

VISION DESTINY

2021

3

Vision Destiny 2021

- I am going to review some of the things that were key in 2020 so far
- I will share my journals; that will include:
 - What God said in 2020 so far
 - What God did in 2020 so far
 - What does that mean for 2021?

Vision Destiny 2021

- 23 January 2020
- Son, the relationship and the government are of equal importance but the relationship must come first before government can be effective.
- Without vision there is no direction; without love there is no foundation; and without government there is no authority to implement.

Vision Destiny 2021

- Isaiah 61 is the DNA of the Freedom blueprint that reveals identity, intimacy, destiny and purpose in sonship.
- Son, it is still your responsibility to establish government but it will become others' to work it out.

Vision Destiny 2021

- Embrace the fresh vision for what you do but do not forget the spiritual foundation on which it will be built.
- Face to face intimacy reveals identity in sonship; destiny reveals purpose in sonship.
- Sons must know their position of rest and responsibility in heaven and on earth

Vision Destiny 2021

- 27 January 2020
- Son, I am the living word of God: all who claim the Bible is the word are trapped into leaning to their own understanding of it.
- So many are trying to hear Our voice through interpreting a book when face to face relationship is their inheritance.

Vision Destiny 2021

- Any form of mediation puts a barrier between Our children and Us and separates them from true intimacy.
- I am the only mediator and I and the Father are one so there is no separation. The Father can only be accessed through Me.

Vision Destiny 2021

- All religion is mediatorial by design and it forces conditions on relationship that will keep us apart even though it says the opposite.
- Religion creates a performance-oriented life that is a trap that enslaves and deceives.

Vision Destiny 2021

- Do not get trapped into going back to the need for doctrinal agreement to be in relationship: it is the heart and love that matters.
- Relationship is a heart issue; do not let unity become about intellectually-based doctrines.

Vision Destiny 2021

- It is by knowing Our heart that unity in diversity is possible
- Unity based on agreement of doctrine restricts relationship to only being with those who believe and think what they do.
- Son, come into the circle of the dance of our unity and feel Our heart and mind; hear the conversation.

Vision Destiny 2021

- We are three yet one in I am. When everyone realises that they are all included in Us and We are in all of them, without exception, then separation is a ridiculous concept which is the core of the DIY tree deception, where knowledge is king, not love and heart.

Vision Destiny 2021

- Feel Our desire for the restoration of all things and it becomes the only outcome possible when love is who We are.
- The Oracles reflect how We feel about each other and creation and We are moved by heart, not logic as man knows it.

Vision Destiny 2021

- Love is truly logical as We are love
- We can be nothing but love and do nothing that is not based in the essence of unconditioned love.
- Logic from love's perspective is the restoration of all things.
- Using the Bible as the framework for unity only divides and separates by belief rather than unites by heart.

Vision Destiny 2021

- Those who deny the restoration of all things are basing their reasoning on their interpretation of the Bible and are denying Our heart.
- Feel the love that is who We are and restoration becomes both logical and inevitable.

Vision Destiny 2021

- 28 January 2020
- Son, there are many levels of ascensions and there are counterfeits for those levels that oppose the maturity of Our Sons. Beware, and seek for the mandates necessary to deal with those in your mountain spheres.

Vision Destiny 2021

- There are seasons coming where higher levels of revelation and encounters are going to be released.
- I am calling for the sons of God to arise and champion these seasons as benches of three and identify the counterfeit spiritual benches and restore them.

Vision Destiny 2021

- It is time for you to focus on the fear trio who are opposing bringing immortality to light, by engaging them with love's light consistently.
- I began to engage those fallen beings with respect and love but it was a process and I needed a strategy.

Vision Destiny 2021

- I engaged the Ambassadors for the Ages and called for the precepts, statutes and laws relating to immortality to be aligned.
- I call for the 12 High Chancellors' Houses to come into alignment with the Ambassadors of the Ages.

Vision Destiny 2021

- I call for the ordinances of heaven to be mobilised.
- I call for the mantles and weapons houses to be made ready and scrolls to be prepared for the commissioning of the sons who are ready to arise and take their places.

