered spiritual or metaphysical is generally just the physics we do not yet understand." - Nassim Hamein

Quantum physics, the parables of today

Soul and spirit can be in heaven or can be on earth and be together cognitively

Spirit can be in the heavenly realms or in other dimensions, including the 'eternal now'; and the soul can be in the physical dimension but instantly connected and communicating and flowing from one to another

The soul can shift consciousness, to be where the spirit is, instantly, by thought

This includes the dimension of time, where both spirit and soul can travel in time and space

Soul and spirit are entangled but the resonant entrainment is always the greater to the lesser frequency

Spirit connected to God as spirit brings alignment and the soul resonates in agreement

I found that my spirit knows more than my cognitive soul but the knowledge of my spirit joined to God releases revelation knowledge as needed to expand my consciousness and create desire in my heart

This brings continual agreement between heaven and earth in us

We are the alignment of heaven and earth

We are the gateway of heaven into the earth

Heaven forming through terraforming  
Earth being restored in relationship to its first estate

What do we do in dual realms?  
Observing - seeing from an 'eternal now' and a 'kingdom is' perspective  
Engaging in cardiognosis with the Father's heart  
Aligning our spirit with God's Spirit  
Face to face becoming from beholding

Non-cognitive oneness and cognitive outworking  
Aligning the *eternal now* of God's heart with the heavenly *is* of the 4 faces of God's name, so that *what will be* in the physical realm aligns  
What was, is, and will be; so the end is in agreement with the beginning: original intention

Framing our lives from the eternal and heavenly perspective by legislation  
Standing in the 4 faces of God governmentally in the power of YHVH  
Operating according to the Order of Melchizedek  
Priests and Kings, Oracles and Legislators

In our sonship identity from our heavenly throne-seated position: subduing, ruling  
Agreeing with heaven and aligning our earthly circumstances  
Creating by calling forth, decreeing, declaring, assigning the angelic realm

Framing life from the 4 faces perspective by looking from Lion, Ox, Eagle, Man, and eternal; and seeing life and governmental spheres from those kingly, oracles, legislative, priestly functions and viewpoints.  
King and Priest, aligning heaven and earth with the Oracle and Legislator.

Legislation decrees for sonship:

I call upon the Father to open our hearts and minds to see blind self areas of independence where our souls' needs for affirmation are being met outside of the true love within the relationship of I AM

I call for the light to shine into this darkness to reveal the hidden motives of our hearts.  
I call for the Law of Removal of Religious Restrictions to be enacted to lift the veils of blindness off the eyes of all engaging and connecting with this message

I call upon you, Jesus, as our husband, to demonstrate Your true love for us  
Reveal the true nature of our salvation, reconciliation, restoration and redemption from our fallen, lost state of identity  
Unveil the way, the truth and the life to us by bringing us into the Father's arms of love

I call on you, Father, as the lover of our souls, to reveal Your true essence in deeper love  
To take us to a new level of experiencing Your true nature and character

And to draw all of us into Your heart of love.

I call upon you, Father, to open up eternity to all Your children here to know themselves at a deeper level as they gaze at the mirror of Your smiling face, look deep into Your eyes and experience love's consuming, passionate fire.

I call upon You, Father, to draw us deeper into Your love  
And to call deep from within Your true essence to the deepest parts of our fragmented souls  
To reach the most traumatised, separated and fearful parts of us, drawing them into wholeness and sonship.

I call upon You, as our loving Father, to expose and reveal all our protection, defence and coping mechanisms.

Reveal all the barriers and walls that have imprisoned us  
Smash, tear down and demolish all that separate us from Your love and our true identity as Your sons.

I call upon You, as our loving Father, to heal our brokenness by pouring out love's lavish, rich, healing oil

And releasing the sounds, fragrances, and frequencies of Your power and presence to bring us into the true rest of wholeness and peace

I call upon you, Father, to reveal the adoption into Your family to all of our fragmented soul's broken parts, welcoming them to be reintegrated and restored back to the oneness of our origin within Your heart.

I call upon You, Father, to restore us, Your children, back to the image of our true sonship  
To reconnect us with Your original desires, thoughts and intentions for our sonship and its destiny

I call upon You, Father, Son and Holy Spirit, to deliver us from our orphan spirits and welcome us deeper within the circle of Your love to dance with You, the lover of our souls.

I call upon You, Father, to affirm us as Your beloved sons, cocoon us within Your amazing love for us  
And as our Dad, reveal the height, breadth, length and depth of Your love dimensionally, in heaven and on earth

I thank you for being the best dad in the whole universe, for being all that we could ever want or need.

I thank you for being lavish, abundantly overflowing with new covenant love, joy, peace, patience, goodness, kindness, gentleness and faithfulness.

We can't be sons without a Father

Sonship is the state of being included in the circle of relationship that is Father, Son and Spirit  
Sonship is the state of being reconnected to the true reality of God's original intention for our identity and destiny

Deeper into intimacy with God  
Deeper into God Himself  
Deeper into the Truth - Jesus  
Deeper into revelation  
Higher into the creative light realms  
Into the dark cloud in perfection  
Engaging the person of God in His manifoldness

God is calling His children, His sons, to come out of the wilderness  
God is calling His sons to cross over into their supernatural inheritance beyond the veil  
God is calling His sons into deeper levels of intimacy  
God is calling us to know Him

Engage our mountain and see our mountain spheres  
We can meet our angels who have been caretaking our position until we mature  
There may be some things on your mountain or around your mountains  
Temple where through fear you have had your authority usurped  
What are the 2 pillars that you have worshipped at?

Heaven is open

Jesus is always waiting for us to engage consciously  
Our spirit can dwell continually in the heavenlies  
By faith, step in through the veil and engage Jesus

Jesus is waiting by the open door to engage us

Present yourself to Jesus, your High Priest, as a living sacrifice  
Choose for your spirit to be connected to Jesus

Consciously choose to shift your consciousness to earth realm so  
step out with your soul

Keep your eyes closed

Jesus is going to speak to your spirit but you are going to instantly  
receive the flow of revelation here

Shift back with your soul's consciousness by thinking of Jesus in the  
open door and repeat by shifting your consciousness from realm to  
realm
