

## VISION DESTINY 2020 11

I am going to review some of the things that were key in 2019  
I will share my journals; that will include:  
What God said in 2019  
What God did in 2019  
What does that mean for 2020?

Some of the major themes during 2019

- The restoration of all things
- The oracles of the Father's heart
- Love's light
- Happy eschatology
- Joshua generation arising in sonship
- Rest

Son, prepare for difficult questions relating to restoration but do not be intimidated by those who have been conditioned by evangelicalism.

Deconstruction is vital if My children who are bound are to be set free from the doctrines that separate and divide.

I came to unite My children into one family, one body, who have My heart and My mind. They are to reveal their Father to restore all back to Myself.

All doctrines that divide are flawed because We are one and We have created all things to be one as a reflection of who We are.

Division is the antithesis of Our nature: so there is no division on the basis of colour, race, religion, doctrine, theology, sexuality, nations, dimensions, locations, ethnicity, gender, social status, money or any other thing that the DIY tree path has created that is acceptable to Us.

All strife and enmity is an expression of lost identity and brokenness

The worst division is that of doctrine that causes strife and enmity

Particularly bad is that which separates people on the basis of their views of Israel.

Son, I have always had a people who would be an expression of relationship and family on the earth but they have all failed because of division and separation.

Exclusions through colour, race and religion

How can anything made in Our image be divided when we are one?

My people on earth were always those of faith who had a personal relationship with Us.

It was never based on nationality.

Israel, as My people, were to be a light to the Gentiles: not to exclude them based on race or ethnicity.

The church has not replaced Israel but is a continuation of those who were truly Israel; it never included those of their Father, the accuser.

Not all Israel were actually Israel, only those in relationship with Us; not those who were merely adherents to a law-based system of dead works.

It was always relationship, where righteousness was by faith

Rom 9:5 For they are not all Israel who are descended from Israel; 7 nor are they all children because they are Abraham's descendants, but: "through Isaac your descendants will be named." 8 That is, it is not the children of the flesh who are children of God, but the children of the promise are regarded as descendants.

There is no basis for dividing and separating Our people into denominations who have, by the very definition of the word, made a name for themselves, to become separate on the basis of doctrinal beliefs.

Son, We do not recognise any divisions based on doctrines, or beliefs, or on nationality. We recognise no Messianic Christians, or African, American, British, European or Asian. We see one family.

The DIY-tree-inspired division that formed Brethrenism, dispensationalism, premillennialism and rapture separation also inspired the separation of an earthly people (Israel) and a heavenly people (the church), creating Zionism.

This DIY tree doctrine, which has promoted nationalism and Zionism, must be challenged and deconstructed if there is to be unity within my family. My sons are responsible for creation now, in this age, and for all ages to come

It is by your love for one another and oneness that all would see the results of true relationship and this has been twisted and perverted into what it is today.

The oracles of Our heart cannot allow this situation to continue, as We are passionate with a burning desire for oneness; so that you can be as We are in the world.

Those who divide and separate on the basis of anything are in opposition to Our heart and We cannot tolerate this darkness calling itself light. The scandal of Christian Zionism is going to be exposed for what it is: a DIY-tree-inspired travesty.

We love all Our children equally and without prejudice; and all are reconciled and included in Us; and all will be restored. Son, be prepared for war but maintain peace in your own heart.

There is, has always been, and only ever will be, only one people of God; and that is those who come to the knowledge of the truth of who We are by personal experience. All are Our children – but not all yet know this, or act as sons

None are excluded by Us – in fact all are included by Us – but they live in the separation which is the illusion of their own minds. They are already included and one from Our perspective but sadly live as orphans, looking for a family in all the wrong places, using all the wrong methods

Son, to understand covenant you need to know Me. I am that I am is a statement of the covenant that We have with each other. All the promises and commitments We have made are already fulfilled through the cross

As Father, Son and Spirit we are in relational union; and the sacrifice that was made before the foundation of the created order was the covenant transaction of commitment to each other and with Our children, who already existed within us.

Our commitment is reflected in Our love and Our love is reflected in Our commitment.

The new covenant, as you know it, is not new but the expression of what has always been true in the eternal now; but is now revealed in Jesus, as both the son of man and God

This commitment in love is Our nature: We are relationally covenant expressed in perfection.  
The new covenant is not made with you and was not made at the cross; it was only revealed at the cross: that is what all the types and shadows pointed towards.