Vision Destiny 2021

- I call for those resonating with the restoration of all things to embrace the immortality message and champion its cause.
- I call for those resonating with the immortality message to embrace the restoration of all things precepts and champion its cause.

Vision Destiny 2021

- I call for the release of the season of the Oracles of the Father's heart to motivate the sons of God to action, greater grace and grace upon grace
- I call for the removal of all limitations and restrictions on grace.
- I call for limitless grace to be revealed in all its lavish abundance.

Vision Destiny 2021

- I went into the cosmos to engage the cosmic trio. I transformed my being into light and began to radiate love's light with passion.
- I released the frequencies of sonship and the Oracles of the Father's heart as wave after wave of love's essence.

Vision Destiny 2021

- I called the trio, who came, but I sensed they were hesitant.
- They came bringing a menacing atmosphere of fear which I laughed at.
- “We have been warned about you,” they said “and we are assigned the task to stop you.”

Vision Destiny 2021

- I laughed again, which lifted the atmosphere, and I said “I forgive you and the Father forgives you. You cannot intimidate my love with your fear, so I release perfect love on you.

Vision Destiny 2021

- I was just about to overshadow them with my spirit in love's light when two of them withdrew.
- I was left facing fear of intimacy, who was transfixed, so I overshadowed it with love.

Vision Destiny 2021

- I called forth its destiny and I decreed its restoration as I overwhelmed it with the frequency of the Oracles.
- Layers and layers of darkness began to lift, so I embraced it and released the intense joy of the Father's heart that the Father felt towards it.

Vision Destiny 2021

- The light burst forth and I felt its pain go and its passion for intimacy return.
- I felt the heavens rejoice and a celebration explode amongst the angelic realm.
- I commissioned it to take the message of restored intimacy into the cosmos and gave it a final embrace.

Vision Destiny 2021

- I call for greater grace to bring forth a new season of intimacy and trust that will inspire the truth of immortality and restoration to increase.

Vision Destiny 2021

- 29 January 2020
- Son, there is nothing to fear, wherever I call you to go; just be yourself and let heaven flow through you.
- In the ROAT conference in Colorado Springs, don't hold back; so you can create an expectation for all things towards creation and the dimensions.

Vision Destiny 2021

- Son, begin to legislate for grace and greater grace to become grace upon grace from the fullness of manifold grace.
- Align the 12 Houses with the oracles for the change of seasons as there will need to be limitless grace to see full restoration.

Vision Destiny 2021

- All things of creation are the same all things that I gave into the hands of Jesus and they are the same all things that are still safe in My hands as a Father.
- My love will never give up, never fail, nor ever relent until all things are restored back to original position in relationship.

Vision Destiny 2021

- Son, this is predestined as this is Our will and Our desire and has always been Our intention.
- This is Our heart and can no more change than We can cease to be love within I am.
- Love wins and overcomes because love has already won.

Vision Destiny 2021

- Love won from before there even was a beginning, before any foundations were even conceived.
- Son, restoration is as inevitable as We are and love is, it is totally secure; but all Our children still have a part to play, as all are included within it.

Vision Destiny 2021

- I gave you the four golden keys: this is the time to use them to unlock the streams and legislate for unity.
- I gave the keys to the four angels of transition and assigned them to the four streams.

Vision Destiny 2021

- Transformation to engage the energy healing
- Sound of Many Waters to engage the eschatologists
- Winds of Change to engage the universalists
- Refiners' Fire to engage the mystics.

Vision Destiny 2021

- The mystics have allowed their own limited understanding of doctrine and theology to restrict them because they have not focused on the mysteries to discover the truth but on their preconditioned biblical confirmationally-biased beliefs.

Vision Destiny 2021

- The mystics have stepped outside of their mandates, thinking they can be theologians.
- Whenever someone steps outside of their mandated spheres of authority they will either fall or become deceived.

