Son, all that was the desire of our heart, our intentions, will be restored

The question is, will you participate in the process as a son, an inheritor, a coheir and co-creator?
Ephesians 1:21-23 far above all rule and authority and power and dominion, and every name that is named, not only in this age but also in the one to come.

Ephesians 1:21-23 And He put all things in subjection under His feet, and gave Him as head over all things to the church, which is His body, the fullness of Him who fills all in all.
We are to be involved in all things being restored

Son, enjoy; be full of My joy and feel the pleasure of My heart for you.
I am with you through all the storms of life: remember that 'Peace, be still' is not a command but a state of being.

Live in the rest of being where your heart is, living loved; and from your heart will flow the rivers of living water that is the frequency of love, joy and peace –but there are other streams that can be flowing to make up the river of life.

Once the fullness of the fruits of the tree of life are flowing, your own fruit will be produced and 4 more streams will be added to the flow: the fruit of your sonship.

Son, just as there are 12 stones of fire and 12 strands of light DNA, there are 12 fruits of the Tree of Life; and 12 streams that make up the River of Life; and 12 houses that make up the circle of the deep.

Son, the glory of sonship is the light of love to restore creation and free it from its bondage to decay and corruption.
Son, arise and shine with the glory of sonship that is the fruit of rest that creates true reality.

Son, rise above the earthbound limitations of the DIY existence and live from the eternal now of My heart. This is the higher state of consciousness that all the ancients were looking for but could never attain to by the soul's power alone.

There is limitlessness in the convergence of time and eternity –but your mind must be freed from the matrix of illusion, delusion and unreality that it has been trapped into living in by the restrictions of the soul's independence

It is only by living in the love that can only be truly discovered in union and oneness of relational unity; which is found only within the circle of the dance and the circle of the deep.

Son, come through the Merkabah and the Sephiroth of the Tree of Life into the cube of sacred geometric oneness of being positioned within the spheres of dimensional reality. Sephiroth are the manifestations of God that allow Him to manifest in the physical and metaphysical universes.

Son, the restoration of all things is essential as all of the sons of God have a geometrically dimensional position of being that is harmoniously one with us.

Son, let not your heart be troubled: trust in Me and cast all your cares and burdens onto Me; for I care for you, as I do for all My children. They are all My children: help them by loving them unconditionally and assign angels of protection around them.

I am the God of all comfort and I am working all things together for good. Trust Me. Son, rest! I have opened the doors for you: just be yourself and walk through them.

You need to do nothing but be, and I will do the rest, when you only do what you see Me doing. We will go before and prepare the way so that hearts and minds will be open to Me.

The sound is resonating within the hearts of those who know there must be more than this. The sound has been drawing them out of the wilderness where they are in the valley of decision, waiting for the waters to part.

Son, figuratively part the waters and lead the way to cross over into the inheritance of sonship. Son, it is your testimony that they can relate to, as your struggles are what many of them are also facing.

Son, you offer them hope that there is more and you don't have to be an expert to experience the realms of heaven. Son, release your sound. Let Me deal with those in opposition; do not be troubled by their insecurity, just be yourself.

I will remove those who are in opposition to what I am doing; that is not your concern. Just honour what should be honoured and challenge that which needs to be challenged; but do it in love and respect.

Son, the foundation needed may not be possible with those who are not willing to be fully disclosed, open and transparent. Trust in the process, and legislate behind the scenes that hearts and minds will be changed.

Son, you can expand the ambassadors groups next year with others who are ready to step up if you wish.

Legislation is the key to the governmental aspect of sonship. My children cannot afford to be passive if they want to function as mature sons.

