

VISION DESTINY 2020 2

I am going to review some of the things that were key in 2019

I will share my journals that will include:

What God said in 2019

What God did in 2019

What does that mean for 2020?

What heavenly season are we in now?

What has God said for 2020?

What does God want us to do in 2020?

Where does God want us to go in 2020?

Please don't believe anything I say just because I say it

If you resonate with anything I say in your spirit or if you object strongly to anything I share, take it back to God and openly ask Him to give you direct revelation

I can only share information about my revelation that has come through my personal encounters and experience

Only by engaging God yourselves can you have revelation, not information

We all need to know the truth

Some of the major themes during 2019

The restoration of all things

The oracles of the Father's heart

Love's light

Happy eschatology

Joshua generation arising in sonship

I was standing in the 4 faces, in the name of God, in the holy of holies, looking through the eyes of the Ox face

Wisdom stood in front of me and said "Let me show you the oracles of the Father's heart"

We are to be oracles and legislators

What is an Oracle and what are oracles?

An Oracle was someone who offered advice or a prophecy thought to have come directly from a divine source

Prophesier, prophet, seer

A person or thing regarded as an infallible authority on something

The oracles of God are the weight of His glory expressed in words we can connect to and carry the weight of

Massa Hebrew a load, burden

The Oracle carries the weight of the word reflecting the heart of the Father

Oracles are the weight or intensity of the word of the Father's heart that we engage in cardiognosis

Oracles Greek *logion* - divine reponse or utterances

A divine declaration; a statement originating from God.

The revelation of the heart of God expressed with meaning, feeling and weight

I felt 5 intense truths that revealed the Father's heart towards all His children and all of creation

These feelings were the depths of truth expressed as the emotions that stirred and motivated my very being

VISION DESTINY 2020 2

These are the oracles I felt as Wisdom unveiled them to me

- Passion
- Burning desire
- Intense joy
- Deep compassion
- Overwhelming love

Passion of the Father's heart for all His children and all creation

Burning desire of the Father's heart for all His children and all creation

Intense joy of the Father's heart towards all His children and all creation

Deep compassion of the Father's heart for all His children and all creation

Overwhelming love of the Father's heart for all His children and all creation

We must experience the depth and the weight of these oracles so that we can reflect them to the world

Wisdom said "Let these oracles of the Father's heart motivate, inspire and empower you to act in LOVE."

God loves all of His children with an intensity that few have fully experienced but all eventually will, one way or another

God directs them towards us

The passion of unconditional love is pure and will never stop in its pursuit of intimacy in a restored relationship of face to face innocence with us

Eph 1:4 just as He chose us in Him before the foundation of the world, that we would be holy and blameless before Him. In love

Eph 1:4 (Mirror Bible) He associated us in Christ before the fall of the world! Jesus is God's mind made up about us! He always knew in his love that he would present us again face-to-face before him in blameless innocence

The burning desire of unconditional love is so intense that it will be like a consuming fire that will refine and purify and consume all obstacles, hindrances, mind-sets, beliefs, strongholds and religious deceptions to reveal true love.

The intense joy of the unconditional love the Father has for His children expresses the pure pride He feels for each unique individual, demonstrating how special and how wonderfully made each one is.

The joy that the Father feels is revealed in the vast sum of His thoughts towards each of us, as we are each the apple of the Father's eye and the treasure of His heart.

Each child is precious, appreciated and so valued that the only price that could be paid in exchange for us is His own life.

His intense joy reveals the infinite worth of each individual child, far beyond any earthly measure.

Heb 12:2 fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame

The deep compassion of unconditional love reveals the lengths and depths and heights that the Father will go to redeem, reconcile and restore each and every child back to face to face innocence.

VISION DESTINY 2020 2

It reveals how far Jesus was willing to go to bring each child to wholeness, oneness and health by taking on the brokenness of our lost identity; physically, mentally and emotionally, in His own body on the cross, taking our death to give us resurrection life

Identifying fully with our lostness, brokenness, pain, anguish, fragmentation, separation, isolation, rejection, guilt, shame, condemnation and prejudice by representing us and becoming us and going into death and Sheol for us

The overwhelming nature of unconditional love that will overcome and conquer everything that stands in the way of redemption, reconciliation and restoration for each of God's children; even death itself is swallowed up in resurrection victory.

The Father's mercy triumphs over the judgment of the DIY law-based system that demands vengeance and retribution with lavish and abundant grace; inspired by the overwhelming, all-conquering power of His love for each of us

Son, My overwhelming love will conquer all things as it will not fail and will never give up. My overwhelming love is stronger than death, is more jealous than the grave, and nothing can quench its fierce passion and burning desire for a restored relationship of face to face innocence.