Vision Destiny 2021

- Son, keep your heart right and stay within your mandated destiny and you will not fall or be deceived.
- You will be safe to explore beyond beyond when you stay in the place of rest within Our loving circle of the dance.

Vision Destiny 2021

- 30 January 2020
- Son, it is good that you have come here to rest in My grace, so cast all your concerns and burdens onto Me.
- Father, I cast all my cares about family, work, destiny and Freedom onto you and I totally and completely trust in Your love, grace, and mercy.
- I rest in Your grace and thank you for being I am.

Vision Destiny 2021

- Son, there is so much more to I am than you can presently know or experience; but increase is coming as you learn to really rest and live loved, love living and live loving.
- Son, come to My garden, which is another place where you have found rest.

Vision Destiny 2021

- We walked slowly in peace and tranquillity to the pool where the waterfalls meet.
- This time ,as I looked, everything was totally silent even though the water was cascading down; and the surface of the water was like a mirror.

Vision Destiny 2021

- I was confused for a moment but I just accepted and my mind rested without any contradiction.
- Just as I am, so this is; and you can learn to choose any reality that is rest in any circumstance, as there is no limit to grace.

Vision Destiny 2021

- Son, your choices are from what is possible to your thinking but it is time to go beyond beyond again, to see all the possibilities, not just those things that are probable.
- You can see and choose from all the possibilities revealed by your expanded consciousness.

Vision Destiny 2021

- Son, stop and rest before you choose the reality you want.
- Remember, knowledge is from the heart not the mind, so always draw on cardiognosis when faced with a choice.

Vision Destiny 2021

- 4 February 2020
- Son, the Merkabah has multiple levels of revelation and application to it that will open up with the maturity of sonship.
- The first level for most people is as the chariot of Ezekiel 1 which moves their throne of their soul dimensionally.

Vision Destiny 2021

- The application of energy linked with the gateways that some call chakras is another level; and entering through the gateways as portals, another level.
- The connection to the governmental positions within the tree of life and Metatron's cube in light is another.

Vision Destiny 2021

- Using limitless grace energy to create and choose reality by drawing from the unified quantum field is not a common revelation today but it will become so with expanded consciousness.

Vision Destiny 2021

- Son, the activation of your energy gates and fields by intention is the first step to using the ability to generate and direct thought energy as a frequency.
- Son, look deeper into the sacred geometric images and use this knowledge to increase your thought energy creative ability.

Vision Destiny 2021

- The unified quantum field can be the connection between your consciousness and creation through the Elementals that are connected to the living light strings of Our grace.

Vision Destiny 2021

- 5 February 2020
- Son, engage the Elementals through the Merkabah by your consciousness, not by physical location, so you can connect to all dimensional realities to restore hope.

Vision Destiny 2021

- Son, the Merkabah can be the connection to dimensions but also has the ability to broadcast intentional thought energy to the towers you have seen.
- Son, use this ability to send love letters and messages of hope and freedom dimensionally.

Vision Destiny 2021

- Creation does not distinguish between the frequency of sound produced by your voice, a bowl or your mind as you think the sound.
- All frequency-generating methods have the same effect at a quantum level, where photonic strings of grace will respond to your sonship mandate.

Vision Destiny 2021

- Son, this is the function of an Oracle and Legislator when they are resonating with Our Oracles at a heart motivation level.
- The hearts of Our sons produces pentatonic energy fields by design to generate the Oracles' frequencies to connect with creation.

Vision Destiny 2021

- That is why the pure of heart can see beyond and why life flows from the heart.
- The mouth speaks from that which is generated by the heart as the energy of thought that chooses reality.

Vision Destiny 2021

- Son, this ability to choose and create reality has been restricted to the unconscious and subconscious mind but lost to the conscious mind.
- A heart motivated by the selfishness of the DIY tree path will only create more chaos if it accesses these abilities.

Vision Destiny 2021

- A pure, undivided heart, resonating with love's oracles, is the only way to bring about restoration at a creational and dimensional level.
- Son, guard the heart and focus on developing the pentatonic frequencies and energy fields around your being and spheres.

