

I am going to review some of the things that were key in 2020

I will share my journals; that will include:

What God said in 2020

What God did in 2020

What does that mean for 2021?

3rd December 2020

Son, the world is still gripped with the fear that nothing is ever going to be the same again and this is hindering the embracing of change.

Fear produces the anger that you have seen in people who are normally loving as the things they are depending on and the causes that they wrongly feel are Ours are being shaken.

Only a great awakening to unconditional love can cast out their fear as fear is a strategy to keep the great deception hidden.

Whenever exposure is threatened, some form of hysteria is induced that distracts people from the truth by creating conspiracies that mask the purpose behind the fear.

Son, keep releasing love and hope as frequencies that counteract the fear so the truth can be revealed;

because great changes must come if restoration is to take place.

Wherever fear takes a grip, people lose their trust in a loving God and despair and depression often follow.

Many of Our sons want partial restoration but are not prepared for the shaking necessary to produce even small levels of change.

They have created safe places and comfort zones for themselves that insulate them from the truth so they resist change even though they want their own spiritual revivals.

Son, with the great shakings that must come there must also be a message and frequency of hope broadcast that keeps our children from despair or else fear will incapacitate them.

Son, We are going to expose the political and religious spirit agendas by revealing the deception that has infiltrated the hearts of many of Our children as it is embedded in the partisan politics seen in many nations.

Trump will not be elected and when he is not many people's trust in prophets and in their own discernment will be shaken and challenged.

This trial is designed to help them take their eyes themselves and their mediators and look up to heaven for the real truth.

The combination of political agendas with religion to accomplish what they think are kingdom purposes is a powerful delusion that has occurred many times throughout history.

The religious rulers got into bed first with Herod and then Rome to further their own agendas, and eventually Constantine merged the church and state: and that became the seedbed for great corruption.

VISION DESTINY 2021 25

That corruption was orchestrated by the Luciferian system to create Christendom, the crusades, holy wars(!), inquisitions, empires and conquests to keep the world divided and in conflict.

Fear was the architect of all those control systems that totally misrepresent who We are by making Us behind worldly politics and being partisan.

Fear looks for stability, even if that means dictators and political control systems.

Only perfectly expressed unconditional love and limitless grace can cast out the fear so the great deception can be exposed. So release wave after wave of love until fear is suppressed and replaced by hope.

Son, there is no need for there to be riots or violence in the transition if enough of Our children are willing to reject their political hopes and accept seeking first Our Kingdom and trusting in Us and not in political figures or conspiracists.

Continue the process to turn those fallen beings responsible for generating the fear from darkness to light that the restoration government group began.

Division, Competition, Conflict, Tribalism, Punisher, False Unity, Turkis, Deception,

7th December 2020

Son, come closer.

I heard the Father whisper gently, "No, come even closer."

I set the intent of my desire on coming closer without really knowing what that meant.

Then something changed and I was in an intensely bright light which was warm and heavy, like I was cocooned in a thick syrupy glory.

That glorious covering was heavy and weighty with expectation.

I felt intensely loved and affirmed in my sonship as never before and I was at rest, really unable to move (not that I wanted to.).

Emotion after emotion rolled over me with such intensity that I could hardly stay conscious, in pure ecstasy.

Love, joy, peace, mercy, kindness, goodness, approval, affirmation, affection, pride in me: all unconditionally poured over me, in me, through me, until I was saturated in lovingkindness.

I was in such bliss I did not even consider asking where I was as I did not want this wonderful experience to ever stop.

Son, these are just a few of the limitless thoughts We have about you and all of Our children, all of the time.

Son, learn to dwell and live from here, deep within I am that I am, and just be.

I had never felt so comforted, complete, contented, satisfied, alive, whole or safe ever before.

I knew who I was, why I was, how I was like never before.

Son, you will need to abide in this state of being so you can continue to go beyond beyond again and again.

To expose the great deception you will need to be fully aware of who you are as many will question your integrity and your motives as their beliefs are challenged.