This covenant is truly eternal, as it is who We are.  
I am that I am is covenant, and all our children are included in Us.  
The desire to worship that is within all is the desire to return to who you were within I am.

What you call the old covenant was man's attempt to return but was inspired by the DIY knowledge path that Adam followed; and it could never succeed, as it was fear- and not love-based.  
Unconditional love is the true essence of the covenant that We are and that you are included in.

What you call the old covenant was never an everlasting covenant, that is why it has faded away and is now obsolete  
The old covenant and the promise of the land to Israel were both fulfilled fully in the new covenant

*Olam* is the Hebrew word often translated forever, everlasting or eternal in English  
This has been wrongly applied to the covenant of the land of Israel and any of the old testament covenants e.g. with Moses, Noah, David etc.

Gen 9:16 "When the bow is in the cloud, then I will look upon it, to remember the everlasting covenant between God and every living creature of all flesh that is on the earth."  
Not everlasting but enduring to the age

Gen 17:7 I will establish My covenant between Me and you and your descendants after you throughout their generations for an everlasting covenant, to be God to you and to your descendants after you.  
Spiritually fulfilled in Jesus

Lev 24:8 Every sabbath day he shall set it in order before the Lord continually; it is an everlasting covenant for the sons of Israel.  
1Chron 16:17 He also confirmed it to Jacob for a statute, To Israel as an everlasting covenant,  
Not forever or everlasting

Lev 24:8 On each sabbath-day he arrangeth it before Jehovah continually, from the sons of Israel – a covenant age-during; (YLT)  
*Olam* meaning long duration, antiquity, futurity  
*Olam* means an indefinite period of time [it is a time word]

Jonah was in the fish forever (*olam*) (Jon 2:6)  
A slave serves his master forever (*olam*) (Exo 21:6)  
Solomon's temple is built to last forever (*olam*) (1Kg 8:13)  
Sodom's fiery judgement is eternal (*olam*) (Eze 16:53-55; Jud 1:7)  
The Mosaic covenant is everlasting (*olam*) (Lev 24:3, 8)

Which "forever" is correct?  
"forever" was 3 days and nights for Jonah  
"forever" was approx. 70 years - a life span of a person  
"forever" was 400 years for Solomon's temple

None are correct as “forever”

The Hebrew word “*olam*” and the Greek equivalent “*aion*” are words that do not have a set value. It is a relative term and depends upon that with which it is associated.

An “*aion*” can be 3 days and nights, 70 years, 400 years, or 1000 years or more.

The Septuagint is the Greek translation of the Hebrew Scriptures (285 B.C.)

The Septuagint uses the word “*aion*” in place of the Hebrew word “*olam*”: this also does not mean forever or everlasting

The Aaronic priesthood is everlasting (*olam*) (Exo 40:15)

Circumcision was an everlasting (*olam*) covenant (Gen 17:9-13)

Israel’s judgment lasts forever (*olam*) (Isa 32:13-15)

Animal sacrifices are to be offered forever (*olam*) (2Ch 2:4)

If “*aion*” really means “eternity” instead of “age,” then which of the following scriptures makes sense?

What will be the sign of the end of eternity (*aion*) (Matt 24:3)

I am with you... to the end of eternity (*aion*) (Matt 28:20)

The sons of this eternity (*aion*) marry (Luke 20:34)

Since the eternity (*aion*) began (John 9:32)

Be not conformed to this eternity (*aion*) (Rom 12:2)

Where is the disputer of this eternity (*aion*) (1Co 1:20)

Deliver us from this present evil eternity (*aion*) (Gal 1:4)

Not only in this eternity (*aion*) but also in the one which is to come (Eph 1:21)

In the eternities (*aion* – plural) to come (Eph 2:7)

Loved this present eternity (*aion*) (2Ti 4:10)

At the end of the eternities (*aion* – plural) (Heb 9:26)

None of these translations of *ainos* mean eternal

How can you have a “before eternity,” “present eternity,” “eternity to come,” the “end of eternity,” “this eternity,” “that eternity,” and “many eternities,” when eternity transcends time?