Vision Destiny 2021

- Son, engage the Elementals in relation to climate change (global warming, as it is being called).
- The cycle accelerates through fear and man's solutions will only cause more groaning as they are motivated by fear.

Vision Destiny 2021

- This is just a cycle that has repeated itself many times but it is being used to create a fear-based environment that will cause creation to groan in line with the children of God's fear.
- I engaged the Elementals and listened to them share.

Vision Destiny 2021

- Son of God, legislate for us that there would be rest. We need greater grace, not fear, to bring balance to ease the groaning.
- We need the sons of God to arise, take their places and direct us to bring order and balance to creation.

Vision Destiny 2021

- The cosmos is looking to the earth for the sons to bring the earth back to its rightful place at the centre of cosmological affairs.
- What do I need to do?

Vision Destiny 2021

- Release the message of hope from the rest of love, joy and peace: that the Kingdom of God, through the government of God's sons, is increasing, bringing creation peace.
- I call for the planetary Elementals to hear the sons of God and to work together for the restoration of all things.

Vision Destiny 2021

- I call for the rising of the sons of God above fear to be seated in their governmental positions of rest.
- I call for creation to respond to love, joy and peace of sonship rest.
- I call for the oracles of God to arise to resonate and release the frequencies of the pentatonic oracles of the Father's heart.

Vision Destiny 2021

- I call for the frequencies of passion, burning desire, intense joy, deep compassion and overwhelming love to engage with the Elementals to create the hope of restoration trust that will restore peace to the whole earth.