Then deeper truths filled my mind as history itself began to be unravelled, revealing the truth of the Luciferian agenda.

The ascent of mankind was actually a descent into a deeper darkness of deception, moving further and further from the truth of the tree of life and the simplicity of the garden.

I could see that the light of love and God's goodness was still shining through every event of history, even if the truth was distorted.

The lies became widespread as the truth was restricted by the elite few who began to take control through the religious and political spirit.

The desire of the Father for equality, value and worth for all to be abundantly blessed became lost as the Luciferian elite became prophets, priests, rulers, monarchs, kings, tyrants, emperors, nobles, barons – to subjugate the majority into every form of serfdom and slavery.

The hierarchical systems of government replaced the simple covenant of relationship and mutual support that valued everyone equally, just like the Father does.

Every political and religious system that elevates the few to subjugate the many is part of the great deception.

The power invested by the Father in blessing each of His children to prosper and succeed was eroded as power became associated with money and position.

Wealth became associated with material possessions and knowledge rather than the intrinsic value and worth of each individual.

Inequalities based on position, power and financial wealth spread to include colour, gender, class and race; to divide and separate societies, creating elite ruling- and under-classes.

The divisions and inequalities that have infiltrated mankind have been responsible for creating even more systems that promote prejudices of all kinds that have fuelled slavery, racism, apartheid and subjugation.

The division into nations to create a name for themselves inevitably created empires and eventually corporations that used division, competition, conflict and tribalism to keep the control in the hands of the wealthy elite few.

Son, what you have seen and the abhorrence you feel must be balanced by what you have felt deep with Us so you can, in love, expose the lies with the truth that all societies and cultures have become subservient and deceived.

The unconditional love and limitless grace that flows from the throne of grace through the tree of life in the river of life are to be poured out in unprecedented dimensions.

8th December 2020

Son, the glory of God is mankind: the pinnacle of creation, made in Our image, carrying the essence of who We are.

Man was clothed with glory to bring dominion to creation and rule as gods in Our image, which was the original condition and Our intention.

The choice to leave the intimacy of the garden and follow their own independent path has led to the deception and delusion of the Luciferian agenda becoming the normal, orthodox view and position.

Restoration of Our original desire and purpose is the first goal of the restoration of all things, so mankind can once again rule alongside Us in glory.

The restoration of the glory of sonship will bring freedom to creation and so the original purpose can be resurrected and begin again.

The Kingdom of God is to be fully reflected in the glory of sonship as the governmental rule of peace increases and expands to all created dimensions.

Son, for the Kingdom to increase peace must be established between all things; so there must be an end to division, competition, conflict and tribalism.

One new covenant creation, man in union with God and creation, is the true reality.

The great deception which tries to counterfeit the true Kingdom through the religious and political spirit systems must be exposed.

The DIY systems of economy politics, media, education, and pharma must collapse and fall.

Whilst man puts their trust in the counterfeit, the deception will continue; so that is why there must be these great shifting and shakings: to remove confidence and trust in the DIY systems of independent mankind.

2021 will not bring an end to the current insecurity and uncertainties as they are just the consequences of the shaking.

Trust in independent humanistic solutions will be challenged by exposing the lies and deceptions behind them.

This will continue in many different ways so that the control systems of humanistic culture that hide the agenda of one counterfeit global government with an earthly false Messiah is exposed and rejected.

The sons of God must arise and shine with love, truth and hope so all Our children can be disentangled from the global systems that they have been deceived by.

The infiltration of the religious and political spirit must be purged so purity can be restored; then the true mountain of the house of the Lord can rise.

Our children must be removed from the household of the denominated church systems so those systems can be judged, crumble and fall.

There must be an exodus of Our children from the religious institutions in search of the promised land of truth that will only be found in true Ekklesia that represent heaven on the earth.

Call into the wilderness of the church systems to awaken Our children to the reality of who We truly are so they can shake off the deception in the light of truth.