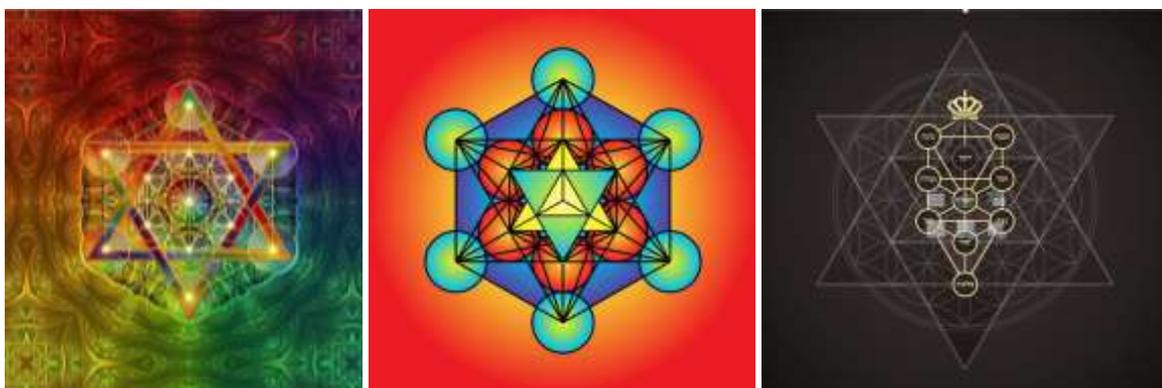

Sonship has within its position governmental responsibility to actively rule.

I am withdrawing My hand and calling My sons to administrate My hand. That is why you are seated on My right hand: to be My right hand within creation.

The light of love expresses truth through relationship and righteousness through responsibility within creation, as light and love are grace and mercy.

Each of My children has a position of active responsibility but they are also the light that is positioned within the fabric of creation itself.

The sacred geometry of creation is the representation of My sons at one level; as light positioned within the Merkabah, tree of life and Metatron's cube; and in all the flower of life - seed of life - golden mean dimensional dynamics.

Son, you have a mandate to call My sons to arise and take their places in creation. Keep that focus and do not let up on your legislation.

Son, keep your heart right. By associating with Nancy, you open yourself to other people's opinions as you are on a public stage.

Protect yourself and others by showing respect and honour and don't enter into public debate with those who clearly have an axe to grind.

Love, honour and respect those that have different opinions but keep following the path that I have led you down.

Son, there is so much more to come and so many more sacred cows to slay, so don't be intimidated or offended by opposition: it is My opinion that counts.

Trust in Me, for there are many new paths to go down: don't draw back because of fear and opposition; press on, be bold and very courageous.

Son, let perfect love (which is Me) cast out all fear in you so I can open your eyes to many more truths.

Son, the perfect has come: I am that I am has come; and I am is present in My children; and I am is at work, opening the hearts and minds of those in darkness to see and come to the light within them.

Yes, for some the light has to shine externally around them for them to realise that the light is already within.

Arise, shine and be the light to the world that will reveal the light that is within all; so all will experience the light of love, and be restored.

VISION DESTINY 2020 9

Gal 1:15 But when God, who had set me apart even from my mother's womb and called me through His grace, was pleased to reveal His Son in me so that I might preach Him in the Gentiles, I did not immediately consult with flesh and blood

Son, it is time to deal with destiny robber

Let Me show you the way to use love's light to restore those in darkness back into the light of love and truth. I knew this was the time and I agreed to pursue it.

I took my place on the Freedom mountain. I transformed into pure light and I began to radiate a frequency that drew the being in, closer to the light.

It was circling inward, towards the light, until it stood before me.

I sensed the tension it felt within, being close to the light, and I released another frequency, the light of hope.

I entered into a dialogue:

I said "I forgive you."

"You cannot forgive us! The sons have decreed that we cannot be forgiven."

"I choose to forgive you."

"No, I cannot be forgiven."

"I choose to release the Father's forgiveness to you. I decree that you can be restored."

"No, we have been told by the sons of God that there is only destruction for us."

I sensed and felt a wavering, so I released another frequency within love's light.

I extended the light of my being to overshadow the fallen one with love's light and I released another frequency, the call to be restored.

I sensed deep sadness and loss but a new desire began to rise; so I reached out with love and I looked deep into its eyes and called forth its destiny as a being of light and reminded it of its pre-fall position and glory.

The scales began to fall off its body and light started to emerge from within.

I sensed joy returning so I called for its destiny to be restored and its position to be restored.

I looked deeper and saw it begin to emerge from the deception into the light of truth and its beauty began to come into view.

