

## Where do I start?

This is one of the most frequent questions we receive on [Mike's YouTube channel!](#)

Mike's mentoring videos are an opportunity for individuals to ask questions on any topic and not a step-by-step introduction to engaging with God in the realms of heaven. But good news! Such a thing does exist...

## Engaging God

The very best option is our *Engaging God* subscription programme, which starts at first principles and walks you through the process of beginning to engage with God for yourself, and beyond.

You get 2 weeks free when you sign up, so you can try it without risk and see if it's for you.

Find out more and sign up at [eg.freedomarc.org/subscribe-to-engaging-god](http://eg.freedomarc.org/subscribe-to-engaging-god)

## Sons of Issachar blog

If you're not ready yet to commit to an *Engaging God* subscription, check out our *Sons of Issachar* blog. Based mostly on Mike's Sunday morning teaching at Freedom Church over several years, this is a written resource which will help you get started with the kind of relationship with God that Mike enjoys.

It's probably best to start with the *Joshua Generation* posts and then follow posts in order by clicking the 'Next' link towards the very end of each, below the comments section.

## My Journey Beyond Beyond: An autobiographical record of deep calling to deep in pursuit of intimacy with God

Mike tells his story in his first book. Perhaps it will be an encouragement for you too!

Finally, on the YouTube channel, you may like *Exercises How To Enter The Spiritual Realm and Interact with God*, a recording (with PowerPoint slides) of an early workshop session at Freedom Church.