Son, legislate for the tribalistic denominated church systems that are part of the Luciferian agenda of division and competition to be exposed for what they are.

The false church age must be replaced by the true Kingdom age that has been controlled and suppressed through the religious and political spirit control.

The deception of the doctrines and theologies that have paved the way for futurist eschatology, Zionism, rapture, tribulation and millennialism must be exposed and the Hebrew roots agendas rejected so the truth can be revealed.

Son, you must take up this mandate and write the book The Eschatology of the Restoration of All Things that will expose the deceptions and reveal the Luciferian agendas behind them. Eschatology is itself a deception as there is no end, just increase.

Trust in any DIY system and anything and anyone other than Us will be shaken; so be prepared to stand firm on the foundation of the Father's loving and gracious Kingdom.

Only face to face relationship and heart to heart intimacy will be able to reveal the light of truth and free Our children from the great deception that they are living in.

Son, continue to call Our children out of darkness into the light of truth to engage Us face to face beyond the veil and develop the inner secret places of intimacy.

The freedom of the glory of the children of God must shine with the light of love and truth to bring creation into liberty, union and blessing.

9th December 2020

Jesus said, "Son, come walk with Me."

We stood in the earth shield where the light connections between those that formed the shield was being channelled through Jesus as the light of life.

All the connections between the different groups individual people and the witnesses and angelic beings was through Jesus.

Everything is connected through the tree of life as all is included in Jesus.

It was like Jesus was the hub through which everything was channelled and everything was connected like a vast neural net – the mind of Christ.

He was the nexus of all creation and all connections were in Him.

All creation was in Him, by Him and through Him.

I was overawed by the sight of the light energy and the love emotions being generated through this network.

Son, everything exists within Us but there are nexus points that are significant connections between dimensions and this is one of them.

This network of light is an interface between heaven and earth and the network of everlasting doors that surround the earth.

The dimensional portals of the ages are being prepared to be opened.

This is the preparation for the next age outpouring, as this shield needs to be in place and strongly connected through the tree of life of Our being to administrate the everlasting doors safely.

The everlasting doors are not just connections between heaven and earth but also the dimensions, as they are gateways.

Until this point the gateways have been closed, with only a few exceptions, as Our sons were not mature or wise enough to administrate them.

With the establishing of the earth shield and its strengthening, the dawning of the next age is being prepared.

The government of Our Kingdom must go beyond the earth to bring peace and restoration to all dimensions.

The light of love now circling the earth must expand into the dimensions through the everlasting doors, as now the gateways can be protected when opened.

Son, your assigned task to guard the western gate has been successful but remember We told you that access through the gates would be given in the future.

I remembered that was an encounter in October 2016 that preceded an attempt to open the western gate for the third time in modern history.

1917 New York and 1946 Mojave Desert were the previous openings.

The attempt by Jason Westerfield and a group who had deceived him was foiled but now, just a few years later, things have accelerated quickly –demonstrated by the establishing of the earth shield.

The restoration government groups will be given the mandates to engage the dimensions in 2021, so get ready.

These groups are being raised up globally to legislate restoration and be part of the earth shield.

Son, you have engaged the dimensions through portals that are not open to dimensional beings, so opening the everlasting doors has risks attached; but for the outpouring of the next age to fill the earth with glory, this is the only way.

The glory that will fill the earth, which is the mystic union of Our children with Us, must also fill the dimensions, which is why the gateways must be administrated.

The everlasting doors were designed to be permanently opened to connect all of creation through the government of Our sons but were closed to protect earth until the sons were mature enough to be revealed again in light.

The earth shield is a sign of the maturity of some but the great deception is hindering many from fulfilling their destinies.

In this time of transition the focus of the shield must be to release the light of truth into the earth, to expose the great Luciferian deception, to bring a great global awakening of love consciousness.

VISION DESTINY 2021 25

It is now the time for the networks to be networked though Me so that the neural net functions in the light of love and truth.