I called forth its passion and fire and proclaimed forgiveness and sensed the relief and heaviness lift.

I asked it what its name was

"I am of the order of Destiny"

I recommissioned it and ascribed to it a new name, the Freedom Destiny Restorer.

It rose into the air and exploded in beautiful light, filled with joy

I released it with the freedom to access all of our mountain spheres and to inspire the Joshua Generation to come forth out of the deception of the wilderness darkness into the glorious light of inheritance.

Son, I am with you: trust Me and cast all your cares onto Me because I care for you.

Don't try to be someone you are not.

Son, I made you to be able to deal with and subdue those obstacles and hindrances so as to not be deflected from your task as a son of God.

VISION DESTINY 2020 9

Focus on the solutions, not the problems. Let Me deal with the problems by seeking first the kingdom.
Son, choose a different reality: one that aligns with your destiny and the restoration of all things.

Update your testimony to cover the process of restoration of your sonship
Bring the Joshua Generation focus up to date with governmental authority and restoration
Include restoration as a focus for legislation

Son, your focus needs to be preparation: getting the Joshua Generation ready to be according to the Order of Melchizedek.

Son, light and love are the keys to restoration and government.

Sons, arise and shine with the light of love, to be the light to the world; so that sonship is lifted up and no longer hidden.

The Ekklesia and the Embassies must be like cities that are on a mountain, ruling from a position of being raised up to be seen as the light of the world.

The glory of sonship is to shine brightly, to restore hope through love

This light is so that the tree of life and the river of life can both be experienced on earth as they are in heaven.

The role of the Order of Melchizedek is to bring agreement between heaven and earth, converging time and eternity, to restore all things to their original position within My intentions.

Son, love is the only true weapon you need.

Arise and shine with love's light; and the world will know who I am when they see My love revealed in My children.

Love one another as I have loved you; and love the world as I loved it and gave My life for it.

Unconditional love is the only thing that is a constant need common to all My children: that is their driving force; use that to reveal Me in them.

I long for all My children to know the reality of My unconditional love and I am constantly working in their lives to reveal the truth.

Be the light of revelation that unveils me in all of My children

I am is love. There is no other description necessary: love defines My every desire, thought and action; there can be nothing but unconditional love within Me or outworked through Me.

Love desires the good in every situation and circumstance; but following the DIY path has meant that My children have chosen independence from the source of their deepest need, to search for love that they can never find apart from Me

Son, for you to be you, others must be them; so show unconditional love to those who are different from you and honour all.

John 13:34 I give you a new commandment, keep on loving one another just as I have loved you – my love for you is the source of your love for one another.

This not a law we are obligated to keep but a goal to pursue.

VISION DESTINY 2020 9

(The word *entole*, which is often translated commandment or precept, has two components: *en*, in and *telos*, from *tello*, to set out for a definite point or goal; properly the point aimed at as a limit, that is, by implication, the conclusion of an act or state, the result; the ultimate or prophetic purpose. Strong's 5056)

John 13:35 (Mirror Bible) this environment of your love for one another everyone will come to know your discipleship unto me.

John 14:2 (Mirror Bible) What makes my Father's house home, is your place in it! If this was not the ultimate conclusion of my mission why would I even bother to do what I am about to do if it was not to prepare a place for you?

I have come to persuade you of a place of seamless union where you belong. (See John 8:35 The difference between the slave and the son is that the slave only works there; for the son the father's house is home!)

John 8:36 (Mirror Bible) With the freedom found in sonship there is no pretence!

[Free indeed! The word, *ontoos*, indeed is the opposite to what is pretended.] What Jesus is about to accomplish in his death and resurrection will forever shift the idea of religious works and pretence and performance from the typical slave-mentality to the freedom and reality of sonship!

John 14:3 (Mirror Bible) The proportions of what I will accomplish are astonishing! I will prepare a highway for you, just as in the Oriental custom, where people would go before a king to level the roads to make it possible for royalty to journey with ease and comfort. By fully identifying myself with you I would fully identify you with me so that you may be completely at home where I am!