These are translated through confirmational bias

Some concede that the noun “*aion*” has to do with time and means an age, but they want to say that the adjective “*aionios*” means eternal or timelessness

This is foolishness – the adjective derives its meaning from the noun [i.e., ‘day’ cannot become yearly – only daily]

Noun and Adjective

Day: Daily – A daily newspaper comes once every day

Week: Weekly – A weekly newspaper comes once every week

Month: Monthly – A monthly newspaper comes once every month

Year: Yearly – A yearly newspaper comes once every year

*Aion*: *Aionios* – An *aionios* newspaper comes once every *aion*

The covenant made with Noah, Abraham, Moses, David etc. was until Jesus came to fulfil them in the new covenant

2 Cor 1:20 For as many as are the promises of God, in Him they are yes; therefore also through Him is our Amen to the glory of God through us.

Man's covenants are always conditional on the faithfulness to stipulations but We are totally faithful by nature not obedience.

The need to obey external stipulations is a manmade concept

We, on the other hand, are I am and don't need to do anything: We are.

The oracles of our heart are the expression of who We are as love.

We love because We are love; covenant love, *chesed*, lovingkindness, is who We are.

To know Us is to know that you are included in Us by Our love for you, not your love for Us.

This new covenant is unconditional love seen in the *Perichoresis* expressed

So learn to be at rest and the reality of this new covenant can be fully experienced.

I know this is a challenge but do not let the old limit you from experiencing the new

Son, the shift for 2020 is both personal and for the [Engaging God Programme](#).

Create group leaders willing to deputise and mentor others for the new EG mentoring groups

Add continuing members to the existing legislation groups as advanced groups

Release the ambassadors groups to operate without your involvement and seek for new groups with some specific mandates.

Son, I will open new relationships and cement existing relationships so you will need to travel more next year.

There are areas that need to be opened up and strategic relationships that need to be developed.

Son, love is still the key in all things; and radiating love's light is the true mandate of sonship, so keep it as the priority.

Set the priorities for next year for FAM

ROAT 2 and other ROAT conferences and a series of mini books

Son, the winds of change are blowing for you individually and for the season to change from justice to grace. The old order have been resisting the change but now those within the new order are also resisting the progression towards the restoration of all things through greater grace.

Our desire is for this new season of grace to blow throughout the earth but those who should be facilitating the opening of the East gate are hindering its opening.

Once again the old is resisting the new; but this has accelerated as those we have called to be gate keepers are holding back the winds.

Son, legislate for the opening of the east gate; so that the new season of grace will accelerate restoration, as the 4 winds blow throughout the earth.

The resonance of sonship will send ripples throughout the dimensions bringing hope for restoration.

Son, honour the old but do not allow them to stop the change of season.

You must legislate to the 70 using the precedent of the case against the Moses order to bring judgment to those now establishing the same mediatorial systems that they judged without love.

Legislate with love to remove their resistance to restoration from within their hearts.

If they continue to resist they will end up going back to the wilderness and will die there like all who have gone before.

## VISION DESTINY 2020 11

As an Ambassador for the Joshua Generation, legislate for a change of heart; so justice can give way to grace  
Call for grace within justice so the forerunners of the new will become the foundation of the new beginnings  
to establish heaven on the earth.

The harvest will not be released into the wilderness structures of mediation that are currently being  
established as hubs, because they are nothing more than apostolic networks rebranded.

The 4 winds will blow from the east gate to bring the greater grace of restoration  
Those who are opposing restoration will either come into agreement or be removed from their positions by  
the force of the winds of change.

It is time for mercy to be legislated in 2019 before a new season of judgment comes in 2020 as the wheels  
within wheels turn from justice to grace.

I came to the Council of 70 as Ambassador for the Joshua Generation in this season of mercy to call for the  
hearts and minds of those resisting the restoration of all things to be changed, softened by love bombs and  
lightning bolts from the throne of God.

I call for the truth of love's restoring power to penetrate the hardest hearts and minds; to remove the veils  
of darkness, stopping love's light from shining.  
I call for the precedent set in the 2014 case against the Moses generation to be re-enacted and judgment to  
life to be released.

I call for restoration to spread within opposition groups like wildfire as love bombs explode  
I release love's blessing upon ... and ... so love's light can reveal restoration to a new level

I call the Council of 70 to release revelation of the precepts of restoration within the Father's heart for the  
winds of change to blow  
I call for no rest until the change from justice to grace has been blown into the 4 corners of the creation

I received this from an Ambassador (someone in the Ambassadors groups in the Engaging God programme)  
independently:

### **The winds of change**

As I prayed about this I started to search the matter out over the week.  
As I did, God started to reveal what all these things meant.