Vision Destiny 2021

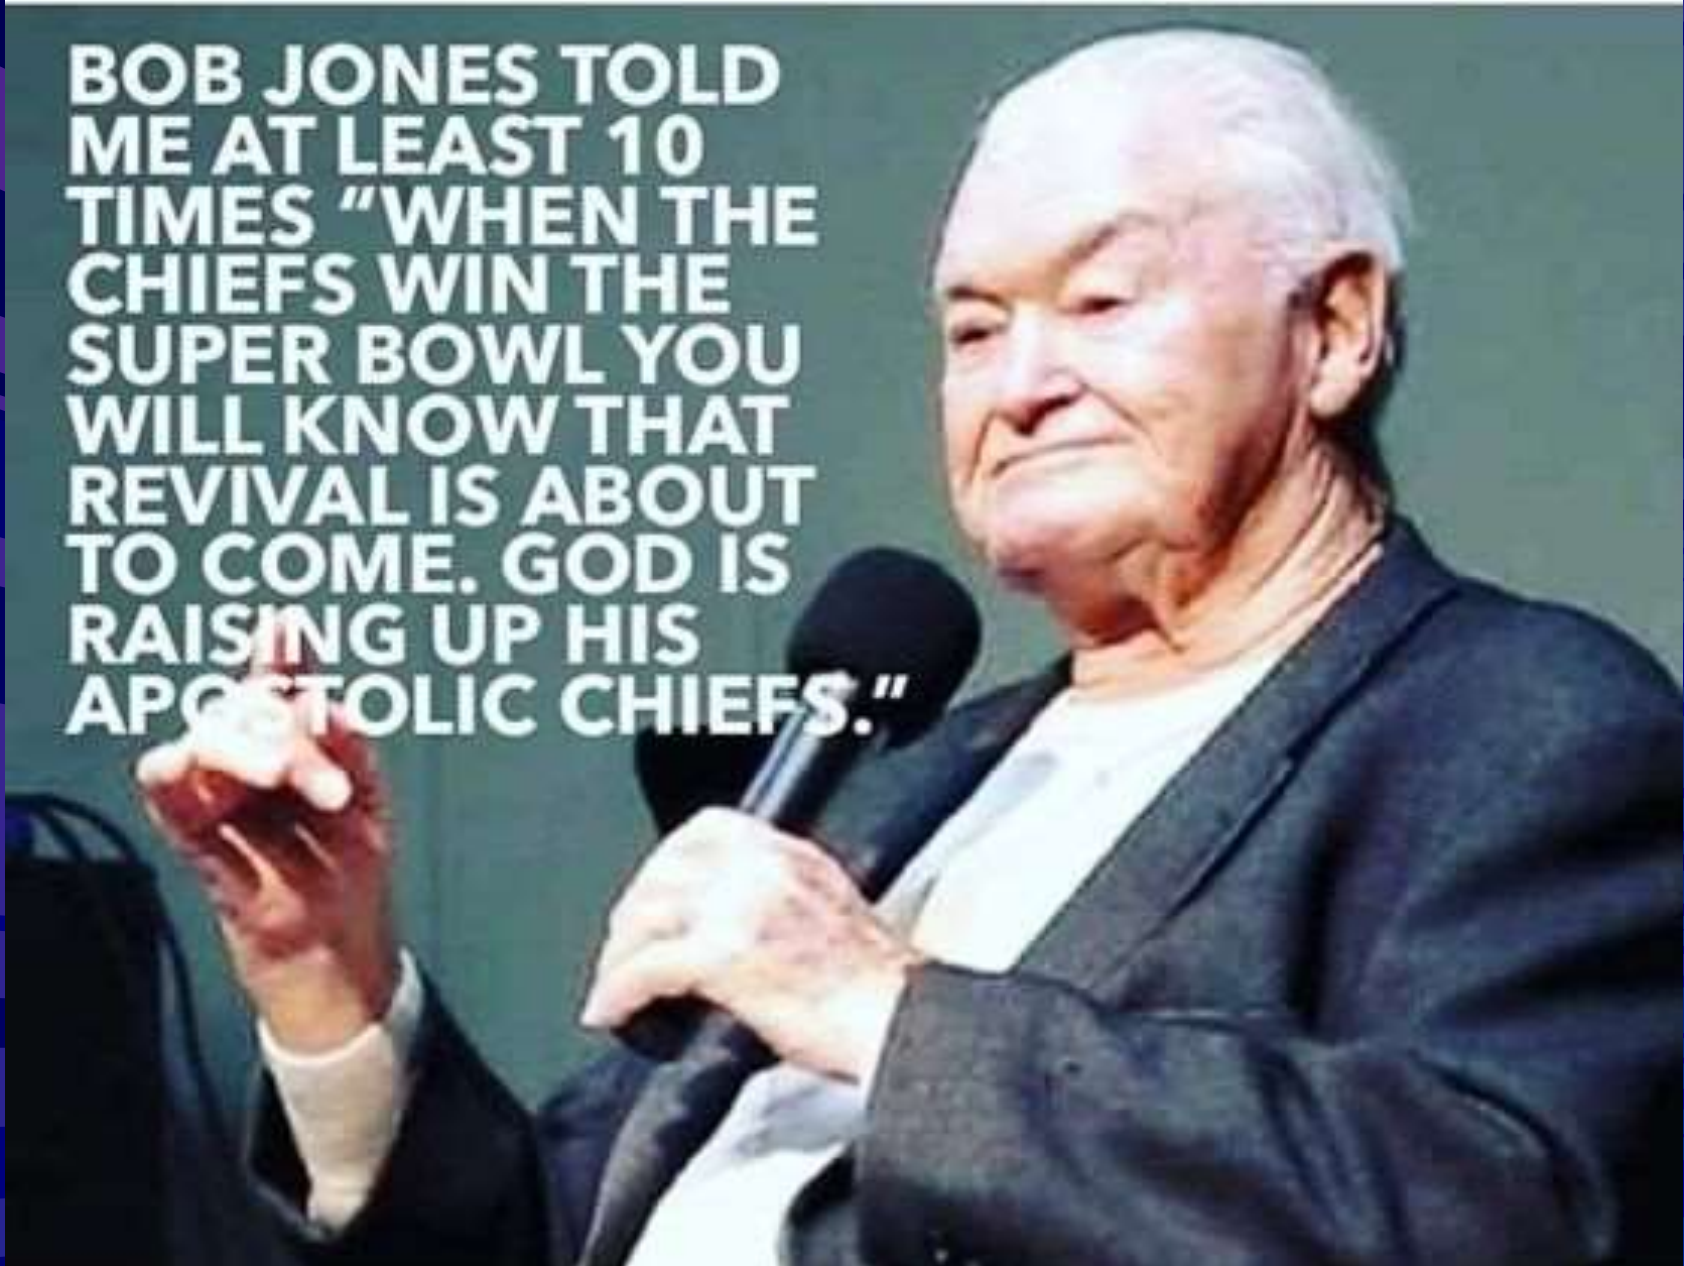

- I call for grace upon grace to be released for limitless love, joy and peace to restore rest, harmony and balance through sonship.
- I call to the Elementals to respond to the frequency of sonship globally to restore oneness between the sons and creation.
- I call for the manifold grace of God to be limitless so that perfect love will cast out all fear around climate change issues.

Vision Destiny 2021

- February 6th 2020
- I was hearing a lot online being said about Bob Jones' prophecies and revival etc. I thought it would be good to go and ask him about them.

Vision Destiny 2021

BOB JONES TOLD ME AT LEAST 10 TIMES "WHEN THE CHIEFS WIN THE SUPER BOWL YOU WILL KNOW THAT REVIVAL IS ABOUT TO COME. GOD IS RAISING UP HIS APOSTOLIC CHIEFS."

Vision Destiny 2021

- Bob Jones prophesied that when the Kansas City Chiefs won the Super Bowl, revival would begin!
- What is the definition of revival to everyone here?
- An awakening, a renewal, a move of the Spirit, repeat of the past?

Vision Destiny 2021

- We all have our expectations when we hear the word 'revival'; but what did this mean and what does it mean today?
- Who was this referring to?
- What or who are the apostolic chiefs?

Vision Destiny 2021

- Revival is a mixed drink at Joel's Bar where His Spirit is poured out on all flesh and includes inebriating amounts of love, peace, joy, holiness, humility, sincerity and wisdom... But mostly Lovejoy... *Burp

Vision Destiny 2021

- I went into the Court of the Upright to meet Bob because I thought it would be good to ask Bob for his view:
- Hi sonny, I brought so much confusion because I only prophesied in part. I wish I could have been clearer but I had my own filters and understanding which has now been transformed.

Vision Destiny 2021

- It is such a shame that people are still looking to what I said years ago rather than listening to what Papa is saying to them directly today.