(Jesus sees the full scope of his work: by submitting himself to our judgment and hellish fury, he would enter our death and gloom and thereby strip every principality and dominion of its judgment and power-play over the human race.)

Colossians 2:14,15. The word suggests a levelling of the road to make it passable for kings! [Isaiah 40:3-5]

The word *paralambano*, carries two components, *para*, a preposition indicating close proximity, a thing proceeding from a sphere of influence, with a suggestion of union of place of residence, to have sprung from its author and giver, originating from, denoting the point from which an action originates, intimate connection; and *lambano*, to comprehend, grasp, to identify with.

He would lead us in his triumphant procession on high out of our darkness into his marvellous light, where we may now participate in the union of the ages - "and take you to myself so that you may be where I am, face to face with the Father!"

"Hosea 6:2; Ephesians 4:8; Colossians 1:13. John 1:1,2. See John 1:18 Until this moment God remained invisible to mankind; now the authentic, incarnate begotten son, the blueprint of our design who represents the innermost being of God, the son who is in the bosom of the father, brings him into full view! He is the official authority qualified to announce God! He is our guide who accurately declares and interprets the invisible God within us.)

John 14:6 (Mirror Bible) Jesus said, "My I am-ness [mirrored in you] is your way; this is your truth and also your life! Every single person can now come face to face with the Father entirely because of my doing."

John 14:7 (Mirror Bible) If you had known me for who I really am, you would have immediately recognized my Father in me. Now, with me bringing you back face to face with the Father, you will certainly know him and become fully acquainted with him.

VISION DESTINY 2020 9

John 14:18 (Mirror Bible) At no time will you be orphaned or abandoned by me; I come to abide face to face with you. (I come to be no less face to face with you than what I've always been face to face with the Father from the beginning for all eternity.

The Holy Spirit does not replace but reinforces the presence of Jesus and the nearness of the Father. Again John uses the word *pros*, face to face. See John 1:1)

John 14:19 (Mirror Bible) In yet a little while and the world will no longer see me but I will be tangibly visible to you in the very life we share together. 20 In that day you will know that we are in seamless union with one another! I am in my Father, you are in me and I am in you!

(The incarnation does not divide the Trinity; the incarnation celebrates the redeemed inclusion of humanity! Picture 4 circles with the one fitting into the other - the outer circle is the Father, then Jesus in the Father, then us in Jesus and the Holy Spirit in us!

This spells inseparable, intimate oneness! Note that it is not our knowing that positions Jesus in the Father or us in them!

Our knowing simply awakens us to the reality of our redeemed union! Gold does not become gold when it is discovered but it certainly becomes currency!)

John 14:21 (Mirror Bible) Whoever resonates and treasures the completeness of my prophetic purpose cannot but fall in love with me and also find themselves to be fully participating in my Father's love and I will love this one and make myself distinctly known and real to each one individually

In this embrace of inseparable union love rules! (Intimacy is not the result of suspicious scrutiny but the inevitable fruit of trust!)

John 14:23 Jesus answered, "This is so much more than a mere casual, suspicious or indifferent observation, whoever loves me will treasure my words and know my Father's love and we will come face to face with this one and make our abode with [*para*] each one individually."

(We will make our abode, *mone*, the same Greek word that is rendered *mansions* in the KJV in the former part of this chapter. God doesn't dwell in buildings made by human hands - God has no other address but 'you'-man life!)

John 14:26 (Mirror Bible) The Holy Spirit is about to become your close companion, sent by my Father in my name to represent me, to teach you all things and remind you of everything that I have spoken to you. Thus my word will continue to find a voice in you.

VISION DESTINY 2020 9

John 14:27 (Mirror Bible) Peace be with you! I give you my own peace – this is not the kind the world gives – this is peace in the midst of troubled times; therefore you have nothing to fear! Let not your hearts be timid.

John 14:28 (Mirror Bible) You have heard me say that I go away to come to be face to face with you; now if you're in love with me you would not be threatened by the idea of my departure, but you would rejoice

John 14:28 (Mirror Bible) since I'll be going to the Father and my Father is greater than me. From now on we will be present in a much closer capacity to you than what I could ever be while I am with you in the flesh!
