

Sons Arise - Engaging the Father - Session 4

Heb 4:16 Therefore let us draw near with confidence to the throne of grace, so that we may receive mercy and find grace to help in time of need.

That means that we have all the resources of heaven available to us just like Jesus, God's son

River of life

Waterfalls

Father's garden

The Tree of Life

The Throne of Grace

As we step into Eden, ask the Father or Jesus to engage some of the amazing wonders of Eden.

Close your eyes and think of that door in your spirit, let that door form in your imagination

By faith reach out to the handle and open the first love door

Welcome The Father's presence into your spirit

Allow your whole being, spirit, soul and body engage Him in a loving embrace

Let the Father lead you back through the door into Eden

Sonship is not just about having a restored soul and becoming whole as wonderful as that is

Sonship is about being in the Father and the Father being in us

Sonship is about being positioned in the Father so He can position us as His express image into creation.

Sonship is about being positioned, seated, enthroned in heaven so our governmental position is manifested through our lives.

Sonship is about being a gateway for the Father to touch the earth

Sonship is about being a gateway for the Father to touch others.

The Joshua Generation are those who have embraced their inheritance and birthright as sons of God

We cannot be sons without a relationship with our Father

We cannot have a relationship with our Father without a relationship with Jesus The Way, The Truth and The Life.

Sonship is about being part of a family in relationship with the Father and each other

Sonship is about being about our Father's business

Sonship is about being involved in the restoration of all things back to God's original desire and design

We are called as sons to be part of the Joshua Generation

Who are the Joshua Generation?

Those who are forerunners of heavenly intimacy who have spied out the land or relational promise beyond the veil

Those who have been wooed by the Father into restored sonship

The Joshua Generation are called to experience the precepts, character and nature of God Himself

To experience the reality of the very essence of who God truly is LOVE

Sons Arise - Engaging the Father - Session 4

Live loved, love living, live loving

Compare with the Moses generation

Joshua and Caleb operated according to a different spirit from Moses

Moses generation are mediatorial representing people before God and telling people what God said

Moses generation provides an earthly priesthood covering

Moses generation has a hierarchical governmental structure

Moses generation resist change

Moses generation lack true sonship identity

Moses generation often have a one man ministry focus

The Joshua Generation are those who have embraced their inheritance and birthright as sons of God

We cannot be sons without a relationship with our Father

We cannot have a relationship with our Father without a relationship with Jesus The Way, The Truth and The Life.

A relationship with our Father releases us from slavery into sonship

Transfiguration, transformation or metamorphosis is a process that restores our identity as sons of God and brings us into maturity

Sonship brings a responsibility to rule and to bring dominion

The Joshua Generation are sons who have been through the wilderness years of preparation

Those who have spied out the promised land beyond the heavenly veil

Those who have hear and responded to the call to enter within the veil to take up their positions as a royal priesthood

Those willing to be mentors for the next generation, the harvest of harvesters, to help them to come into their supernatural heavenly inheritance as sons of God

Those willing to establish the storehouses as embassies of heaven on the earth ready for the harvest.

God's plan is for 3 generations to work in unity to establish His government

Three generations like - Abraham, Isaac and Jacob

Moses and Joshua generations should have come into agreement

Moses generation failed to transition but can still leave the wilderness now

Joshua generation needs to rise up to be ready to equip the next generation

Generation of supernatural labourers for the harvest

Those two generations will reach out to the third generation

Jesus generation those who will prepare for Jesus ushering in the ages to come

It is important to learn the lessons from the Moses generation:

1 Cor 10:11 Now these things happened to them as an example, and they were written for our instruction, upon whom the ends of the ages have come'.

We need to learn the lessons from the past and not make the same mistakes

Sons Arise - Engaging the Father - Session 4
