Sons Arise - Engaging the Father - Session 2

Do we believe the vast sum of God's thoughts about us as His sons or are we believing the lies of an orphan spirit?

We need transformation by the renewing of our minds to change us to enable us agree with and believe what God believes about us

I am not offering you a short cut or a quick fix of sonship

As a forerunner I am offering you the doorway of opportunity where you can access the pathways to discover the possibilities of deeper intimacy in relationship and responsibility

You must develop this kick start into your own lifestyle and relationship by pursuing the desire

Esther is one of the cloud of witnesses

Esther 4:14 And who knows whether you have not attained royalty for such a time as this?"

Esther 4:14 Yet who knows whether you have come to the kingdom for such a time as this?"

The sons of God are called for this time to mature and engage in kingship

Esther came and visited us a few weeks ago to remind us that we are all called for a time such as this

We are all significant in God's heart and desires for restoration of all things

I sought Esther out and talked with her in heaven this is what she said:

"I was unprepared despite all the attention of the court it was not until I was placed in the position to step out into my destiny in God that I truly discovered who I was within God's kingdom and what I was capable of"

"No one will ever be ready until they are in the position that will test their hearts and motives and the levels of trust they will need. Allowing people to try, fail and try again is what God has done with you so release the same grace to others"

"I did not see the process as something to be desired, wanted or even thought as being good. The outcome was not what I was expecting. Many people don't recognise their own destiny until they are in the midst of it."

Following this conversation the Father said:

Son use the environment of the *Sons Arises* conferences and intensives to accelerate the processes of My children being prepared for their sonship positions.

Let Me call people beyond their present expectations and take them out of the comfort of their boats into unchartered waters where they will learn to swim without aids.

I will stretch My children beyond if you will provide the environment where they are safe to explore.

Esther went through a process of purification to prepare her to engage the king

Jesus has already made us righteous therefore worthy to access the King

Do we believe we are worthy or do we believe the lies that make us less than?

I sense Esther is observing this gathering

I sense she is invested in all of us accepting our callings and destiny as sons within God's kingdom

Be free and open to engage her if she shows up and you feel led

Sons Arise - Engaging the Father - Session 2

You are authorised to call for open heart surgery to remove the hardness of damaged hearts

You are authorised to undo the yokes and remove the heavy burdens of the slavery mentality

You are authorised to release the love of the Father to broken hearts

You are authorised to pour out the balm of the Father's heart to heal brokenness

You are authorised to administrate the eternal love of God to call My children back to their eternal identity as sons of light

Are you willing to get on the altar and ask God to do open heart surgery on your soul?

Are you willing to let the love of God, like healing balm, be administered to any brokenness in your hearts?

Isa 6:4 And the foundations of the thresholds trembled at the voice of him who called out, while the temple was filling with smoke. 5 Then I said, "Woe is me, for I am ruined! because I am a man of unclean lips, and I live among a people of unclean lips; 6 Then one of the seraphim flew to me with a burning coal in his hand, which he had taken from the altar with tongs. 7 He touched my mouth with it and said, "Behold, this has touched your lips; and your iniquity is taken away and your sin is forgiven."

Fix your thoughts on the altar of Isa 6

Let that form in your imagination

By faith step through that doorway of an open heaven

Ask Jesus to take you to the altar in the temple

Lay and on the altar and ask the Father to reveal any hard, stony, broken, fragmented, damaged areas in your heart

Choose to open your heart to His love

Ask the Father to perform open heart surgery on you to remove the hard, stony and damaged areas of your heart

Let the Father's love, as oil and balm, be poured into your open heart to heal you and restore your heart in love – bring wholeness.