My love for each of My children cannot fail and cannot ever stop anymore than I can cease to be I am. Love is the atmosphere of glory, the frequency of heaven and the timeless now within the circle of the dance.

There can be no end to love; it is eternal and infinite and is expanding throughout creation with My kingdom government and peace. My love has no beginning and no end and is the alpha and omega, the aleph and tav, the living word and truth

Love is the fullest expression and intrinsic essence of I am that I am. So learn to just be loved, living in the rest of love, joy and peace
1 Cor 13:2 (Mirror Bible) ...Love is who you are! You are not defined by your gift or deeds. (Love gives context to faith. Moving mountains is not the point, love is.)

1 Cor 13:3-7 (Mirror Bible) Love is not about defending a point of view; even if I am prepared to give away everything I have and die a martyr's death; love does not have to prove itself by acts of supreme devotion or self sacrifice! 4 Love is large in being passionate about life and relentlessly patient in bearing the offenses and injuries of others with kindness. Love is completely content and strives for nothing. Love has no desire to make others feel inferior and has no need to sing its own praises. 5 Love is predictable and does not behave out of character. Love is not ambitious. Love is not spiteful and gets no mileage out of another's mistakes. 6 Love sees no joy in injustice. Love's delight is in everything that truth celebrates. 7 Love is a fortress where everyone feels protected rather than exposed! Love's persuasion is persistent! Love believes. Love never loses hope and always remains constant in contradiction

The Greek word for the love of God is *agape* from the word, *agoo*, meaning to lead like a shepherd guides his sheep, and *pao*, meaning to rest, i.e. "He leads me beside still waters."
Ps 23 (Mirror Bible) By the waters of reflection my soul remembers who I am. God's rest is established upon His image and likeness redeemed in us.

VISION DESTINY 2020 2

1 Cor 13:13 (Mirror Bible) Now persuasion and every pleasurable expectation is completed in agape. Faith, hope and love are in seamless union. Agape is the superlative of everything faith and hope always knew to be true about me! Love defines my eternal moment!

Son, come and walk with Me.

We went to the Court of the Upright and as we stood before the galleries of the cloud of witnesses Jacob came forward and grasped my hand. Immediately there was a burst of energy and enlightenment.

The Samaritan women of Jacob's well came forward and grasped my hand and I immediately felt her pain and the Father's passion for her inclusion, acceptance and restoration to relationship and intimacy.

The immensity of the Father's heart overwhelmed me with a deep desire for all who are stigmatised and excluded because of lifestyle to be included, accepted and welcomed to belong.

I understood why passion for people and wrath against the restrictions blocking people are the same word

Then John came forward and held my hand and another charge of energy blasted me with the deep truth of heart to heart fellowship, deep intimacy and the passion that he felt from Jesus that transformed a fisherman into a fisher of men

The burning desire he felt from Jesus for intimacy and relationship that transcended the barriers of the old covenant image of God to reveal the deepest desire for the restored face to face relationship in innocence.

Heart to heart, mind to mind, face to face; where Jesus' passion and burning desire for intimacy and true connection just burst into my being from one who knows first-hand the depths to which Jesus was prepared to go.

The image of Jesus knocking on the door within all who are made alive in Christ, and the burning desire that all would open that door, just exploded in my mind and in my heart.

Then the woman who anointed Jesus with tears and perfume stepped forward and held my hand in her hands and the light of truth burst forth with the intense joy that she felt from Jesus' love for her and His intense joy of her response to His love for her.

I sensed her deep shame, the feelings she felt as one who was an outcast in society; shamed because of her sin and deeply embarrassed by the way the religious system had stigmatised her for her lifestyle.

Then the intensity of the joy Jesus felt as He welcomed her into the closest of relationships and how proud He was when she poured the perfume over His head and feet.

I felt His joy become her joy as He overwhelmed her with His deepest emotions, the intensity of His pride and joy as she was welcomed into His closest circle of friends.

His feelings of intense joy that so contradicted the callous, dismissive attitude of society that had marginalised and stigmatised, causing her to be excluded and ostracised.

The deep intensity of joy that empowered Jesus to leave the 99 and pursue the one lost sheep. That one sheep, lost, lonely, an outsider, inspired such passion, burning desire and intense joy that Jesus was willing to go into the depths of Sheol to seek, find and rescue from perishing in lost identity; and restore them to the fold.

VISION DESTINY 2020 2

The leprous man who returned to thank Jesus for his healing came and grasped my hand and the deep compassion that he felt from Jesus representing the Father's heart moved me.