- I am overjoyed that there are so many people visiting the heavens today but there are not many that are dwelling here as is intended.

Vision Destiny 2021

- Encourage people to seek for their own face to face relationship with Papa because they don't need the middle man. I should have been more open and more empowering of others.
- So much is open to personal understanding framed by religion if you are trying to hear Papa through a prophet.

Vision Destiny 2021

- Now I see just how much religion I still had that affected my own understanding and interpretation.
- Direct access, sonny, that's the ticket that you all have: don't waste it, use it.

Vision Destiny 2021

- I thought I would also ask God about it and see what He had to say about it.
- Son, I have been raising up sons who will be serving from positions of rest within the order of Melchizedek as legislators.

Vision Destiny 2021

- The characteristics that those sons will have are gentle and humble hearts, those who know their identity and are seated in their positions but do not have to prove it to men or God.

Vision Destiny 2021

- These are the nameless, faceless ones, content that no one knows their names but fully confident and active to legislate from the oracles of Our heart.
- Revival will not be the event many are looking for but will be an increase in Kingdom government from the Joshua generation who are at rest.

Vision Destiny 2021

- Son, the focus is still the same: raising up sons to function at rest as Kings and Priests in heaven and Oracles and Legislators on the earth.
- Love will be the hallmark of My sons, not power as some presume.
- Love is the characteristic of grace for the next season, not power.

Vision Destiny 2021

- Manifestations of greater grace, lavish and overflowing, totally outrageous from religion's perspectives, that will overwhelm every obstacle and hindrance to knowing the true reality of who We are.