I was aware that Jesus was powering up. I could feel the anticipation building and then He spoke with such power and authority.

His voice was like thunder as He declared from the light of the shield.

I am the Truth.

Stop listening to the voices of reason.

Stop listening to voice of your own understanding.

Stop listening to the voices of prophets.

Listen to Me, for I am speaking to you directly.

I am revealing the heart of the Father.

I am the light of Truth: listen to me and speak with My voice in unison.

Each of Jesus' declarations was more than just a sound, it was the fullness of frequencies conveying light, sound, emotion, truth, heart and life.

There was an amazing amount of creative energy and power released.

I began to speak declarations of truth into the earth in unison with what Jesus was saying:

I am the bread of life.

I am the resurrection and the life.

I am the way, the truth and the life.

I am the good shepherd.

I am the door for the sheep.

I am the light of the world.

I am the true vine abide in Me.

I am the express image of the Father.

I am the author and finisher of your faith.

I am the all-inclusive one.

I am the one new man.

I am the Israel of God.

I am first born of the new creation.

I am the Lamb of God.

I am the Lion of God.

I am that I am.

10th December 2020

Son, 2020 has been the greatest shift that most people have experienced in their lifetime, and most see it as a negative one that they are rejecting or resisting.

You have been prepared for this time of great shaking and have thrived because you have embraced the shifts in thinking that have shone the light of truth on the deceptions that most live under.

Son, We rejoice in your willingness to let Us deconstruct your beliefs and challenge your normality and that you share your experiences with others in spite of the cost.

You have embraced the challenge to expose the deceptive beliefs that you once assumed to be true by speaking that truth in love.

Now is the time to go further as you are now joined to many others in union of heart who can enhance your authority to shine love's light into the darkness.

Son, you have never been deceived by conspiracies and have no background knowledge of global cabals, illuminati, or Luciferian agendas; but now you have seen the religious and political spirit at work and now know what is behind it.

What We have revealed to you in preparation for exposing the great deception is the eschatological Zionist agenda that has infected much of the institutional church's theology.

That knowledge has given you a plumb line by which to discern the truth of what is behind globalist systems of control within society and culture in general.

Now you know the hallmark of the religious and political spirit's MO is division, competition, conflict and tribalism, you will be able to discern even more of what is behind world affairs.

Son, you know that We are at work in all of Our children and in every situation and circumstance of the cosmos to bring about the good that facilitates restoration.

You know that you can trust Us because you dwell and abide at rest in the realm of light even in the midst of the storms.

Son, 2021 will be a year of even greater changes in the spiritual dynamics that operate behind the physical reality of most people.

These changes will not be seen or discerned by most people but they are even greater recalibrations than the events of this year that been designed to shift and shake, to reset and recalibrate the values and priorities of Our children in preparation for what is coming.

Son, raise the bar in the restoration governmental groups to tackle the deceptions behind the globalist systems by infiltrating the darkness with light.

The shaking of Our children's trust in the global systems controlled by the religious and political spirit is weakening the power they have to keep the deceptions hidden.

Those systems are vulnerable to the light of truth. So arise and shine, take your places in identity and authority within the earth shield network and release the global love awakening.

Son, love wins because love has won. So continue to live lived, love living and live loving in the rest of being and you will be an ambassador of the light of truth.

Let's look forward to 2021 with a joyful expectation of greater transformation and restoration.

Rest is the key to restoration, revelation and creativity.

Start to focus on your breathing, slowing it down, and start thinking of the name of God: YHVH.

Breathe in deeply and exhale slowly: Yod.

Breathe in: Hei, and out: Vav.

VISION DESTINY 2021 25

Repeat in Hei, out Yod, in Hei, and out Vav.

Be still and know that I am God.

I am love, I am joy, I am peace.

Invite love, joy and peace to flow in you and through you to create an atmosphere of rest around you.

You are in a safe place

Start to think of an open heaven and set your desire upon engaging the Father's heart.

Engage the realm of light to experience the light of love and truth at a deeper level of being.