The depth of the Father's desire for healing, health and wholeness consumed me with passion, burning desire, intense joy and deep compassion when I felt the pain and fear of brokenness and fragmentation.

The depth of the Father's compassion for the brokenness and lost identity of all His children is so immense that the Father in Jesus took all of mankind's brokenness into Himself so that all His children could be restored to innocence and wholeness, redeemed from the curse of DIY evil.

Lazarus came and grasped my hand and I immediately felt the overwhelming love that caused Jesus to weep at his loss in the deception of death's grip.

I felt Jesus' love for Mary and Martha and all who grieve and are sorrowful over the loss of a loved one in the illusion of separation of death.

I felt His overwhelming love for all His children that motivated Him to carry our griefs and sorrows to the cross.

Then the power and victory of the cross captured and captivated my heart and mind as it encapsulated the oracles of God's heart.

The celebration of life that busts forth from the overcoming of death; the power of love that is stronger than death; and the joy of resurrection life that conquered death and the grave brings the realisation of the power of the oracles of God

Heaven's celebration when the keys of death and Hades are restored back to their rightful owner was, and is, intense and is filled with the joyful sound of Jubilee.

The triumphant procession of freedom as all the chains are broken and all the powers of darkness are brought into the glorious light of love.

The fullest expression of the oracles of God's heart is the verdict of the cross: that redeemed and restored innocence in full reconciliation with the cry "not guilty – innocent!"

Mercy had triumphed over judgment and the grace of justice is released in the power of the good news.

Arise, shine, the light of love's power has come and the glory of God's oracles is to radiate from us as the light of transfigured sons is revealed from heaven into the earth.

The sound of heaven's joy and glorious harmony resounding to resonate on the earth is amplified through the intensity of the oracles of God's heart.

Son, I am not a God of balance but of extremes. Do not try to bring balance in what you do.

I can come like the gentle breeze in total and absolute peace; and I can come like a tornado of mighty power. Don't try to balance these extremes. Embrace them and allow Me to be Me whenever you gather.

I am sometimes a gentle stream of quiet waters, refreshing with peace and love; but I am also a raging, passionate torrent, sweeping all before Me with extreme force.

Don't try to balance My presence; just facilitate My presence and allow Me to be Me.

I am the warming, comforting fire on a cold night; and the raging, passionate fire; purifying and refining everything in its path.

Don't try to cage Me, contain Me or limit Me; but embrace the extremes of love and peace and the excesses of joy.

VISION DESTINY 2020 2

Son, encouraging everyone to engage Me for themselves in rest is good but allowing Me to come and minister to them in power is also good.

Heaven is open, so God often comes here when we gather as well as us going to heaven

Son, heaven is open and I invite all My children to come up here and be with Me face to face; but don't forget, I desire also to come down through that open heaven to meet with you face to face in the physical realm.

I am the God of extremes and excess; lavish, abundant, overflowing in grace and mercy.

I am awesome in almighty power; untameable, uncontrollable, unlimited.

I am that I am, so do not let your mind limit Me to your own understanding but be ready for the unexpected and the surprising, with no limitations of what is possible with Me.

Remember, I am in the still, small voice and the mighty rushing wind; therefore I am gentle and humble in heart but also passionate and wrathful in defence of My children.

Son, don't try to tame Me as My love is excessive, burning with intense desire, passionate and extreme, overwhelming and effulgent.

I am a consuming fire, passionately expressing My love; there are no depths, heights or widths that I not willing to go to remove every obstacle, barrier and defence against My love.

Son, nothing can separate My children from My love and presence. I am love and I will not be denied.

Rom 8:35 (Mirror Bible) What will it take to distance us from the love of Christ? You name any potential calamity: intense pressure of the worst possible kind, cluster-phobia, persecution, destitution, loneliness, extreme exposure, life-threatening danger, or war?

Rom 8:37 (Mirror Bible) ... His love has placed us above the reach of any onslaught. 38 This is my conviction; no threat whether it be in death or life; be it angelic beings, demon powers or political principalities, nothing known to us at this time, or even in the unknown future; 39 no dimension of any calculation in time or space, nor any device yet to be invented, has what it takes to separate us from the love of God demonstrated in Christ. Jesus is our ultimate authority.

Son, set and reset the desires of your heart. Refocus on the key foundation: that is rest.

Bring everything into rest, focusing on love, joy and peace to restore passion, desire, joy, compassion and love.

Son, My oracles are to be the motivation of all My children but they all need to experience the depth of My heart of unconditional love.