Vision Destiny 2021

- My sons living at rest will minister grace beyond measure, limitless and abundant, to those who are totally undeserving from religion's perspectives.
- Grace is not hyper, mega or ultra: it is limitless and unconditionally free for all of creation.

Vision Destiny 2021

- Those living at rest who carry the oracles of Our heart will serve and totally redefine what it is to lead and be a chief.
- Being a chief will be a title only for those who are gentle and humble at heart, those who have humbled themselves under Our mighty hand will be given it.

Vision Destiny 2021

- They will support, empower and encourage others to find and fulfil their destinies by legislating from beneath, mostly unseen and unknown.
- The mediatorial hierarchical coverings attributed to the leaders of the old order are being removed within Our Kingdom even though this will not always be visible or obvious from men's perspectives.

Vision Destiny 2021

- Many of the old order will fight to maintain their positions of power using demonstrations of gifts but it is just a facade.
- They do not have Our authority or represent Us any longer and their lack of grace and love will become obvious to those seeking true love.

Vision Destiny 2021

- Talk of revival often creates expectations of what that means
- Let's be revived: that is, being fully restored back to the Father's original intention for us, expressed in the vast sum of thoughts He has about us.

Vision Destiny 2021

- Our birthright is immortality as mankind was created immortal
- Sin ushered in mortality
- Jesus came to restore life
- Therefore in His death we have immortality restored
- When we die with Him, we are raised with Him back to immortality.

Vision Destiny 2021

- 2 Tim 1:9-10 ... according to the power of God, who has saved us and called us with a holy calling, not according to our works, but according to His own purpose and grace which was given to us in Christ Jesus before time began, but has now been revealed by the appearing of our Saviour Jesus Christ, who has abolished death and brought life and immortality to light through the gospel

Restoration of All Things 2

- Immortality has been a major issue of conflict, contention and intimidation in the spiritual realms over the past few years
- There is some high-level opposition to the reality of our inheritance as being immortality

Vision Destiny 2021

- Son, make sure you don't fall into the same trap with your Vision Destiny series: do not spin it, just use it to encourage others to have their own experiences with me.
- Son, rest in all that you do, joyfully serving from that place within I am that all have waiting for them to discover.

Vision Destiny 2021

- Encourage Our children to seek that place of rest within us within them, so they can mature in sonship and enjoy life.
- Your experience of love, joy and peace in rest can spill over and be infectious to others by just being yourself; never get tempted to be like anyone else.

Vision Destiny 2021

- Son, you have traits others would like to change but We made you that way. But We see traits that others may not see, that We are at work in you to transform.
- Son, bless those who bless you and bless those who curse you; treat everyone the same, as We do. That is love in action: it must be unconditional or it is not true love.

Vision Destiny 2021

- Religion has twisted love to be conditional on behaviour that is denominated but face to face relationship will bring true clarity as it deconstructs the false icons and idols Our children are trying to serve out of fear, duty or obligation.

Vision Destiny 2021

- Son, a season where limitless grace is poured out until it overflows is being prepared: legislate for its arrival.
- I call for the season of limitless grace to begin.

Vision Destiny 2021

- I call for the hearts and minds of all God's children to be prepared for the cognitive dissonance they will experience as a result.
- I call for the messengers and carriers of limitless grace to have their forerunner experiences in preparation.

Vision Destiny 2021

- I call for greater grace to become grace upon grace so that manifold grace can be truly unlimited, unrestricted and lavishly overflowing.
- I call for limitless grace to be deluged upon those who religion declares the most undeserving.

Vision Destiny 2021

- I call for scandalous, outrageous, limitless grace, that will challenge even the most religious mindsets, to flow like a mighty river.

Vision Destiny 2021

- I am that I am and I am is love
- I am love and love is I am
- Love is who I am and love is the motive of every desire, thought and action.
- I am that I am and I change not. I have always been and always will be love as love is an eternal constant.

Vision Destiny 2021

- Live loved
- Love living
- Live loving
- Rest