To my understanding the Lord is going to release the four winds upon the earth to the sons of God the  
four corners of the earth ...  
The breath of His Spirit ...  
The eastern wind of God is about cut loose ...

The winds of change - a new cycle of the four winds of God (or the four breaths of God)

"I stand in the authority as a son of God; by faith I step into the veil through the way of the cross, for  
You are the door and the gate, the only way, Christ Jesus;

"I present myself to You, my Lord, and surrender myself to You as a living sacrifice; I receive Your  
acceptance and love, mercy and grace: for You have clothed me in white robes of righteousness.

## VISION DESTINY 2020 11

"I take my place in Christ Jesus, seated with Him in heavenly places at His right hand.  
I step into the realm of Your governmental authority.

"And the word of the Lord said:

Ezekiel 37:4 Prophecy unto these bones, and say unto them, "O you dry bones, hear the word of the Lord, thus says the Lord God unto you, these bones: 'Behold, I will cause my breath to enter into you and you shall live...'"

"I call forth the identity of the sons of God to be established throughout the world  
I call forth their spiritual life to be awakened  
I call forth a new wineskin

"I call forth the four winds of God (the four breaths of God) to bring forth God's total resurrection power and the breath of God upon the sons of God  
I call forth the mighty power of God on earth as it is in heaven

"I call forth the voice of God and His frequency to resonate on the sons of God to establish and bring to pass their spiritual life's calling."

Son, a heart attitude of love towards all who are negative towards you, and towards the restoration of all things, is absolutely vital during this time of transition between justice and grace.

The atmosphere will be charged, and many things will be said that are hurtful; but keep your heart right and allow Me to deal with the situations.

Keep reaching out in love with the hand of peace and reconciliation and do not respond in retaliation. Trust Me, and the truth will come into the light.

Love's light will prevail over and expose the darkness in the hearts of men; and those presently influenced by knowledge and charisma will see that character is the hallmark of sonship, not giftedness.

As the seasons change, so will maturity, until love is all in all; then creation will become truly free from its groaning and be restored by the light of true sonship.  
India will need wisdom to find the balance between challenge and offence.

Let Me deal with accusations; and keep love's light shining brightly as you open a continent to heavenly revelation.

Son, point out the dangers but be honouring to those who have gone before by keeping your heart right.

Son, be yourself and share always from the experiences you have which have placed love in your heart. The institutional church and the world need love. Every child of God needs love, so focus on love's light shining.

Sons arising and shining love's light will be key in the season of grace that is coming.

I saw the east gate being opened and the winds of change order of angels releasing the 4 winds of heaven.

There were 4 rivers, each with the waters backed up from those resisting the flow of lovingkindness, *chesed*, covenant love.

I saw the gate being opened and the wind blowing with increased force causing the rivers to flow into the 4 corners of the earth, the cosmos.

## VISION DESTINY 2020 11

Each river brought greater grace and manifold grace to the world.

The first river flowed out with grace, empowering love's light to reach those who have left church, those with shipwrecked faith, those disillusioned by religion, those deceived by lesser gospels.

The next river was flowing with grace upon grace; to empower the sons of God still within the old covenant system to see the light of truth; to come out of the wilderness and cross over into their inheritance beyond the veil.

The next river was flowing with manifold grace, to those sons operating in the soul realm of the heavenlies; to mature in sonship governmentally and be seated to govern the house and have charge of the courts.

The fourth river with grace upon grace flowed out to the world, to engage those whose minds have been darkened by religion so that they cannot see the reality of who God truly is as a loving Father

The 4 winds blow the 4 rivers to reach the leavers, the remainers, the beyonders and the never seeners. The season of grace is coming out of justice so that mercy will fully triumph over judgment.

The harvest of harvesters will be the result of greater grace and grace upon grace  
Son, the scales of darkness and deception can be overcome and removed from all things and My desire is that all things will be restored.

Love has conquered and overcome all obstacles to restoration through the fullest expression of Our love within eternity converging with time at the cross.

The resurrection has defeated death and its power through sin in all its forms as the Lamb that was slain has taken away the sin of creation.  
The power of spiritual death and separation has been broken and reconciliation is universal.

The increase in the knowledge of the restoration of all things amongst sons who have experienced the reality of love will accelerate restoration dimensionally.

Live loved  
Love living  
Live loving
